This Week at Fleetwood Park - Principal's Message: September 30th – October 4th

Good morning Dragons!

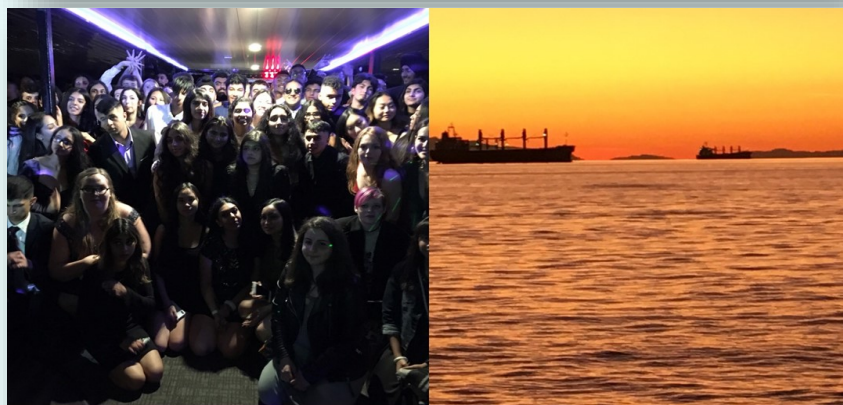

Our September start-up is now behind us and we are rolling into October! Time moves fast at Fleetwood Park Secondary.... Our students and staff are now well into their new curriculum and our routines of the first semester are in place. We look forward to the days ahead and the many traditions and special events that the season will bring.

This week began with a Professional Development Day. Our staff participated in an interesting workshop that focussed on the learning needs of students with Dyslexia and the challenges and strengths of these exceptional students. Our thanks to presenter, Dr. Ramirez, for your insight and expertise.

On Monday evening the weather cooperated for our Dry Grad Boat Cruise. It was a beautiful, clear evening to be out on the water. The sunset was gorgeous and the views sensational! We hosted 167 Grade 12 students for a cruise around the Vancouver Harbour. This was the first Grad 2020 event of the school year, and was a great success. Our students had a wonderful time with beautiful scenery, good food, music, dancing and friendship. Thank you to the Dry Grad Committee for all your work in coordinating the event.

On Tuesday morning the school practiced our first Fire Drill of the year. Again, the weather cooperated as all students and staff followed the evacuation procedures. Over the course of the school year, we will be practicing 10 evacuation drills. This is an important aspect of our safety systems. Each drill will be carefully analyzed for possible improvements to our process. Thank you to all Dragons for your participation.

Tuesday afternoon was perfect to spend some time outside and cheer on our Senior Boys Soccer Team. Congratulations on your victory.

Our Senior Boy's Volleyball team was in action last night. The team is looking very strong this year.

Good luck Dragons!

Wednesday evening brought our Grade 12 Parents/guardians to Fleetwood Park for our Graduation Information Night. The [presentation](#) included details on graduation eligibility, expectations, post-secondary liaison, Career Life Connections, Scholarships, Dinner-Dance, Commencement, Dry Grad, Grad Photos and more. This final year for our senior students is so important. We had an excellent turn-out of parents/guardians and we know that our Graduating class of 2020 will have a very special year of successes. We are also confident that this group of students will rise to our challenge and provide high levels of civic involvement and leadership to our school community.

This morning started with the annual Grade 8 Pancake Breakfast! What a fun way to start the day. Hundreds of grade 8 students enjoyed a free pancake breakfast and laughter with their classmates. Our newest students have now experienced the Grade 8 Retreat and are officially Dragons! The breakfast was another nice way for our school to remind the grade 8 class that they are highly valued members of our community and we are very happy they are here! Special thanks to the Student Council and to Chef Crema, Assistant Barbosa and all of our Culinary Arts students for your help in making this event possible! Great work team!

Today at lunch we will be holding our first Staff Committee of the year. Again, all staff are reminded of the importance of the Staff Committee's work; and are encouraged to reach out to any Staff Committee member for feedback and support as we navigate our way through the year.

Tomorrow we will be celebrating World Teacher Day! I encourage all students and parents/guardians to take the opportunity to recognize the incredible work and influence of our Fleetwood Park Secondary staff. Their influence, care, mentorship and expertise change lives every day. On behalf of the entire Fleetwood Park community, I would like to take this opportunity to thank our staff for all you do on behalf of our students. It is a privilege to work alongside you! ☺

Everyone who
remembers his own
education remembers
teachers, not methods
and techniques. The
teacher is the heart of the
educational system.

Hope your Friday goes well and your weekend is a good one. Happy October Dragons!
