## Health and Safety:

# Know the 14-day rule before travelling with unvaccinated or partially vaccinated children

Now that the U.S. border is open for non-essential travel, parents and students are reminded that international travel – by land, air or sea – presents restrictions around school attendance for unvaccinated and partially vaccinated students upon return.

**Students who are not fully vaccinated CANNOT attend school for 14 days following their return,** according to federal travel guidance around COVID-19.

While there are some quarantine exemptions for unvaccinated children accompanied by fully vaccinated adults, there is **no exemption** to allow unvaccinated or partially vaccinated students to return to school within 14 days following international travel, *regardless of who they travel with or if they received a negative PCR test result*.

In addition to school, students who are unvaccinated or partially vaccinated cannot attend the following for 14 days after international travel:

- o day cares and camps
- o settings with vulnerable people (i.e. long-term care facilities)
- o large crowded indoor or outdoor settings (i.e. amusement parks, sporting events)
- o crowded public transportation that does not ensure physical distancing and masking

If you decide to travel internationally during the school year, please coordinate with your teacher and school beforehand to ensure your child stays on top of schoolwork while they are away and for the 14 days following their return.

Unvaccinated children returning from travel must also limit contact with others for 14 days, especially those who have underlying medical conditions, compromised immune systems or are 65 and older. Returning travellers ages five and up must also take a COVID-19 molecular test, monitor their health and watch for symptoms related to COVID-19.

For more information on federal guidance and restrictions, visit [canada.ca/coronavirus](https://canada.ca/coronavirus). For information on provincial measures, visit [bccdc.ca/covid19](https://bccdc.ca/covid19) or call 811.

## Health and Safety

# WHAT HAPPENS IF A STUDENT GETS SICK?

Extra health and safety measures, like handwashing, learning groups, masks, daily health screens, and increased cleaning, will reduce the spread of COVID-19 and help keep schools safe.

### IF A STUDENT SHOWS ANY COVID-19 SYMPTOMS AT SCHOOL..

-  The child waits in an isolated room
-  The school contacts parents or guardians to take the child home
-  Staff clean and disinfect exposure areas
-  The school notifies public health officials

### THEN PUBLIC HEALTH..

-  Contact traces to identify potential COVID-19 exposures
-  May recommend testing
-  May recommend 14-day isolation if necessary
-  Gets in touch with close contacts
-  Provides follow-up recommendations as needed, which may include suspending in-class learning

Parents will be notified if their child has been in contact with a COVID-positive person and needs to self-isolate. Students will receive learning support while self-isolating.

INTERNATIONAL TRAVEL:	WHAT TO DO
Have you returned from travel outside Canada in the last 14 days?	<p>If yes: All students and staff who have travelled outside of Canada are required to follow both provincial and federal requirements for entry.</p> <p>This includes students who are attending school from abroad. Students from outside of Canada should verify their entry status at least two weeks before they are scheduled to attend school. Additional information is available <a href="#">here</a>.</p>
CLOSE CONTACT	WHAT TO DO
Have you been contacted by public health and notified that you are a close contact of a person confirmed to have COVID-19?	<p>If yes: Please follow the instructions provided by Public Health.</p> <p>You can call 8-1-1 anytime to get advice about how you are feeling and what to do next. Pay attention to how you are feeling. If it becomes hard to breathe, you can't drink anything or feel much worse, seek urgent medical care at an urgent care clinic or emergency department.</p>

Check your symptoms with the [K-12 Health Check](#). If you have any questions, or the symptoms get worse, contact your healthcare provider, or call 8-1-1. For more information on COVID-19, please go to [www.bccdc.ca](http://www.bccdc.ca).

**Note: If you develop severe symptoms, such as difficulty breathing (e.g. struggling to breathe or speaking in single words), having a very hard time waking up, confusion, or severe chest pain, call 9-1-1 or go to the nearest Emergency Department.**

If you develop symptoms such as mild to moderate shortness of breath, inability to lie down because of difficulty breathing, or have chronic health conditions that you are having difficulty managing because of difficulty breathing, please consult your family doctor or nurse practitioner. You can call 8-1-1 anytime to talk to a nurse at HealthLinkBC and get advice about how you are feeling.

Please check BCCDC's [Symptoms of COVID-19](#) regularly to ensure the list is up to date.

# COVID-19 Carpooling? Ride share?

## Reduce the spread of COVID-19 while travelling with people outside your household

### Before the trip

Always complete a COVID-19 symptom check before carpooling.

**Unless you need medical care or testing, do NOT travel if you have:**

- ☐ COVID-19 symptoms
- ☐ Travelled outside of Canada within the last 14 days
- ☐ Been told to self-isolate by Public Health

- Spread out as much as possible. If there are two people, the driver should be alone in the front.
- Wear a mask over your nose and mouth.
- Travel with the same people each time.

### During the trip

Keep your trips as short as possible.

Open windows in the vehicle to allow air in.

Set the vehicle's ventilation to bring in fresh outside air. DO NOT recirculate the air.

Avoid eating or drinking in the car.

### Cleaning

Clean high contact areas (such as seat belts and door handles) every time you leave the vehicle.

If vehicles are shared on the job, clean between each shift.

Clean your hands when you get in and when you leave.

### At work

If you are carpooling with another employee at your worksite, tell your employer. Your employer may use this information when making their COVID-19 Safety Plan.

## "This Week at Fleetwood Park" – Principal's Message: November 22nd – November 26th

Good morning Dragons,

I hope your week has been full of interesting new challenges, new learning and happy successes. It is now the end of November, time is moving quickly and we are entering into the final "push" before our Winter Break. Life at Fleetwood Park Secondary continues to be full, complex and rewarding. Our students and staff are focused on curriculum and are also enjoying the many extracurricular activities that we are again able to pursue this year. Great thanks to all Dragons for your many contributions to our school community, across so many disciplines, as we move through the school year and re-establish the rich and supportive Fleetwood Park community culture.

Speaking of extracurricular activities, we have many clubs operating again this year! Last week our GSA Club sponsored Transgender Awareness Week.

Thank you for your work in raising awareness of this important message and generating dialogue and understanding.

As I am writing today's Principal's message, the rain is beginning to fall again. I encourage everyone to proceed through the next few days with caution and care. We are all hopeful that we will avoid a repetition of the torrential emergency rainfall of last week. Please be especially cautious as you travel across our community and to/from school.

This week at Fleetwood Park Secondary, our Performing Arts Departments have been very active. Our Music Department is preparing for their upcoming Winter Concerts. Our very large group ensemble Concert Band has been practicing in our Plaza. Our student-musicians also recently performed at the Surrey Jazz Festival at the Bell Theatre. Way to go Dragons!

This week has also been the final rehearsals for our Dragon Tales Theatre Company's production of "The Last 5 Years". This is a student written musical. Performances are scheduled this week on Wed-Friday evenings with both live and simulcast options. Please contact Mr. Rossiter for ticket details.

This week in FPSS Athletics our Senior Boys Soccer team is in action. They will be competing in the Provincial/Regional Championships beginning on Thursday. This year the games will be livestreamed. The senior boys AAA soccer provincial matches are today, tomorrow, and Saturday, you can check out the matches live using the following link: <https://bcss.tv/schedule/2021-boys-aaa-soccer-championship/>. Fleetwood plays today at 11:00 AM and 2:30 PM and tomorrow at 9:00 AM. They will play in two additional matches (one tomorrow afternoon and one on Saturday) but times depend on the results from the earlier matches. Congratulations to the boys for making it to the provincials and wishing them good luck!

On Monday evening we had the chance to bring our Department Heads together to discuss the new draft Provincial Reporting Order. This new assessment proposal includes several possible changes to report cards for next school year.

The goals of the new report are as follows:

### Goals of Communicating Student Learning

- students are engaged in meaningful conversations that extend their learning
- parents are well informed about their child's progress
- parents are involved as partners in a dialogue about their child's progress and the best ways to support and extend learning

The changes may include some of the following:

### DRAFT Ministry Reporting Policy (2022)

Grades 8 - 9	Grades 10 - 12	Grades 8 - 12
<ul style="list-style-type: none"><li>• Provincial Proficiency Scale</li><li>• Descriptive Feedback</li></ul>	<ul style="list-style-type: none"><li>• Letter Grades</li><li>• Percentages</li><li>• Descriptive Feedback</li></ul>	<p><b>Four Learning Updates</b></p> <ul style="list-style-type: none"><li>• Two written Learning Updates – must include:<ul style="list-style-type: none"><li>• written comments about learning progress, with descriptive feedback</li><li>• student generated content that includes<ul style="list-style-type: none"><li>• Self-Assessment of Core Competencies</li><li>• Goal Setting</li></ul></li></ul></li><li>• At least one Learning Update must be within the first 25% of instructional time</li></ul> <p><b>One Summary of Learning</b></p> <ul style="list-style-type: none"><li>• Including student generated summary of<ul style="list-style-type: none"><li>• Self-Assessment of Core Competencies; and</li><li>• Goal-Setting</li></ul></li></ul>

We will monitor this developing policy closely and ensure we are ready to implement the final recommendations.

Our Junior Science students have begun creating a wall-sized Periodic Table of the Elements. Great work so far! I have seen many students stopping to review the work and admire the effort of our budding scientists!

Stay safe, stay healthy Dragons. Have an enjoyable Friday and a relaxing weekend.

Ken
