#### "This Week at Fleetwood Park" - Principal's Message: November 25th - 29th

Good morning Fleetwood Park!

It is the last week of November and we are entering the final 3-week push to our Winter Break. The next few weeks will be very active and very festive with numerous special events and fun activities for students and staff! © All students, staff and parents are encouraged to join us as we celebrate our students' learning and showcase their many talents!

This week has been "Reach Out Awareness" Week at the school. Our Reach Out Club has been very active hosting special lunchtime events and raising awareness of their important work. This year the club is assisting charitable causes across our community and across the world. I would like to congratulate all members of Reach Out for your valuable work and volunteerism. Your demonstration of Social Responsibility is commendable!

On Monday afternoon we met for our November Staff Meeting. Staff had the opportunity to review our two goals and discuss current and future initiatives that help support them. This year we been thinking about the following:

Aboriginal World View and perspectives as a guide for curricular design and instruction.

Development of students' Critical Thinking skills through self-reflection during portfolio creation.

It was very interesting to learn about the wide variety of initiatives happening across our school. This information will be shared back to the staff and incorporated into our School Plan. My thanks to all staff for your participation and feedback.

The Parent Advisory Council met on Monday evening. We had a very valuable conversation regarding Dry Grad Committee structures and PAC funding processes and the important work of both of these hardworking committees. I would like to thank all parent volunteers on both the PAC and the Dry Grad Committee for your time, commitment and hard work in support of our students and school.

Report cards were published on Tuesday through the MyEdBC portal. Great thanks to all teachers for your many hours of time and expertise required to create the report cards. This assessment is such an important aspect of our students' education. All students and parents are asked to download your report card through the MyEdBC <u>portal</u>. Please contact the office if you need assistance with this.

On Wednesday, approximately 60 students from across the District visited Fleetwood Park to write their DELF exams. This is another very meaningful learning opportunity that our school provides our students. Great thanks to Mr. Grant and all of the Modern Languages teachers for your work in allowing this to occur. The DELF exam is an important language assessment, and highly valued by the international post-secondary system.

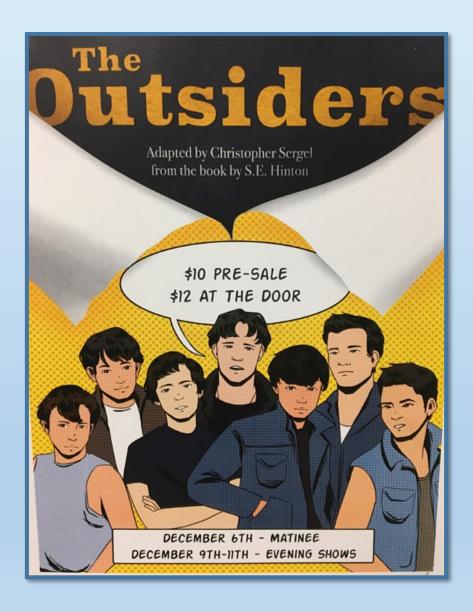

On Wednesday afternoon, the Career Education Department invited guest speaker Mr. Sean Aiken into the school to speak to our Grade 11 students. His message of self-discovery and being the best version of yourself were important themes. The grade 11 class appreciated his humour and his story of discovery. Thank you to Mr. Day for coordinating the event.

On Thursday afternoon, we began planning for this year's Course Information Fair. Our goal is to create a well-attended and highly meaningful event for our students/parents. We envision a session where students and parents can learn more about our various courses, ask questions and consider their options prior to course selection. At this point, the Course Information Fair is tentatively scheduled for <u>January 15<sup>th</sup> at 2:45pm</u>. Please mark this in your calendars. More information will follow.

This week the Fleetwood Park 'DragonTales' Theatre Company has been hard at work rehearsing for their upcoming production of "The Outsiders". This promises to be another outstanding performance from our student cast and crew. Their countless hours of hard work and dedication has been so impressive. The show will begin with a Matinee performance on December 6<sup>th</sup>, and then evening performances will run from Dec 9-11<sup>th</sup>. All students, parents/guardians are encouraged to buy your tickets while you can!

Our Fine Arts Program has also been very active over the last month. Their latest Art projects are now on display and beautifying our school. Congratulations to all student artists and thank you for your contribution to our community. Wonderful work!

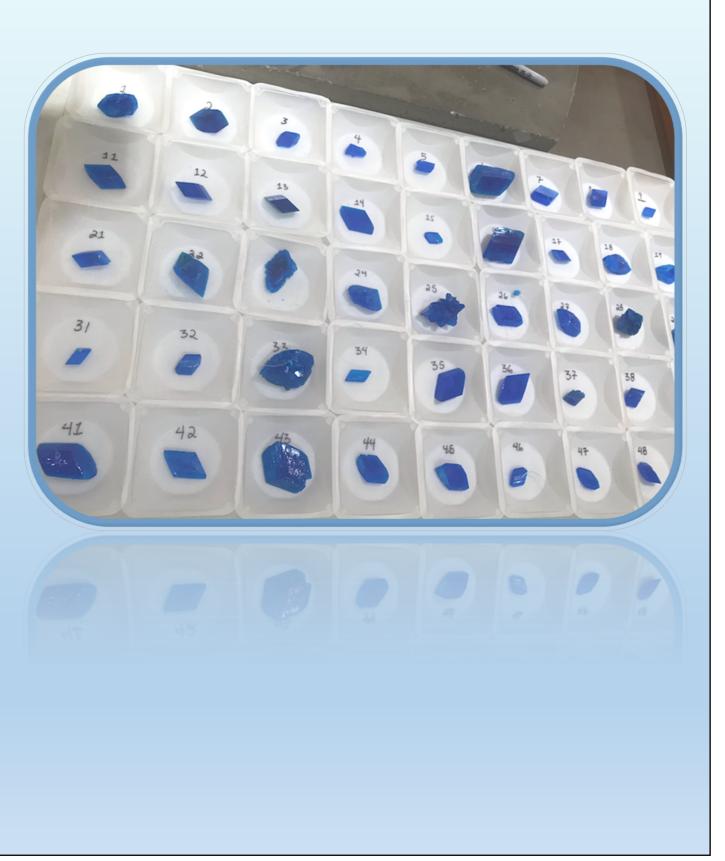

Recently Ms. Kang's Chemistry students created crystals and entered them into a Crystal Growing contest! We are still awaiting the results, however, their crystals are spectacular. Good luck to our budding chemists!

Safety in our parking lot is something we are always monitoring closely. It is imperative that all pedestrians and vehicles proceed through our parking lots and driveways with great care and attention. We are reminding all drivers to drive slowly and cautiously on and around the school grounds. Thank you!

Home of Dragon Pride "Building Successful Futures"

November went past us very quickly; and the holiday season is almost here. All students are encouraged to enjoy this time, get involved in the life of the school, and continue to push with your very best efforts over the next three weeks.

Have an excellent Friday and a happy, restful weekend! See you on Monday.

Ken

#### **Mission Statement:**

"At Fleetwood Park Secondary we value excellence in education and strive to provide a learning environment where all students are encouraged to build successful futures."
