### This Week at Fleetwood Park - Principal's Message: March 4<sup>th</sup> – March 8<sup>th</sup>

Good morning Dragons. It is hard to believe that there is only one more week before Spring Break... time has flown past us at Fleetwood Park Secondary! Cold temperatures, wind, snow, blue skies, sunshine and rain... the week has been an interesting transition from Winter to Spring. Our Fleetwood Park students and staff have continued to work diligently on their studies and extra-curricular activities.

Last weekend our Grade 8 and Junior Girls Basketball teams were competing in the BC Provincial Championships. Congratulations to all players and coaches on your successful seasons. The Grade 8 team finished 4<sup>th</sup> in BC, and our Jr. Girls team finished 8<sup>th</sup>. We are very proud their accomplishments! Way to go Dragons!!

"This is a HIGHEST EVER finish for Fleetwood Park junior girls basketball. It is extremely difficult to even get to BC's from the very competitive Fraser Valley and a top 8 finish for all of British Columbia is amazing. In addition, Priyanca Sundher was named to the Second Team all star team (only 10 players out of British Columbia are named to the all star teams) which is ALSO an amazing accomplishment." *Ms. Reynolds, Coach*

This week the snow melted off the field for a day and our Rugby teams took advantage of the opportunity!

As a large comprehensive Secondary school, we are very fortunate to be able to offer a wide variety of incredible learning opportunities for our students. We are very proud of our Fine and Performing Arts students and staff for their amazing talents and creativity. On Tuesday evening, Ms. Porter and Ms. Im's Art students celebrated the opening of the Surrey Secondary Art Student Show. Students from across the district shared their creativity and skills along with family, friends, teachers, gallery and school district staff. There were a variety of grade levels and media submitted and we congratulate all the students whose work is being shown. The Secondary Art Student show will run to April 23<sup>rd</sup>, and everyone is invited to the Surrey Art Gallery to see our students' art work.

On Tuesday, La Boheme Crepe Truck was at Fleetwood Park selling delicious crepes. This is a fun opportunity for our French students to practice their conversational skills as they order their crepes!

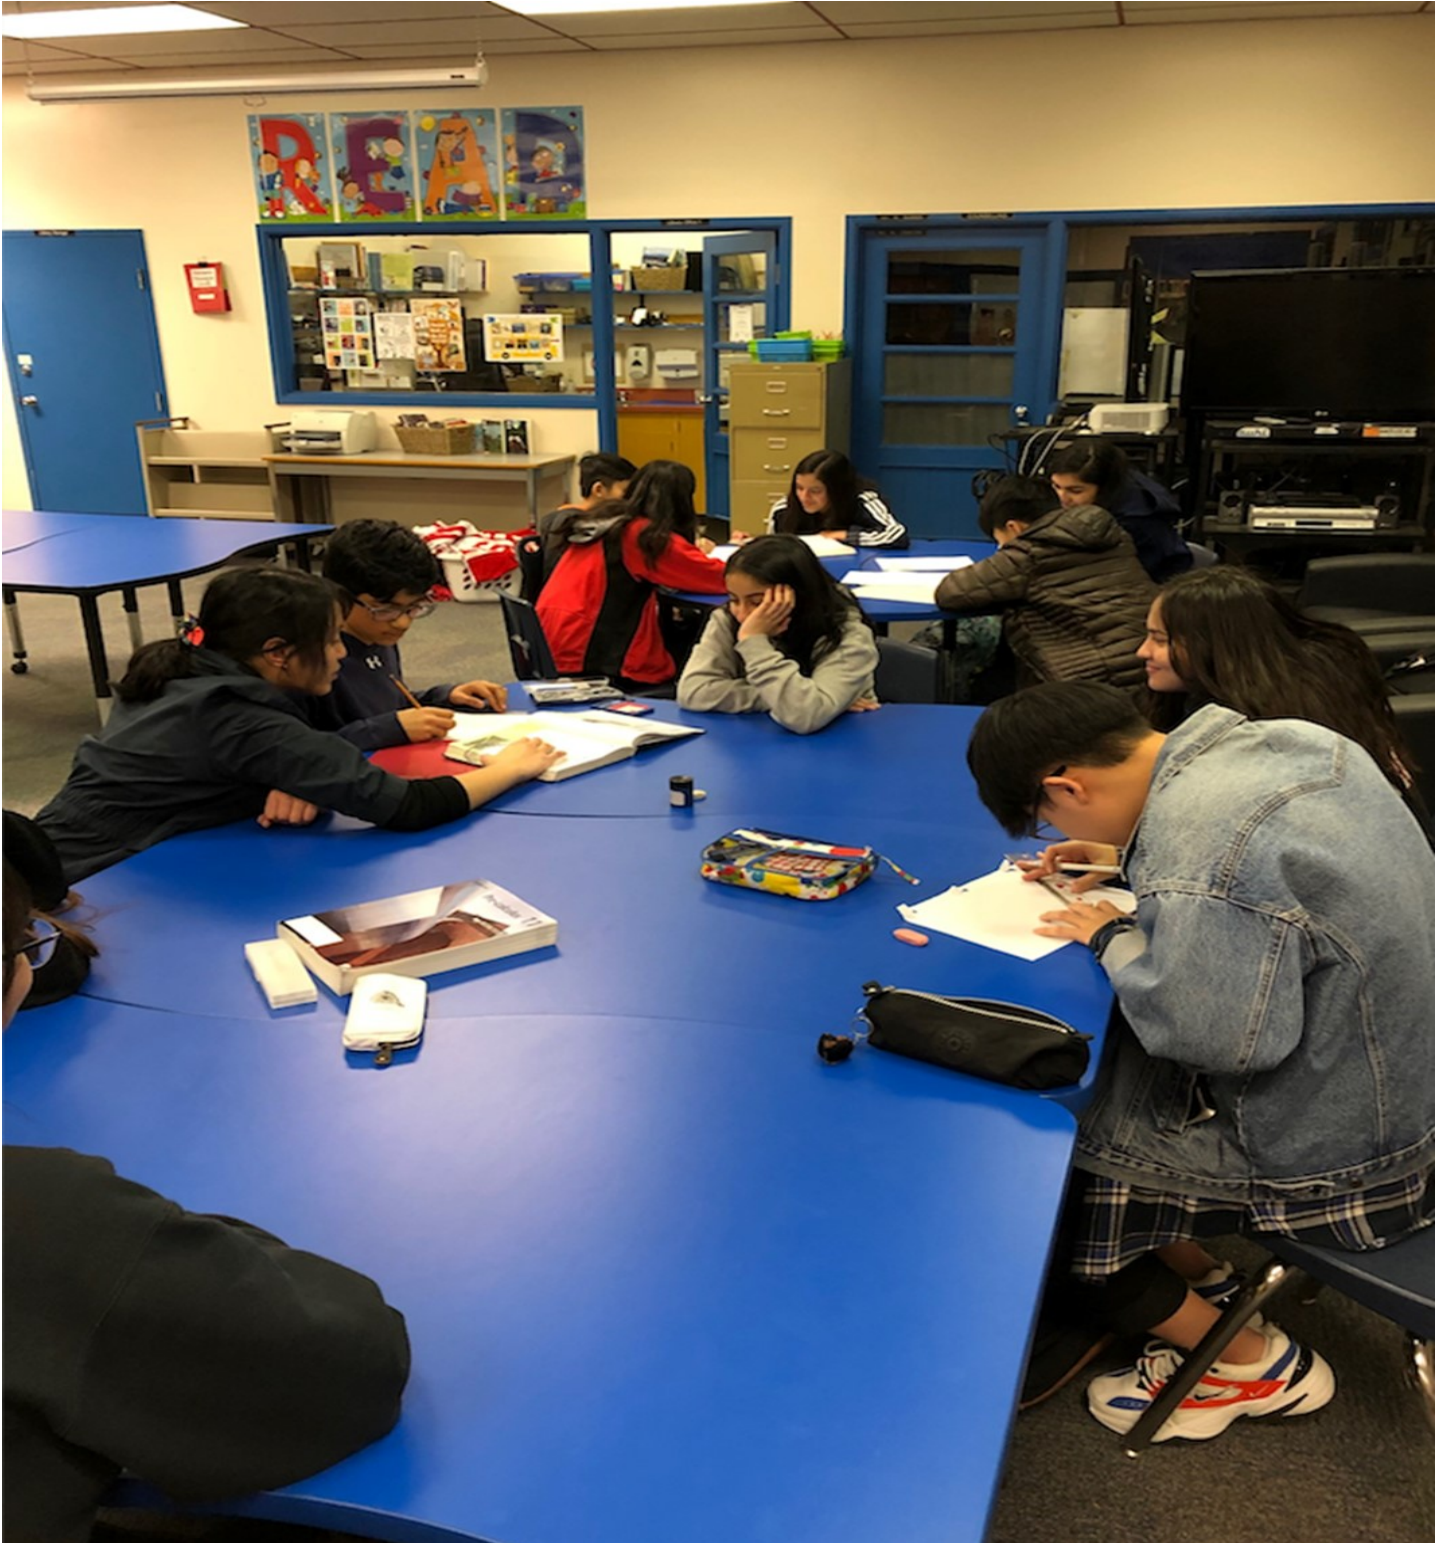

On Wednesday morning, our Fleetwood Park team visited Coyote Creek Elementary to help with the creation of MyEdBC accounts and course request entry for next year's Grade 8's. Our thanks to the Coyote Creek staff for your assistance in initiating this new system for course selection.

In the afternoon, our school's Extended Day Advisory Committee met for the first time this year. All students, parents and staff are reminded that no decision has yet been made regarding next year's timetable structure. As we all know, enrollment pressure continues to increase, and an Extended Day timetable may be a requirement in the future. Our committee will continue to review the various issues related to an extended day timetable and make recommendations for the future. A decision about next year's timetable will be made by the end of May.

This week we started an exciting new program. Mr. Lavoie's "Mathletes" (Peer Tutors for Grade 7 Math students) visited William Watson Elementary school to provide tutorial support for grade 7 students. Our Dragons will be visiting the elementary schools each week to support grade 7 students with their Math studies. This is a wonderful "win-win" for both tutors and tutees and is an excellent example of the strength of Fleetwood Park's partnerships with our community. Thank you to Mr. Lavoie and all of our student helpers for your work in supporting next year's grade 8's.

This afternoon and evening is our school's Parent-Teacher Interviews. Sessions will be from 2:30pm-4:00pm and from 5:00pm-7:00pm. Appointments are booked online through our website. I would like to thank in advance, all parents/guardians (and students) who visited the school this evening. Thank you also to all teachers/staff for your valuable feedback. This is a very important communication system that directly improves the learning for our students. I would also like to recognize and thank the many Fleetwood Park student volunteers who acted as hosts this evening. Your assistance was invaluable.

This morning, we were treated to an impromptu Music concert in our Plaza. I always enjoy a little jazz to start the day! On Friday evening at 6:00pm, our Junior Concert Band will be performing at the school, and on Saturday evening at 6:00pm our Senior Concert Band will be performing. Hope to see you there!

Check out Ms. Connor's/Ms. Nash's/ Ms. Miller-Tait's Humanities 9 students' Canadian Physiographic regions Postcard assignment! Kudos to our students on your work. I am inspired to visit every region highlighted in your postcards.

As usual, we have much to celebrate at our school. This week's activities demonstrate that our community spirit is very strong. My thanks to all students, staff, parents/guardians, and guests for all you contribute to Fleetwood Park Secondary. Together, we accomplish so much.

I wish everyone a happy Friday and a restful weekend. We return on Monday for our final week of studies prior to Spring Break. It promises to be another full week of special opportunities and celebrations of learning.

Yours in education,  
Ken
