## **This Week at Fleetwood Park - Principal's Message: October 28<sup>th</sup> – November 1<sup>st</sup>**

Happy Halloween Dragons!

It has been "Spirit Week" at Fleetwood Park Secondary with themes of Disney, Twins, Memes, Halloween and more! Thank you to Student Council for all of your work in organizing the fun for our school! We have all enjoyed the excitement and creativity that has been in abundance throughout the week.

On Monday morning we welcomed three student teachers from UBC to Fleetwood Park. Welcome to Ms. Guadalupe, Business Education/ Ms. Lamping, Modern Languages/ and Mr. Lintott Social Studies. Fleetwood Park Secondary is a wonderful place to begin your teaching careers, and we know that your time with us will be very rewarding. All the best in your practicums!

Monday was a full day of activities with "Music Monday" happening at lunchtime in our library. We enjoyed the beautiful violin and piano concert performed by our FPSS Music students.

On Monday morning, students in our BASES program were learning how to bake Apple Pie! I understand the recipe is a highly treasured family tradition... delicious! Thank you!

In the afternoon our staff met for our monthly meeting and explored the “Know, Do, Understand” model of our new curriculum. This is a powerful model of instruction that facilitates high levels of learning across all subjects.

## Curriculum Model

All areas of learning are based on a “Know-Do-Understand” model to support a concept-based competency-driven approach to learning.

Three elements, the Content (Know), Curricular Competencies (Do), and Big Ideas (Understand) all work together to support deeper learning.

### Content (Know)

The content learning standards — the “Know” of the know-do-understand model of learning — detail the essential topics and knowledge at each grade level.

### Curricular Competencies (Do)

The curricular competencies are the skills, strategies, and processes that students develop over time. They reflect the “do” in the know-do-understand model of learning. While curricular competencies are more subject-specific, they are connected to the core competencies.

### Big Ideas (Understand)

The big ideas consist of generalizations and principles and the key concepts important in an area of learning. They reflect the “understand” component of the know-do-understand model of learning.

The big ideas represent what students will understand at the completion of the curriculum for their grade. They are intended to endure beyond a single grade and contribute to future understanding.

On Monday evening, Student Council hosted our first “Scary Movie Night”! Students gathered in the plaza for popcorn and a movie... and enjoyed the show. While our students and staff watched the movie, our Parent Advisory Council met to allocate this year’s budget. This was a challenging and important process. I would like to thank all members of the PAC Executive who worked late into the evening. Your work and dedication to Fleetwood Park makes such a difference in the life of our school and the education of our students.

On Tuesday afternoon, many of our students participated in this year's Pumpkin carving contest. Friendship, laughter and creativity were all on display! For some students, this was their first opportunity to carve a Jack-O-lantern.

This week our Drama and Art students worked together in collaboration to create our Fleetwood Park Haunted House. Visiting classes were treated to the creativity, talent, imagination, laughter (and a few tricks) of the occasion. Great thanks to Mr. Rossiter's and Ms. Porter's students for all your efforts!

On Wednesday, interim reports were issued to all students for all classes. Interim reports provide valuable formative feedback to our students and parents/guardians. Great thanks to all teachers for your work in providing these reports to your students and helping to guide their learning.

Today many of our students arrived at school in Halloween costumes. A lunchtime Costume Parade was held to the delight of our student audience. We all appreciated the creativity and spirit of the day! ☺

On Friday, in keeping with our Spirit Week theme, Spanish students in Ms. Rivero's class will be learning about "The Day of the Dead" celebration. It promises to be another fun and informative cultural lesson!

As you can see, our students and staff have had a great week of friendship, tradition, celebration and learning. Way to go Dragons!

We wish all students and staff a fun and safe Halloween's eve... take care, enjoy!

Ken

**Mission Statement:**

*"At Fleetwood Park Secondary we value excellence in education and strive to provide a learning environment where all students are encouraged to build successful futures."*

Fleetwood Park's Career Education Department is proud to present our future graduates an opportunity to get informed about some post-secondary options. This is an afterschool session where both students and parents can attend.

### **When:**

**Tuesday, November 5<sup>th</sup> 3:00pm – 5:00pm**

### **Format:**

**Presentation 3:00pm – 3:35pm Breakout Session #1**

**Presentation 3:40pm – 4:15pm Breakout Session #2**

**Mini Fair 4:20pm – 5:00pm Plaza Information Booths**

For each of these 'Break-out Sessions' students will choose one of the post-secondary institution's presentations to attend. After the first session, students will choose another post-secondary institution for the second session.

Following these two 'Break-out Sessions' students can then attend the Mini Fair in the Plaza. This will be all of the institutions setting up booths so they can go around and visit other institutions that they may not have seen in the previous sessions.
