Tune in to [FRAFCA Facebook Live](#) and [FRAFCA YouTube Live](#), on June 21 for Surrey's National Indigenous Peoples Day Virtual Celebration:

- Kids Show: 11:00AM-11:30AM
- Main Event: 6:00PM-7:30PM

Hosted by the Local Land Based Nations, Semiahmoo, Kwantlen and Katzie First Nations, Surrey's National Indigenous Peoples Day is an opportunity to acknowledge and show respect and admiration for Indigenous Peoples past, present and future; to share cultural history; and to share spirit, experiences, stories, song, art and dance with each other and the community.

The virtual broadcast will include cultural sharing from Semiahmoo, Kwantlen, Katzie First Nations, and Nova Métis with teachings and practice through art, music, storytelling, and dance.

We look forward to bringing you:

- The Wild Moccasin Dancers, (Shyama-Priya and David Whitebean)
- Stars of the North Drum Group, (LaDonna Wiks-Joseph name by Wata)
- XiQuelem, (Eugene Harry)
- Brown Bear Woman, (Candace Hill Trevena)
- JB the First Lady, (Jerilynn Webster)
- Métis Jigging (Madelaine McCallum)
- And More!

Surrey Schools prepares for face-to-face and hybrid Summer Learning

Wednesday, June 16, 2021

With summer break fast approaching, Surrey Schools is gearing up for our [comprehensive summer learning program for the 2021 summer session](#), featuring both in-person and online learning.

The delivery model for our elementary and smaller specialized programs will involve full-time face-to-face learning, while our secondary academic and remedial programs will be a combination of face-to-face and online learning. Students will receive their schedules and classroom expectations from their classroom teachers prior to the start of each program. (The delivery models are subject to change due to circumstances regarding COVID-19 or changes to provincial health guidelines which could include full online learning if the health protocols dictate).

Registration is open until **June 28** for Surrey Schools' Summer Learning [full credit academic courses](#) for Grade 10-12 students, as well as [remedial courses](#) for Grades 8-11. Full credit courses are for students looking to get ahead or retake a course, while remedial courses contain partial course content and are only for students who have taken the course already and want to increase their knowledge or improve their mark. Remedial courses are graded on a scale with a maximum mark of 80%.

This year's offerings include the following subjects at various grades:

- **English:** English, Literary Studies, New Media, Creative Writing, English Studies
- **Languages:** French, Mandarin, Punjabi, Spanish
- **Math:** Math, Foundations of Math, Workplace Math, Calculus, Pre-Calculus
- **Physical Education:** Physical Education, Active Living, Fitness & Conditioning
- **Sciences:** Science, Chemistry, Physics, Life Sciences, Anatomy & Physiology
- **Socials:** Social Studies, Exploration of Social Studies, 20th Century World History, Human Geography, Physical Geography, Law Studies, Philosophy, Social Justice
- **Computer:** Media Design

Not all courses are available at all sites. When registering, students will have the opportunity to associate their course with one of the following Summer School Sites:

- Clayton Heights Secondary
- Earl Marriott Secondary
- Enver Creek Secondary
- Fraser Heights Secondary
- Guildford Park Secondary
- Panorama Ridge Secondary
- Princess Margaret Secondary

Students will also have hands-on learning opportunities with four programs to teach new skills: Skills in Automotive at Frank Hurt Secondary, Skills in Culinary Arts at Enver Creek Secondary, Skills in Trades at Princess Margaret Secondary and Skills in Drafting at L.A. Matheson Secondary. The goal is to expose our learners to different vocations and spark interest for further trade studies.

K-7 students may attend summer learning by staff referral for courses on Literacy & Numeracy, Early French Immersion and Late French Immersion. More information is available from your classroom teacher or school principal.

For additional information and to register for secondary courses, [click here](#). Registration closes June 28 at 8 a.m.

Health and Safety

Staying safe while carpooling to and from school

COVID-19
Carpooling? Ride share?

Reduce the spread of COVID-19 while travelling with people outside your household

Before the trip

Always complete a COVID-19 symptom check before carpooling.

Unless you need medical care or testing, do NOT travel if you have:

- COVID-19 symptoms
- Travelled outside of Canada within the last 14 days
- Been told to self-isolate by Public Health

- Spread out as much as possible. If there are two people, the driver should be alone in the front.
- Wear a mask over your nose and mouth.
- Travel with the same people each time.

During the trip

Keep your trips as short as possible.

Open windows in the vehicle to allow air in.

Set the vehicle's ventilation to bring in fresh outside air. DO NOT recirculate the air.

Avoid eating or drinking in the car.

Cleaning

Clean high contact areas (such as seat belts and door handles) every time you leave the vehicle.

If vehicles are shared on the job, clean between each shift.

Clean your hands when you get in and when you leave.

At work

If you are carpooling with another employee at your worksite, tell your employer. Your employer may use this information when making their COVID-19 Safety Plan.

Health and Safety

1. STAY HOME WHEN SICK

All children and staff with common cold, influenza, COVID-19, or other respiratory diseases must stay home and self-isolate.

2. HAND HYGIENE

Everyone should wash their hands more often!

Thorough hand washing with plain soap and water for at least 20 seconds is the most effective way to reduce the spread of illness.

3. RESPIRATORY AND PERSONAL HYGIENE

Cover your coughs.

Do not touch your face.

No sharing of food, drinks, or personal items.

4. PHYSICAL DISTANCING AND MINIMIZING PHYSICAL CONTACT

Spread children out to different areas.

Take them outside more often.

Stagger lunch times. Incorporate individual activities.

Remind children, "Hands to Yourself!"

5. CLEANING AND DISINFECTION

Clean and disinfect frequently touched surfaces at least twice a day.

General cleaning of the centre should occur at least once a day.

Use common cleaning and disinfectant products.

Health and Safety

| Please do not enter the workplace if you answer YES to any of the following questions: | | | |
|--|---|-----|----|
| International Travel | Have you returned from travel outside Canada in the last 14 days? | YES | NO |
| Confirmed Contact | Have you been contacted by Public Health and identified as a confirmed contact of a person with COVID-19? | YES | NO |
| | Has Public health instructed you to self-isolate? | YES | NO |
| Are you experiencing any of the following <u>new</u> or <u>worsening</u> symptoms? | | | |
| Key Symptoms of Illness | Fever or Chills | YES | NO |
| | Cough | YES | NO |
| | Loss of sense of smell or taste | YES | NO |
| | Difficulty breathing | YES | NO |
| | Sore throat | YES | NO |
| | Loss of appetite | YES | NO |
| | Extreme fatigue or tiredness | YES | NO |
| | Headache | YES | NO |
| | Body aches | YES | NO |
| | Nausea or vomiting | YES | NO |
| Diarrhea | YES | NO | |

*Check BCCDC's [Symptoms of COVID-19](#) regularly to ensure the list is up to date.

If you answered "YES" to one of the questions included under 'Key Symptoms of Illness' (excluding fever), you should stay home for 24 hours from when the symptom started. If the symptom improves, you may return to the school/district site when you feel well enough. If the symptom persists or worsens, seek a health assessment.

If you answered "YES" to two or more of the questions included under 'Symptoms of Illness' or you have a fever, seek a health assessment. A health assessment includes calling 8-1-1, or a primary care provider like a physician or nurse practitioner. If a health assessment is required, you should not return to the school/district site until COVID-19 has been excluded and your symptoms have improved.

When a COVID-19 test is recommended by the health assessment:

- If the COVID-19 test is **positive**, you should stay home until you are told by public health to end self-isolation. In most cases this is 10 days after the onset of symptoms. Public health will contact everyone with a positive test.
- If the COVID-19 test is **negative**, you can return to the school/district site once symptoms have improved and you feel well enough. Symptoms of common respiratory illnesses can persist for a week or more. Re-testing is not needed unless you develop a new illness.
- If a COVID-19 test is recommended but is not done because you choose not to have the test, or you do not seek a health assessment when recommended, and your symptoms are not related to a previously diagnosed health condition, you should stay home from the school/district site until 10 days after the onset of symptoms, and then you may return if you are feeling well enough.

If a COVID-19 test is not recommended by the health assessment, you can return to the school/district site when symptoms improve and you feel well enough. Testing may not be recommended if the assessment determines that the symptoms are due to another cause (i.e. not COVID-19).

If you answered "YES" to questions 2 or 3, use the [COVID-19 Self-Assessment Tool](#) to determine if you should seek testing for COVID-19.

A health-care provider note (i.e. a doctor's note) should not be required to confirm the health status of any individual.

“This Week at Fleetwood Park” – Principal’s Message: June 14th – June 18th

Happy Thursday Dragons!

Tomorrow is our final day of classes, and the 2020-21 school year is drawing to a close. It has been a year of incredible challenge and change, and has required all of us to work together in support of our community. We are so very proud of Fleetwood Park’s students and staff and all that we have accomplished. Through our resilience, flexibility and innovation, we were able to keep our school open, our students continued to learn, and our Dragon Spirit shone through. Thank you Dragons!

It has been Spirit Week at Fleetwood Park with our Student's Council hosting some fun "dress up" themes. In addition, our staff also dressed up as "Mr. King" on Tuesday in order to recognize Mr. King's upcoming retirement and honour his many years of service to our Fleetwood community. Great fun had by all... and a very special day for our staff! ☺ Congratulations Mr. King! ☺

On Monday, after a very busy previous Thursday and Friday, and hosting the Fleetwood Park Secondary Commencement "Walk Through" ceremonies, I met with this year's Dry Grad committee. We drew the name of the lucky 2021 graduate for the grand prize - a car, donated by Surrey Honda. We will be able to share the details in next week's newsletter. The Dry Grad Committee was also able to distribute many other gifts to randomly drawn students in our graduating class. We send our thanks to Surrey Honda for your long-term partnership and the continuation of this much valued tradition. And again, we send our appreciation and thanks to this year's Dry Grad Committee for all your hard work and support.

This year's Commencement, although very different, was a wonderful success. We loved seeing all of the smiles, happy students and proud parents/families. This event truly signifies the importance of all we do, and the importance of public education. Huge thanks to Ms. Duff and Mr. Kirincic and all of our staff volunteers who made this event possible. Fantastic work everyone. If you haven't already seen the media coverage of our Commencement Celebrations, check out the CBC and Surrey Leader stories.

Fleetwood Park would like to thank those who contributed scholarships or awards to the Class of 2021:

Artona
 Fleetwood Park Parent Advisory Council
 Golden Tree Jewellers
 Hazelwood Family Dental Centre
 Homelife Benchmark Titus Realty
 Mrs. Daljinder Kang
 PFC Steel and the Caldarella Family
 Royal Canadian Legion #6
 Royal Canadian Legion #6 Ladies' Auxiliary
 The Society for the Preservation of Vaudeville
 Surrey Principals' and Vice-Principals' Association
 Surrey Teachers' Association
 The Family of John Wildman

On Monday afternoon, our staff met for our final regular monthly Staff Meeting. Throughout the year we have conducted these meetings on TEAMS. Although not the same as being in the same room together, these meetings provided such an important opportunity for our staff to come together virtually, share the latest news, recognize our successes, and cheer each other on. I am very hopeful that next year will allow us to gather, and we will be able to discuss the re-introduction of our traditional systems.

We were so pleased to see many of our students/staff and classes participating in Pride Week. Mr. Walshe's Social Studies 8 class created an amazing display of support. Well done Dragons!

On Wednesday, we held our final Health and Safety Committee meeting of the year. Our focus continued to be Covid-19 Safety Guidelines... and we reminded staff that unfortunately Covid-19 is still in our school community, and all Provincial K-12 Safety Guidelines are still in place. Please continue to take care and be safe over the last few days.

Students, please stop by and claim any of your items that have been placed in our Lost and Found. Items will be on display for a few days in our Plaza. Please pick up your items before you leave for the summer. Unclaimed items will be given to charity in July.

Tomorrow is our final day of classes for 2021. I wish everyone a meaningful and fun last day with your cohorts. All students are reminded that next week is Quarter Completion Days. You are encouraged to take advantage of this last opportunity to complete missing assignments/assessments. If you need to catch up on something, please contact your teacher to schedule an appointment time to come into the school. Please note that we cannot allow drop in visits, as we need to ensure proper physical distancing is maintained.

Students are also reminded that Yearbooks will be distributed at the school next Thursday. They will be distributed by cohort. Please stay tuned for pick-up schedule details.

Take care, stay safe, and if we don't see you next week for Quarter Completion Days, have a wonderful summer.

Yours in education,

Ken
