## **"This Week at Fleetwood Park" - Principal's Message: November 18<sup>th</sup> – 22<sup>nd</sup>**

It is a clear, cold and gorgeous day at Fleetwood Park Secondary!

Good morning Dragons and welcome to another edition of "This Week at Fleetwood Park"...

This week we have witnessed students and staff demonstrating our values of lifelong learning, friendliness, involvement and school spirit. We know that our school success and positive culture is a direct result of the commitment, dedication and caring contributions of our entire community. At Fleetwood Park, every student, and every staff member, matters, every day!

On Monday afternoon our Department Heads gathered to share a new initiative and/or success story from their particular curricular area. This was an excellent opportunity for us all to develop a greater awareness and appreciation for the incredible work that happens at our school. Great thanks to all Dept Heads for sharing your story and for supporting your colleagues.

Tuesday was "WE Day"... and Fleetwood Park sent a delegation of staff and students to the event. It was an exciting day of smiles, motivation and leadership. Thank you to Mr. Borst, Ms. Pylypiuk and our Reach Out Club for your enthusiastic participation in the life of our school and greater community.

On Wednesday I had the opportunity to attend the Metro Principal's Forum. Principals from across the Lower Mainland gathered to discuss and share their current initiatives related to instruction and assessment. In addition, the Ministry of Education provided us an update of their most recent work and plans for the future. Assessment was a key topic of the day and the following questions sparked very interesting dialogue.

How is your school engaging in:

Assessment FOR Learning?

Assessment OF Learning?

How is assessment in your school enhancing the level of student engagement in learning?

How often do your students get opportunities to share their learning, get feedback, reflect, peer assess, and share evidence of their learning?

These are excellent questions that directly relate to the work we are doing at Fleetwood Park. Students across our curriculum are receiving formative feedback, reflecting upon their learning, and sharing this learning with others through a variety of mechanisms. We look forward to continuing this conversation at our school, and are proud of the many innovative, authentic assessment practices that happen every day.

This week our students took advantage of the sunshine, and have been having fun and developing their Basketball skills at lunchtime!

Today I had the chance to drop by the Science Prep room and met two of our student Lab Techs preparing Science equipment.

This evening our very talented Fleetwood Park student musicians will be performing at our annual Winter Jazz Concert. It promises to be a wonderful evening of beautiful music, amazing students and proud parents.

I hope you all enjoyed your week of learning, friendship and new challenges at Fleetwood Park. Parents/Guardians are reminded that Report Cards will be available online through the MyEdBC Portal on Wednesday. Please see our [website for instructions](#) on how to login; and feel free to contact the office for additional assistance as necessary.

Have a great Friday and a happy weekend Dragons!

Ken
