## **Dry Grad 2021:**

# Fleetwood Park Dry Grad 2021

The Fleetwood Park Dry Grad Committee is fundraising for the Grad Class of 2021 to be able to celebrate this milestone safely. We are hoping that at least some of the typical year end graduation traditions will be possible and are fundraising for a Dry Grad Celebration of some kind. As I am sure you can appreciate, fundraising in a pandemic is hard. Here are a few ways you can support the 2021 Grad Class:

### **Return-It Bottle Drive (Ongoing throughout school year)**

Drop off your UNSORTED cans & bottles to any Return-It Depot in the province. They must be in clear bags and quote phone # 604-OUR-FPSS/604-687-3777

### **Purdy's Chocolates**

Get your Christmas shopping started early! To support our fundraising efforts, you just follow the link below. After you've signed in you can buy our amazing chocolates or invite others to join and support our Fundraising Campaign.

ORDER DEADLINE NOV 25 for pickup on Dec 12th.

<https://fundraising.purdys.com/1238712-80178>

### **Fundscrip Gift Cards**

This is another great way to get your shopping done or plan your household expenditures while supporting the 2021 Dry Grad Class. You can buy gift cards to the mall, Amazon, and grocery stores. Even for your normal household purchase, you can order these gift cards and use them online. You can browse for eligible retailers at <https://www.fundscrip.com/retailers> and email your orders to [drygradfleetwoodpark@gmail.com](mailto:drygradfleetwoodpark@gmail.com). Payments will be accepted via cash, cheque and etransfers. Etransfer address will be provided with your order.

ORDER DEADLINE NOV 25 for delivery the following week.

Any support you can offer is much appreciated - thank you in advance for your support!

### **UPCOMING EVENTS:**

Chipotle Night Fundraiser (Date TBC when Covid restrictions allow)

Bottle Drive/Tree Chipping/Clothing Drive – January 9, 2021 (Save the date!)

## Health and Safety

This week Fleetwood Park Secondary issued another Notification of Exposure letter to our staff and community. This was another reminder to us that Covid-19 is within our community and that we are in the middle of the 2<sup>nd</sup> wave of the pandemic. Our school reflects our community – and it is essential that everyone follows the necessary Health and Safety guidelines to help flatten the curve and keep us safe. Our individual actions make a difference.

### 1. STAY HOME WHEN SICK

*All children and staff with common cold, influenza, COVID-19, or other respiratory diseases must stay home and self-isolate.*

### 4. PHYSICAL DISTANCING AND MINIMIZING PHYSICAL CONTACT

*Spread children out to different areas.*

*Take them outside more often.*

*Stagger lunch times. Incorporate individual activities.*

*Remind children, "Hands to Yourself!"*

### 2. HAND HYGIENE

*Everyone should wash their hands more often!*

*Thorough hand washing with plain soap and water for at least 20 seconds is the most effective way to reduce the spread of illness.*

### 3. RESPIRATORY AND PERSONAL HYGIENE

*Cover your coughs.*

*Do not touch your face.*

*No sharing of food, drinks, or personal items.*

### 5. CLEANING AND DISINFECTION

*Clean and disinfect frequently touched surfaces at least twice a day.*

*General cleaning of the centre should occur at least once a day.*

*Use common cleaning and disinfectant products.*

## **"This Week at Fleetwood Park" – Principal's Message: November 23<sup>rd</sup> – 27<sup>th</sup>**

Good morning Dragons, I hope you are well and settling into your new routines of Quarter 2.

We are now entering the final week of November, our Winter Break is just around the corner, and this is the time for us to refocus our energies, reinforce our Covid-19 safety guidelines, recommit to our studies, and appreciate all that being a Dragon provides. I wish all students and staff the very best as you dedicate your time and talent and hard work to your learning!

Last Friday was the Transgender Day of Remembrance. Our GSA club recognized the day and our students demonstrated their support, compassion and social responsibility. Thank you Dragons, we are proud of you!

This week we met with Department Heads and had an important debrief of our Quarter 1 progress and challenges and gathered feedback and recommendations for the future. Thank you to everyone for your ideas, suggestions and strategies. In a large Secondary school, our Department Heads play such an important leadership role.

Speaking of leadership... our student leaders... the graduates of 2021... had the chance to participate in an important graduation tradition this week as they posed for their Graduation photographs. This always provides a lift to the community as our students arrive to their appointed sessions in their finest! Great thanks to Artona for all you are doing to maintain this tradition in a Covid-aware and safe manner.

On Tuesday, Report cards for Quarter 1 Final marks were published to our Family Portal on MyEdBC. All parents/guardians and students should now have downloaded and reviewed your report card for Blocks A and B of the first quarter. This requires a MyEdBC login/password. Please see our website for instructions if you are unable to log in to the system. Please contact the office if you require additional assistance with this. Congratulations to all students for your successes in the first quarter of the year. Your resilience and flexibility is an absolute necessity this year... and your strong commitment to your learning resulted in success. Well done Dragons!

On Wednesday morning I had the wonderful opportunity to visit several classes and observe learning at Fleetwood Park Secondary in action. Students and staff displayed such a wide variety of talents, skills and knowledge. It was exciting to witness the work within our learning community.

Art students creating patterned portraits.

Drafting students learning to plot coordinates.

French students writing the DELF exam.

Music students playing in small ensembles.

Short stories and learning happening in our newest Portable classroom.

Home of Dragon Pride  
"Building Successful Futures"

Physical Health Education students exercising and having fun.

Additional space for our new BASES classroom, under construction and underway.

On Thursday morning, Administrators across the Metro school districts had another opportunity to meet, albeit virtually this year, and share the various learning and safety strategies that have been implemented across the Lower Mainland. This is always an enriching meeting; and this was again the case. The Surrey School District is a leader in education within British Columbia. Our students are very fortunate to be able to benefit from the rich levels of caring support from our professional staff. I enjoyed the chance to hear from others and learn more about their schools/districts.

I wish all Dragons a safe and happy Friday and a restful weekend with your family.

Stay safe, take care.

Ken

## Daily Health Check

Key Symptoms of Illness*	Do you/your child have any of the following key symptoms?	Circle one	
	Fever	YES	NO
	Chills	YES	NO
	Cough or worsening of chronic cough	YES	NO
	Shortness of breath	YES	NO
	Loss of sense of smell or taste	YES	NO
	Diarrhea	YES	NO
	Nausea and vomiting	YES	NO
International Travel	Have you returned from travel outside Canada in the last 14 days?	YES	NO
Confirmed Contact	Are you a confirmed contact of a person confirmed to have COVID-19?	YES	NO

\*Check BCCDC's [Symptoms of COVID-19](#) regularly to ensure the list is up to date.

If you answered "YES" to one of the questions included under 'Key Symptoms of Illness' (excluding fever), you should stay home for 24 hours from when the symptom started. If the symptom improves, you may return to school when you feel well enough. If the symptom persists or worsens, seek a health assessment.

If you answered "YES" to two or more of the questions included under 'Symptoms of Illness' or you have a fever, seek a health assessment. A health assessment includes calling 8-1-1, or a primary care provider like a physician or nurse practitioner. If a health assessment is required, you should not return to school until COVID-19 has been excluded and your symptoms have improved.

When a COVID-19 test is recommended by the health assessment:

- If the COVID-19 test is **positive**, you should stay home until you are told by public health to end self-isolation. In most cases this is 10 days after the onset of symptoms. Public health will contact everyone with a positive test.
- If the COVID-19 test is **negative**, you can return to school once symptoms have improved and you feel well enough. Symptoms of common respiratory illnesses can persist for a week or more. Re-testing is not needed unless you develop a new illness.
- If a COVID-19 test is recommended but is not done because you choose not to have the test, or you do not seek a health assessment when recommended, and your symptoms are not related to a previously diagnosed health condition, you should stay home from school until 10 days after the onset of symptoms, and then you may return if you are feeling well enough.

If a COVID-19 test is not recommended by the health assessment, you can return to school when symptoms improve and you feel well enough. Testing may not be recommended if the assessment determines that the symptoms are due to another cause (i.e. not COVID-19).

If you answered "YES" to questions 2 or 3, use the [COVID-19 Self-Assessment Tool](#) to determine if you should seek testing for COVID-19.

A health-care provider note (i.e. a doctor's note) should not be required to confirm the health status of any individual.
