March 14 - 18	* School Closure Days
March 21 - 25	* Spring Break
March 28	* Flex Day - Dismissal at 2:01 PM
March 30	* Interim Reports

Daily Health Check

Everyone going into to school must complete a daily health check, including staff, visitors, and students. A daily health check means checking yourself or your child for new symptoms of illness, including symptoms of COVID-19.

Symptoms of illness (including COVID-19) include things like:

- Fever or chills
- Difficulty breathing
- Runny nose
- Headache
- Diarrhea
- Cough
- Sore throat
- Sneezing
- Body aches
- Loss of sense of smell or taste
- Loss of appetite
- Extreme fatigue or tiredness
- Nausea or vomiting

If you are sick or feel unwell, stay at home. This is important to stop the spread of illness, including COVID-19, in schools.

You can attend school if:

- Your symptoms are consistent with a previously diagnosed health condition (e.g., seasonal allergies), OR
- You have existing symptoms that have improved to where you feel well enough to return to regular activities,

AND you are not required to self-isolate, or your self-isolation period is over (based on a positive COVID-19 test result, if taken).

What to Do When Sick

If you have mild symptoms of COVID-19, you usually don't need a test. Mild symptoms are symptoms that can be managed at home. Most people don't need testing for COVID-19.

Stay home and away from others (as much as possible) until you feel well enough to return to your regular activities and you no longer have a fever. You should also avoid non-essential visits to higher risk settings such as long term care facilities and gatherings, for another 5 days after ending isolation.

If you have a Rapid Antigen Test at home, use it when you have symptoms. How long you should stay home depends on your test result. Find out more about [Rapid Antigen Test results](#).

If you do not have symptoms of COVID-19, you do not need a test.

If you are unsure about your symptoms, you can use the [Self-Assessment Tool](#), contact your health care provider or call 8-1-1.

Testing may be recommended for some people who may be more likely to get severe disease. See BCCDC for information on [who testing is recommended for](#).

Health and Safety News: Daily Health Checks

The importance of Daily Health Checks as students head back to class

Wednesday, January 5, 2022

As students in the Surrey School District return to class on Jan. 10 from the extended winter break, [Daily Health Checks](#) remain a crucial step in ensuring the health and safety of staff and students. The district reminds students and staff to **Check Up, Back Up, Wash Up, Mask Up and Vax Up**, as part of our ongoing health and safety protocols. Everyone, including students, staff, parents, caregivers and all visitors, must continue to monitor their health every day to determine if they should come to school.

It is critical that we follow this guidance as daily health checks are our schools' first and most important line of defense against COVID-19. *You should not come to school if you feel unwell.* Stay home and seek a health assessment by contacting your healthcare provider or calling 8-1-1 if you feel sick.

*** Links to Daily Health Check forms are available in multiple languages on the district's [COVID-19 Health & Safety page](#). ***

You can also [download the K-12 Health Check Mobile App](#).

Students and staff who have travelled outside of Canada are required to follow both [provincial](#) and [federal requirements](#) for entry. This includes students who are attending school from abroad.

If you have been in close contact with a person confirmed to have COVID-19, follow the [instructions provided by public health](#). You can call 8-1-1 anytime to get advice about how you are feeling and what to do next. If it becomes harder to breathe, you can't drink anything or you feel much worse, seek urgent medical care at an urgent care clinic or emergency department.

It is everyone's responsibility to ensure they are healthy to attend school, and to stay home to protect others if they are not. Please do your part to keep yourself, your families and your school communities safe!

Golden Rules for Everyday Life

Get vaccinated

Respect personal space

Follow guidelines

Consider people's situations
& comfort levels

If sick, stay home

Clean your hands

Check before you travel

It's always safer
outdoors

Our circumstances are all unique. But the things we can do to keep each other safe and support each other are the same. Follow these basics and do your part to bring us all back together again.

Health and Safety News: 'The Swiss Cheese Defence'

LET'S KEEP OUR SCHOOL SAFE!

We know that no single intervention is perfect at preventing the spread of illness, so we are implementing multiple layers of protection to keep our staff, students, and families safe during this pandemic. It's a shared responsibility and we all need to do our part.

Check Up
Check that you are feeling well before you come to school. You can't come to school if you feel sick.

Back Up
Spread out when you can and respect everyone's personal space.

Wash Up
Wash your hands for at least 20 seconds before and after eating, after going to the bathroom, after being outside and before putting on and after taking off your mask. Soap and water fight off germs!

Mask Up
Masks are another layer of protection against illness. Bring a clean one to school and wear it every day.

Vax Up
Get the vaccine and make sure you have both doses. People who are not vaccinated are at higher risk of getting and spreading COVID-19.

“This Week at Fleetwood Park” Principal’s Message ~ January 24 - 28

January 27, 2022

Good morning Fleetwood Park Secondary!

It is the final week of Semester #1 and our students and staff are completing their final assessments and assignments. As we all know, it has been a very unusual and challenging term as we have responded to the Health and Safety requirements of the latest Covid variant. However, that said, it has also been an extremely important and successful time. This semester we have been able to restart traditional, in-person instruction, athletics, extracurriculars and the many aspects of high school life that we know and love. We have managed to navigate our way through revised structures, new guidelines, increased absences, and in doing so, our school has remained open, safe and welcoming. This is very significant accomplishment as a school community, and we should all be very proud of the work we have done together. Thank you to all Fleetwood Park Secondary staff and students and parents/guardians for all you have contributed to our community of excellence. Your efforts have allowed us to move forward and to continue to serve our students.

“This Week at Fleetwood Park”

Principal’s Message ~ January 24 - 28 continued

This week, in addition to class-based final assessments, we have continued to prepare for next semester. We welcome new teachers Ms. Gadey, Math, Ms. Baldry, Foods/Psychology/BASES, Ms. Bellmond, Art/CLC and Ms. De La Vega, Music/English. Fleetwood Park is a very special place and I know that you will enjoy your time within our community. In addition to new teachers, we will also be welcoming 2 new “Teacher Candidates” from Simon Fraser University for 2nd semester. Welcome to: Ms. Collins, Math/Sc/Hum, and Ms. Shimmin, Humanities. You are entering a very meaningful and rewarding profession. We wish you the very best in your first practicums.

I would also like to welcome Mr. Zoel Thibault to our Administrative team for the 2nd semester. Mr. Thibault will be moving from his teaching position to the office as Acting Vice Principal. We look forward to working with him in support of students and staff across our entire school community. The additional administrative leadership reflects our continuing increases in enrollment. Enrollment for the 2nd semester will be approximately 1620 students. Our school is a big, busy, complex and dynamic place to work and learn. We continue to thrive as we focus on our core values of friendliness, involvement and school spirit. Our students are creative, responsible and are committed to academic excellence and future challenges and opportunities! As I often say, Fleetwood Park’s caring community of excellence is a very special place!

This week we met with Department Heads to continue our discussion on the Ministry of Education’s draft plans for revision of our Assessment/Reporting structures. This is such an important conversation, and will be a continuing theme for our staff throughout the 2nd semester.

Speaking of Assessment, the Ministry of Education recently announced that the January session of the Provincial Grade 10 and 12 Assessments have been cancelled. We are still waiting for further direction on the rescheduling of the assessments. However, we note that the Ministry announcement clearly stated that Grade 12 students’ graduation status will not be impacted by this decision. We will share information with our community as it arrives. Thank you for your understanding and flexibility. Wednesday is the last day of regular instruction for the 1st semester classes. Thursday and Friday are Semester Completion Days. Students are reminded that the school will be open for support. Please make an appointment with your teacher if you would like to come into the school to complete assignments/assessments for your courses.

Monday, January 31st is the first day of the 2nd semester. **All students are required to access their new timetable by going into your MyEdBC account and downloading the schedule.**

Hard copies will not be printed for students. Please contact the office if you are having difficulty accessing your account.

Students in Grade 9 are reminded that Grade 9 vaccinations (meningococcal bacteria, Tetanus, Diphtheria and Whooping cough) are scheduled on Monday, January 31st. Consent forms have already been distributed to students. Classes will be called down throughout the morning.

“This Week at Fleetwood Park”

Principal’s Message ~ January 24 - 28 continued

This past week our Home Economics students in Ms. Szeto’s Pastry and Baking class have been creating beautiful and delicious masterpieces! We have very talented bakers at our school!

“This Week at Fleetwood Park” Principal’s Message ~ January 24 - 28 continued

*Our students have been enjoying our Intramural program this semester.
Soccer is in full action with great fun and fitness!*

Note: this is a gentle reminder for parents/guardians to please complete the 2 Way Video Permission form which can be found here: <https://www.surreyschools.ca/schools/fltsec/Pages/default.aspx>
Enjoy your Thursday and Friday... take advantage of the time provided for Semester Completion Days, have a restful weekend, and we will begin again on Monday!

Ken

Kindness ...

**Uplifts, heals, brings us together
and also has health benefits.**

“I’ve learned that people
will forget what you said,
people will forget what you did,
but people will never forget
how you made them feel.”
