Health and Safety

1. STAY HOME WHEN SICK

All children and staff with common cold, influenza, COVID-19, or other respiratory diseases must stay home and self-isolate.

2. HAND HYGIENE

Everyone should wash their hands more often!

Thorough hand washing with plain soap and water for at least 20 seconds is the most effective way to reduce the spread of illness.

3. RESPIRATORY AND PERSONAL HYGIENE

Cover your coughs.

Do not touch your face.

No sharing of food, drinks, or personal items.

4. PHYSICAL DISTANCING AND MINIMIZING PHYSICAL CONTACT

Spread children out to different areas.

Take them outside more often.

*Stagger lunch times.
Incorporate individual activities.*

Remind children, "Hands to Yourself!"

5. CLEANING AND DISINFECTION

Clean and disinfect frequently touched surfaces at least twice a day.

General cleaning of the centre should occur at least once a day.

Use common cleaning and disinfectant products.

“This Week at Fleetwood Park” – Principal’s Message: November 2nd—6th

Hello Fleetwood Park and welcome to November! It is the rainiest month of the year – and I wish all students and staff the very best and a month of good health, happiness and rich learning!

I wanted to begin this week’s message by congratulating our Home Economics students. During our Spirit Week/ Halloween celebrations, they enjoyed a fun week of creativity and delicious cupcakes. Our students and staff are so talented!

This week, with Halloween behind us, we returned to our usual rhythms and routines of school life. Many of our Senior students were completing a graduation requirement by writing their Numeracy 10 Provincial Assessment this week. Thank you to all teachers for your flexibility in allowing this important assessment to occur. Good luck to all of our Grade 12 students who wrote the exam.

Our week started with some early Monday morning filming for our upcoming Remembrance Day Video Assembly. As in previous years, our Student Council has taken on this important task. The student-led video project is a very significant undertaking. We will be hosting a video assembly on Tuesday, November 10th at 10:00am for all students/classes. This will be our Covid-aware/safe way of bringing our community together. We will educate our students about the sacrifices and services that have occurred in the name of freedom, and recognize and thank current and past generations of the Armed Forces and society for all they have contributed. We will have all students/classes logged into TEAMS to watch the video assembly at 10:00am on Tuesday morning. In addition, our Student Council will be distributing poppies again this year and collecting donations for the Royal Canadian Legion. Please give generously for this important cause.

The Royal Canadian Legion  @RoyalCdnLegion · Oct 30

...

The 2020 Poppy Campaign is on! Canadians from coast to coast to coast will wear a poppy as a visual pledge to never forget. Find out more about this year's Poppy Campaign and where to find a poppy near you:

legion.ca/remembrance/th... #GetYourPoppy  #LestWeForget 

Monday was "Take Our Kids to Work Day" – the Virtual Version! Grade 9 students from across the school participated in a special online presentation. They learned more about their "MyBluePrint" software/accounts and expectations for this curriculum. It was an important day of learning. Thank you to our Career Ed. Department for organizing the day.

On Wednesday, the rain let up, and many of our Fleetwood Park Dragons were active and demonstrating their fitness and skills. Physical Education, Fitness, and Dance students were all busy and having fun!

Home of Dragon Pride
"Building Successful Futures"

Tomorrow, Friday November 6th is a Professional Development Day. Regular classes will not be in session as teachers explore new learning and develop new pedagogy and assessment strategies. This is especially important during this “new normal” and our Blended Learning and extended learning classes that students and teachers are now experiencing. I wish all staff a meaningful day of learning and collaboration.

On Friday we will be distributing a student survey to all grade 8-12 Fleetwood Park students. Student voice is a very important component of a school's culture. We are very interested to learn how our students are doing during this unprecedented time of pandemic. All students and staff have been required to adjust to many changes as part of our “new normal”. We will use your feedback to consider new and additional ways the school can support our students. Thank you for your “student voice”, we ask that all students complete the survey prior to November 13th. We will distribute the link to the survey on our Fleetwood Park Dragons App.

As we move into November's rainy season, it is an appropriate time to remind students about our lunchtime protocols, and the challenges the rain will bring regarding Covid-19 safety guidelines. As students understand, we are doing everything possible to avoid mixing of cohorts – especially within the building. All students who spend their lunchbreak at school are reminded that they can spend their time in either their block A cohort classroom, or outside. Students should not be in the hallways, common areas, plaza or gymnasium. We understand this will be difficult on rainy days and appreciate your cooperation.

We also remind our students to:

Wear your masks at lunch and whenever you are outside your cohort. If possible, we encourage students to wear a mask throughout the school day.

Maintain physical distancing of 2 metres. This is especially important when you are eating and not wearing your mask.

Keep your hands to yourself and do not share food or personal items.

Wash your hands repeatedly throughout the day.

Complete the daily health assessment, and do not come to school if you are sick.

As the number of Covid cases increase in the Fraser Health region, now is the time to increase our vigilance and our efforts to follow all of the Health and Safety guidelines. Let's all do our part and work together to keep our Fleetwood Park community healthy and safe! Thank you Dragons.

I hope your day and week went well. Students – enjoy your long Pro-D Day weekend. Staff – have an excellent day tomorrow.

All the best, see you on Monday.

Ken

Fleetwood Park Secondary Bell Schedule, 2020- 2021

Grade 8-9

8:30 – 10:00	Block A	90 min
