“This Week at Fleetwood Park” – Principal’s Message: March 9th – 13th

Good morning Dragons,

It is the final week before Spring Break and our students and staff have continued to meet new learning challenges, celebrate successes and set new goals for the future. Life at Fleetwood Park, as usual, is dynamic, full and eventful and we are all ready for a well-deserved holiday break! It was “Spirit Week” and our students and staff had fun. “Dress like a teacher” day was a good one! ☺

Over the past several weeks, as news of COVID-19 has dominated the media, impacted lives and communities around the world and increased anxieties, our students, staff and community-at-large has remained informed and alert. I would like to thank all Dragons for your continued cooperation and vigilance in following the recommendations of the Ministry of Health and the Ministry of Education. All parents/guardians are reminded to review our Website Announcements for regular updates. Please know that we will monitor the situation closely and will continue to follow the guidelines provided by the Provincial Health Officer.

KNOW THE FACTS

ABOUT CORONAVIRUS DISEASE (COVID-19)

COVID-19 is an illness caused by a coronavirus. Human coronaviruses are common and are typically associated with mild illnesses, similar to the common cold.

Symptoms of human coronaviruses may be very mild or more serious, such as:

FEVER

COUGH

DIFFICULTY BREATHING

Symptoms may take up to 14 days to appear after exposure to the virus.

Coronaviruses are most commonly spread from an infected person through:

- ▶ respiratory droplets when you cough or sneeze
- ▶ close personal contact, such as touching or shaking hands
- ▶ touching something with the virus on it, then touching your eyes, nose or mouth before washing your hands

These viruses are not known to spread through ventilation systems or through water.

The best way to prevent the spread of infections is to:

- ▶ wash your hands often with soap and water for at least 20 seconds;
- ▶ avoid touching your eyes, nose or mouth, especially with unwashed hands;
- ▶ avoid close contact with people who are sick;
- ▶ cough and sneeze into your sleeve and not your hands; and
- ▶ stay home if you are sick to avoid spreading illness to others.

Last Friday we hosted our 2nd annual “Hooping it Up!” contest. This was such a positive and affirming celebration of diversity and inclusion of our Special Needs students. Great work was done by our Best Buddies Club in sponsoring the event. Well done Fleetwood Park!

On Monday we completed the administration of the Student Learning Surveys for our Grade 10 and 12 students. All parents/guardians are also encouraged to complete the survey. Please see the letter sent to all parents with the login details. It is a short survey, and will provide helpful feedback to the school. Additionally, all staff were sent a survey, and everyone is encouraged to participate.

On Wednesday evening I had the privilege of attending our Music Department's Spring Concert. Students in the Choir and Concert Bands performed in front of a proud audience of parents and friends. The growth of our students' musicianship over the course of the year has been outstanding. Congratulations to all members of the Department and great thanks to Ms. Sheridan, Mr. Gough and Mr. Robinson for your guidance and leadership. It was a wonderful evening.

Ms. Mullen's Home Economics students have been learning so much through their experiential gardening project. Students have enjoyed all phases of the sowing, growing, harvesting, preparing and cooking experiences. Great work everyone!

Today our students will be cleaning their lockers prior to Spring Break. It is important to ensure that all food items are removed from the school over the holidays. Great thanks to all students and staff for your assistance!

Tomorrow is the final day before Spring Break/School Closure Days. We return to school on March 30th. All students/parents/staff are reminded that March 30th is also a scheduled Flex day with an early dismissal at 1:33pm. (Our March Staff Meeting will take place after school). Upon our return, we will enter our final phase of the 2019-20 school year. We know that school life at Fleetwood Park Secondary will continue to be dynamic, meaningful and affirming.

All the best for a great Friday. Have a restful and happy Spring Break!

Ken
