**FYI****Quarter System Timeline:**

Q1 (Sept. 14 – Nov. 13)	Q2 (Nov. 16 – Jan. 29)	Q3 (Feb. 1 – Apr. 16)	Q4 (Apr. 19 – June 24)
Block A	Block C	Block A	Block C
Block B	Block D	Block B	Block D

**Student Voice Survey**

We are asking all FPSS students to complete the following survey. “Student Voice” is a very important component of a school’s culture; and we are very interested to learn how you are doing during this unprecedented time of pandemic.

All students and staff have been required to adjust to many changes as part of our “new normal”. We will use your feedback to consider new and additional ways the school can support our students.

Thank you for your “student voice”. Please complete this survey prior to November 20th.

## Dry Grad 2021:

# Fleetwood Park Dry Grad 2021

The Fleetwood Park Dry Grad Committee is fundraising for the Grad Class of 2021 to be able to celebrate this milestone safely. We are hoping that at least some of the typical year end graduation traditions will be possible and are fundraising for a Dry Grad Celebration of some kind. As I am sure you can appreciate, fundraising in a pandemic is hard. Here are a few ways you can support the 2021 Grad Class:

### Return-It Bottle Drive (Ongoing throughout school year)

Drop off your UNSORTED cans & bottles to any Return-It Depot in the province. They must be in clear bags and quote phone # 604-OUR-FPSS/604-687-3777

### Purdy's Chocolates

Get your Christmas shopping started early! To support our fundraising efforts, you just follow the link below. After you've signed in you can buy our amazing chocolates or invite others to join and support our Fundraising Campaign.

ORDER DEADLINE NOV 25 for pickup on Dec 12th.

<https://fundraising.purdys.com/1238712-80178>

### Fundscrip Gift Cards

This is another great way to get your shopping done or plan your household expenditures while supporting the 2021 Dry Grad Class. You can buy gift cards to the mall, Amazon, and grocery stores. Even for your normal household purchase, you can order these gift cards and use them online. You can browse for eligible retailers at <https://www.fundscrip.com/retailers> and email your orders to [drygradfleetwoodpark@gmail.com](mailto:drygradfleetwoodpark@gmail.com). Payments will be accepted via cash, cheque and etransfers. Etransfer address will be provided with your order.

ORDER DEADLINE NOV 25 for delivery the following week.

Any support you can offer is much appreciated - thank you in advance for your support!

### UPCOMING EVENTS:

Chipotle Night Fundraiser (Date TBC when Covid restrictions allow)

Bottle Drive/Tree Chipping/Clothing Drive – January 9, 2021 (Save the date!)

## Health and Safety

### 1. STAY HOME WHEN SICK

*All children and staff with common cold, influenza, COVID-19, or other respiratory diseases must stay home and self-isolate.*

### 2. HAND HYGIENE

*Everyone should wash their hands more often!*

*Thorough hand washing with plain soap and water for at least 20 seconds is the most effective way to reduce the spread of illness.*

### 3. RESPIRATORY AND PERSONAL HYGIENE

*Cover your coughs.*

*Do not touch your face.*

*No sharing of food, drinks, or personal items.*

### 4. PHYSICAL DISTANCING AND MINIMIZING PHYSICAL CONTACT

*Spread children out to different areas.*

*Take them outside more often.*

*Stagger lunch times. Incorporate individual activities.*

*Remind children, "Hands to Yourself!"*

### 5. CLEANING AND DISINFECTION

*Clean and disinfect frequently touched surfaces at least twice a day.*

*General cleaning of the centre should occur at least once a day.*

*Use common cleaning and disinfectant products.*

## **“This Week at Fleetwood Park” – Principal’s Message: November 16<sup>th</sup> – 20<sup>th</sup>**

Welcome to Quarter 2 at Fleetwood Park Secondary!

This week our students and staff have shifted into Quarter 2 and two new 10-week classes. Our community has been very busy adjusting to new rooms, new curriculum, new classes and new learning goals. The first week of class is a critical component of the term, and is such an important time to develop classroom culture, trust, and begin to build positive and supportive routines for learning. Thank you to our entire staff for all the support you have provided our students in helping them adjust to their new courses.

This quarter, our school remains extremely full and busy with our student population at 1566 students. We have utilized all teaching spaces, and have now been able to move students into our newest portable classroom.

Our PHE students making creative use of our space!

As we make our way through November's blustery and wet conditions, our students have been faced with additional weather challenges at lunchtime. This was certainly the case on Tuesday with our windstorm and then on Wednesday with the rain. We continue to minimize mixing across cohorts by asking students to spend their lunchbreaks either in their Block C classroom or to go outside. This is a significant system to implement, and we greatly appreciate the flexibility and cooperation of our student body in following these safety guidelines. We understand this isn't easy on a rainy day... We are developing a lunchtime extracurricular program for our Grade 8-9 cohorts to take place within their Block C classrooms. This will provide some structured, fun activities for our students at lunchtime. More details to follow soon!

A VERY blustery Tuesday lunchtime!

On Wednesday morning our school practiced our Lockdown Drill. Again, it was another important opportunity to practice the emergency response protocols. The school did very well; and practiced with seriousness and cooperation. Great work Dragons! We will continue to practice our Emergency Drills, in a Covid-safe manner, throughout the school year.

Our Health and Safety Committee met on Thursday morning to debrief the drill and to plan for various Health and Safety structures at the school. Important work. My thanks to all members of our committee. Part of our discussion was the Quarter 2 start-up and using this opportunity to reinforce our Covid-19 Safety Guidelines. All members of our Fleetwood Park community are reminded of the following guidelines:

- Wear your mask whenever you are outside your cohort. Additionally, all students/staff are highly encouraged to wear your mask throughout the day whenever possible.
- Wash your hands repeatedly throughout the day.
- Maintain 2m of physical distancing whenever possible.

- Please keep your hands to yourself, do not share food/drinks or personal items (like cell phones).
- Follow the signage in our hallways/stairwells... stay to the right, stay distanced, use the correct stairwells.
- At lunchtime, please either stay in your Block A classroom, or go outside. We need to limit the mixing of cohorts inside the building as much as possible.
- Please complete the personal health checklist every morning. If you are sick, please stay at home and self-isolate.
- And, for the next 2 weeks, we are all reminded to avoid non-essential travel and avoid social gatherings.

## Daily Health Check

Key Symptoms of Illness*	Do you/your child have any of the following key symptoms?	Circle one	
	Fever	YES	NO
	Chills	YES	NO
	Cough or worsening of chronic cough	YES	NO
	Shortness of breath	YES	NO
	Loss of sense of smell or taste	YES	NO
	Diarrhea	YES	NO
	Nausea and vomiting	YES	NO
International Travel	Have you returned from travel outside Canada in the last 14 days?	YES	NO
Confirmed Contact	Are you a confirmed contact of a person confirmed to have COVID-19?	YES	NO

\*Check BCCDC's [Symptoms of COVID-19](#) regularly to ensure the list is up to date.

If you answered "YES" to one of the questions included under 'Key Symptoms of Illness' (excluding fever), you should stay home for 24 hours from when the symptom started. If the symptom improves, you may return to school when you feel well enough. If the symptom persists or worsens, seek a health assessment.

If you answered "YES" to two or more of the questions included under 'Symptoms of Illness' or you have a fever, seek a health assessment. A health assessment includes calling 8-1-1, or a primary care provider like a physician or nurse practitioner. If a health assessment is required, you should not return to school until COVID-19 has been excluded and your symptoms have improved.

When a COVID-19 test is recommended by the health assessment:

- If the COVID-19 test is **positive**, you should stay home until you are told by public health to end self-isolation. In most cases this is 10 days after the onset of symptoms. Public health will contact everyone with a positive test.
- If the COVID-19 test is **negative**, you can return to school once symptoms have improved and you feel well enough. Symptoms of common respiratory illnesses can persist for a week or more. Re-testing is not needed unless you develop a new illness.
- If a COVID-19 test is recommended but is not done because you choose not to have the test, or you do not seek a health assessment when recommended, and your symptoms are not related to a previously diagnosed health condition, you should stay home from school until 10 days after the onset of symptoms, and then you may return if you are feeling well enough.

If a COVID-19 test is not recommended by the health assessment, you can return to school when symptoms improve and you feel well enough. Testing may not be recommended if the assessment determines that the symptoms are due to another cause (i.e. not COVID-19).

If you answered "YES" to questions 2 or 3, use the [COVID-19 Self-Assessment Tool](#) to determine if you should seek testing for COVID-19.

A health-care provider note (i.e. a doctor's note) should not be required to confirm the health status of any individual.

Prepared by Health and Safety Department. Sep 22<sup>nd</sup>, 2020

Thank you Dragons. Our combined individual efforts in following these health and safety guidelines will help to protect our community. It is especially important during this time of increased risk in the Fraser Health region for all of us to do everything we can to “flatten the curve”.

This week teachers have been finalizing Quarter 1 Final marks. Great thanks to our staff for your professional and caring support of our students during this challenging time of new systems and new expectations. Your hard work, empathy and flexibility provide such an important support system for our students and families. We appreciate all that you do to provide calm and clear leadership for our Fleetwood Park community. The “Summary of Progress” Final Report cards for Quarter 1 will be available for parents/guardians to download from MyEdBC on November 24<sup>th</sup>.

We wish all of our students and staff the very best for a highly successful Quarter 2. As we move through our school year, and as we settle into the “new normal” of our educational system, we encourage all Dragons to stay safe. Take care of your emotional and physical health, and ask for assistance whenever you need additional support. We will move forward together as a caring and inclusive community of learners.

It is a gorgeous day out there... hopefully the next few days will be nice! Enjoy your Friday – have a great weekend!

Ken

## Fleetwood Park Secondary Bell Schedule, 2020 - 2021

### Grade 8-9

8:30 – 10:00	Block C	90 min	
10:00 – 10:10	Nutrition Break		
10:10 – 11:25	Block C	75 min
