**Student Voice Survey**

We are asking all FPSS students to complete the following survey. "Student Voice" is a very important component of a school's culture; and we are very interested to learn how you are doing during this unprecedented time of pandemic.

All students and staff have been required to adjust to many changes as part of our "new normal". We will use your feedback to consider new and additional ways the school can support our students.

Thank you for your "student voice". Please complete this survey prior to November 13th.

### **"This Week at Fleetwood Park" – Principal's Message: November 9<sup>th</sup> – 13<sup>th</sup>**

Hello Dragons and Happy Thursday!

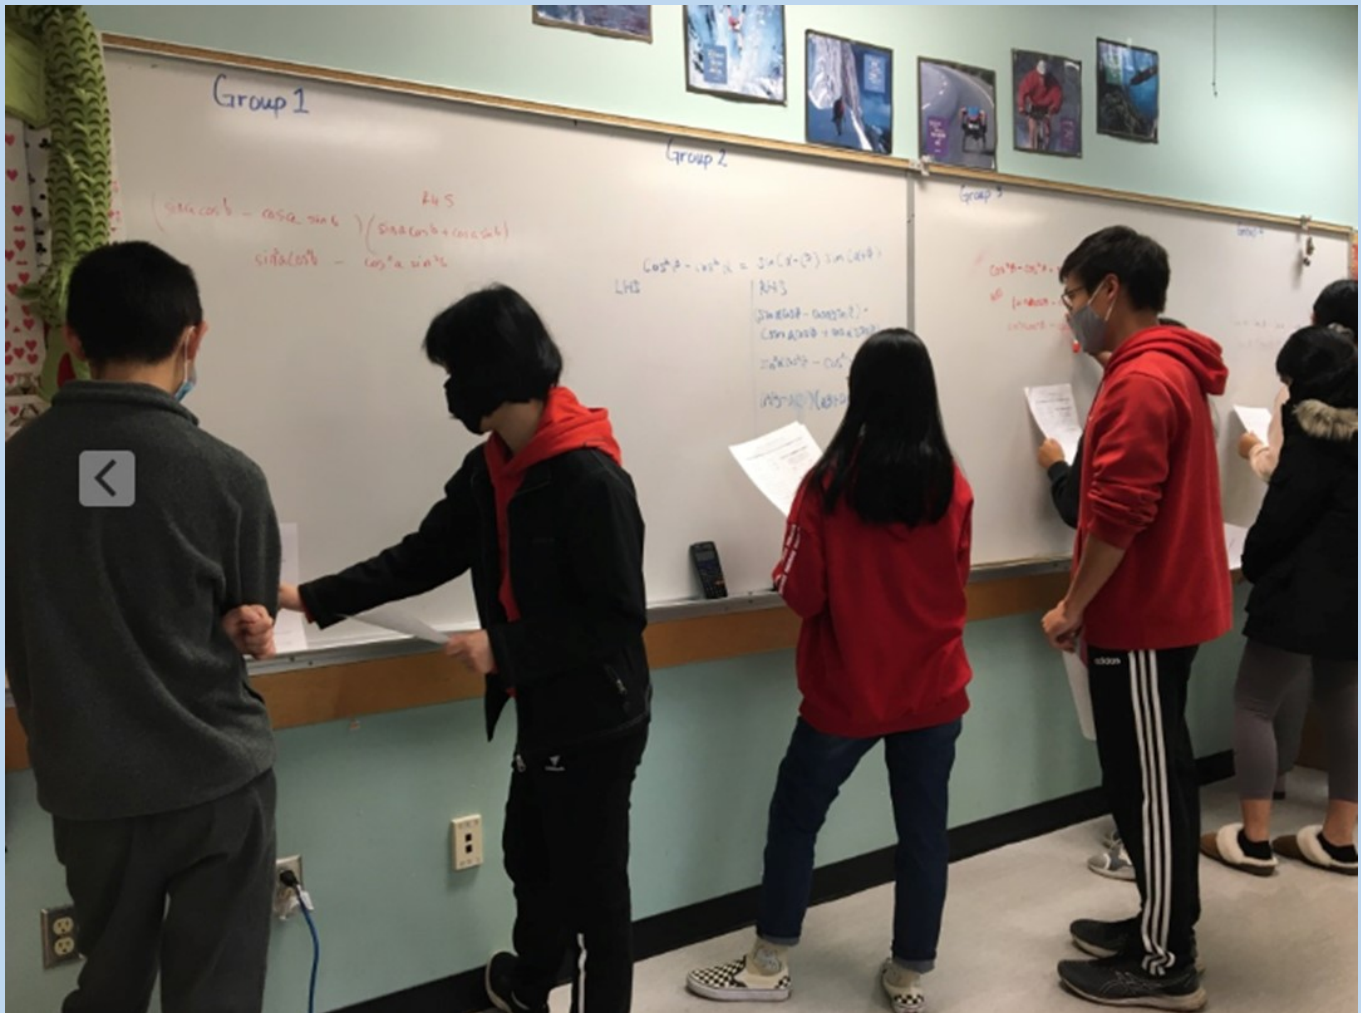

It has been an unusual week with the Remembrance Day statutory holiday and the Quarter Completion Day on Friday. Students and staff are focussed on Quarter-end Final assessments and course work completion. With our accelerated pacing, it is a very busy time for everyone. I wish our students well as they complete their courses and write final exams. Good luck Dragons!

Note: Students are reminded that Friday has been designated as a "Completion Day" for students to be able to complete assignments/assessments. There will not be regularly scheduled classes. However, students are encouraged to pre-schedule appointment times with your teachers if you need additional support, assistance, time to finish your coursework. Drop-in visits will not be permitted due to Covid-19 guidelines. Again, please see your teachers to schedule a time to visit the school on Friday if needed.

Quarter 2 begins on Monday! Our Bell Schedule will continue as in Q1.

This week I had the chance to "get out of the office" and visit a Pre-Calculus 12 class. I enjoyed the opportunity to see our teachers and students in action! I was especially interested in their Vertical White Board student collaboration activity. Our students were engaged, thinking deeply, supporting each other's learning and having fun with Math. Thanks so much to Ms. Kandola and Ms. Sandhu for the invitation.

On Tuesday we held our virtual Remembrance Day assembly. Again, thanks so much to our Student Council for all of your work in creating the video and organizing the presentation. Although we were not able to come together in the traditional sense, we were able to recognize this very important event in a meaningful and safe way through YouTube. I was so impressed with the solemn and respectful messages that our students conveyed to our community. Congratulations to our Student Council team.

Over the past couple of weeks, our PHE students have been learning how to dance! We have enjoyed watching them practice across the school as they prepared for this morning's presentations to their peers. I had the chance to drop by for a few minutes and watch a few dance showcases! Our students demonstrated wonderful creativity, courage and talent as they performed for us. Such a positive vibe and a very affirming Fleetwood Park tradition. Way to go to all of our PHE students!

"Building Successful Futures"

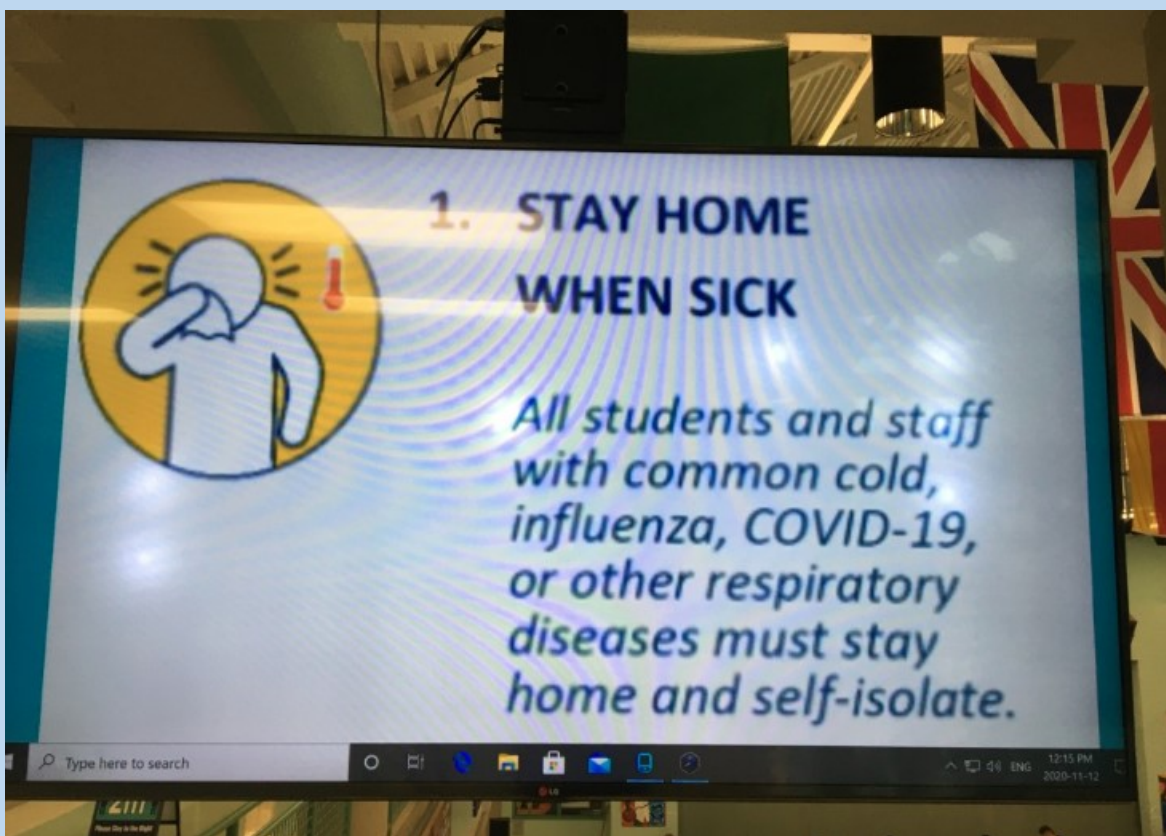

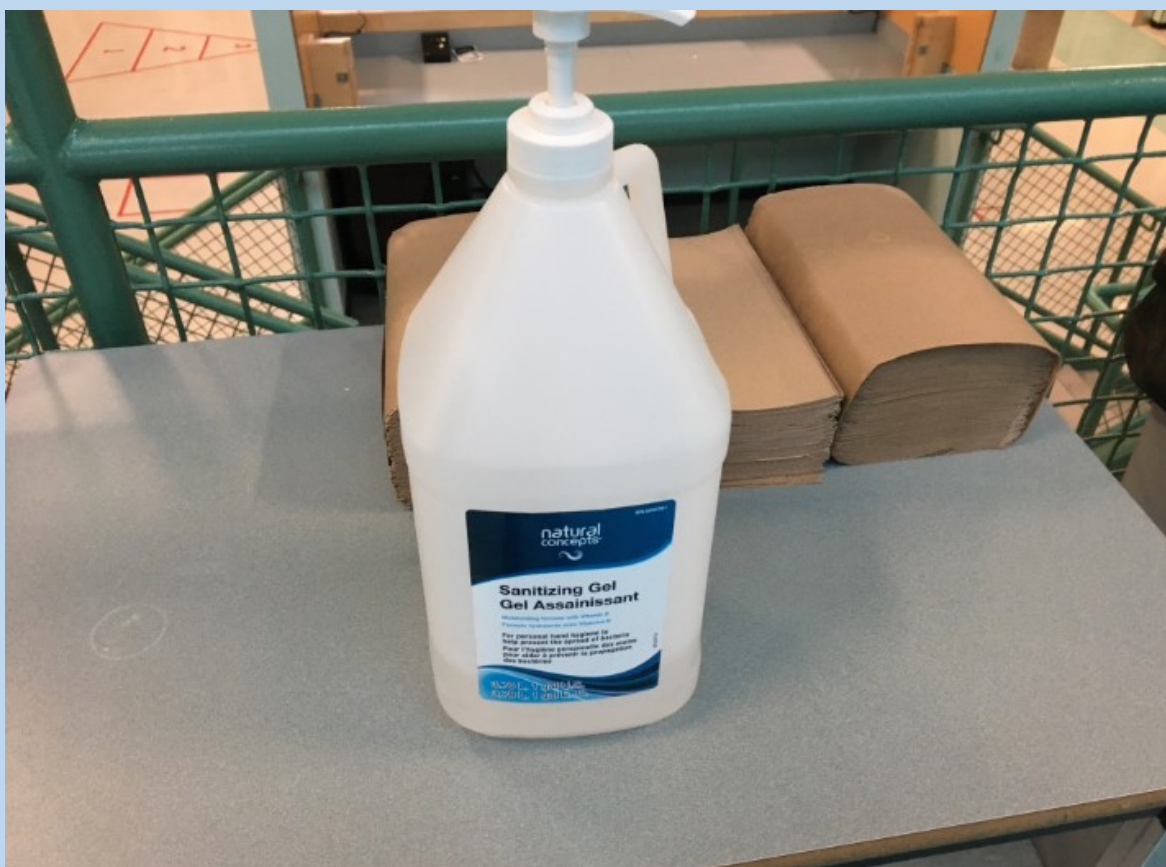

Tomorrow is Quarter Completion Day. Again, students are reminded that this day has been created to allow students to catch up on any missing work/assessments in order to successfully complete your courses. However, this year, due to COVID-19, we cannot allow “drop-in” visits. If students will be at the school on Friday, they must pre-schedule with your teacher(s). We will ensure physical distancing, and avoid mixing of cohorts. Thank you for your cooperation!

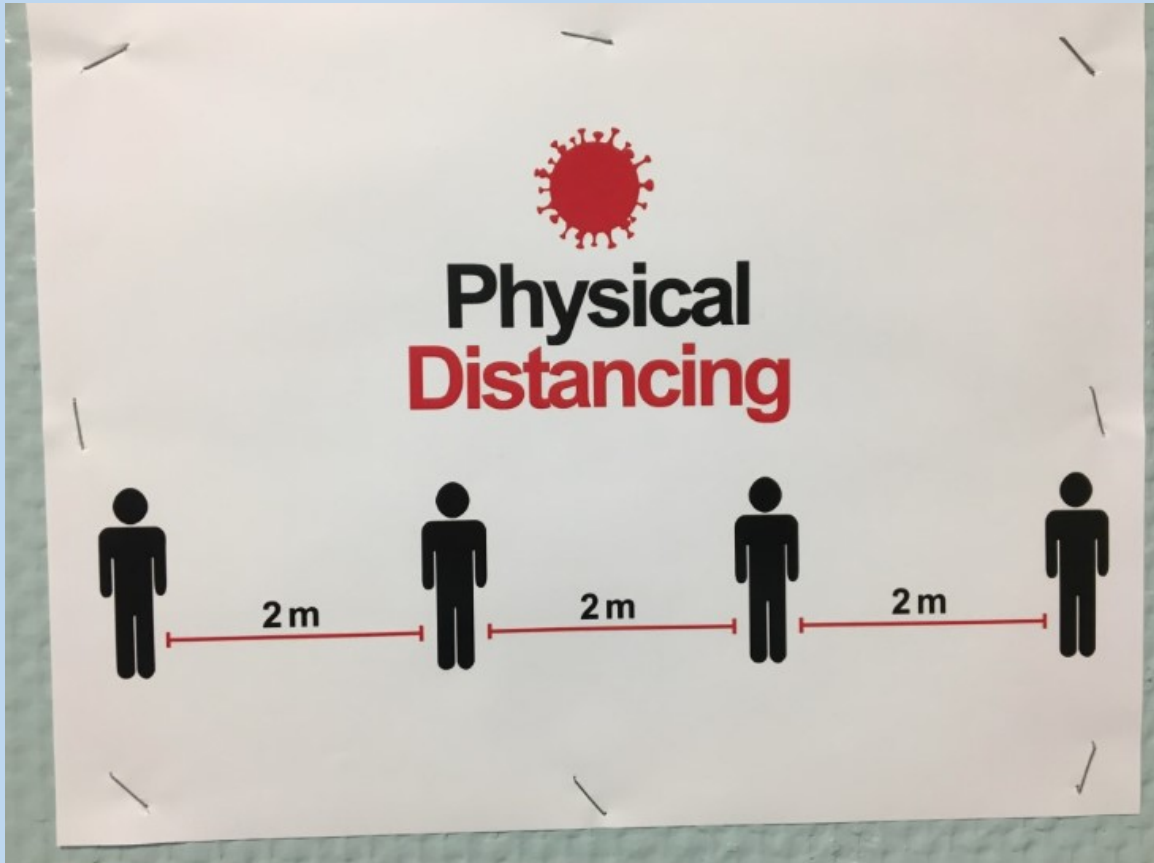

Over the past weeks, we have now sent home four Covid-19 Exposure Notification letters to our Fleetwood Park parents/guardians/students/staff. This has reminded us that Covid-19 is in our community, and that our school reflects our community. As the number of positive cases increases in the Fraser Health region, and as the expected “2<sup>nd</sup> wave” has arrived, now is the time for increased vigilance and safety precautions. As each letter raises anxiety across our community, we are also reminded that our Safety Protocols are important and help to protect us. All of us, working together, need to follow all Covid-19 guidelines at school and at home. Everyone is reminded, that while at school please ensure the following:

- Wear your mask whenever you are outside your cohort. Additionally, all students/staff are highly encouraged to wear your mask throughout the day whenever possible.
- Wash your hands repeatedly throughout the day.
- Maintain 2m of physical distancing whenever possible.
- Please keep your hands to yourself, do not share food/drinks or personal items (like cell phones).
- Follow the signage in our hallways/stairwells... stay to the right, stay distanced, use the correct stairwells.
- At lunchtime, please either stay in your Block A classroom, or go outside. We need to limit the mixing of cohorts inside the building as much as possible.
- Please complete the personal health checklist every morning. If you are sick, please stay at home and self-isolate.
- And, for the next 2 weeks, we are all reminded to avoid non-essential travel and avoid social gatherings.

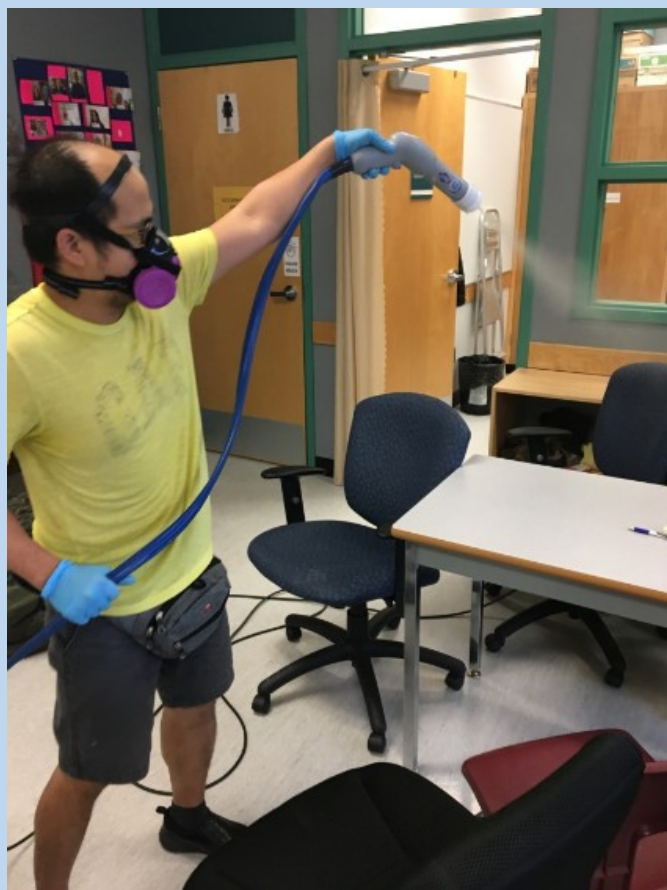

We will get through this together. Our resilience, flexibility and innovation will allow Fleetwood Park Secondary students and staff to continue to learn, grow and celebrate. Thank you to all Dragons for your part in responding to this global pandemic.

I wish everyone a productive Quarter Completion Day tomorrow. Good luck on your Final Exams. Have a safe and happy weekend and Diwali Dragons!

Ken
