STUDENT VOTE - SEPTEMBER 20, 2021

MOCK ELECTION

**Ballots reflect the real names of the
candidates running in the
Federal Fleetwood-Port Kells Ridinng.**

Grade 8's will vote during Block C.

Grade 9-10's will vote during Block A.

Grade 11-12's will vote during Block B.

Health and Safety

WHAT HAPPENS IF A STUDENT GETS SICK?

Extra health and safety measures, like handwashing, learning groups, masks, daily health screens, and increased cleaning, will reduce the spread of COVID-19 and help keep schools safe.

S

- The child waits in an isolated room
- The school contacts parents or guardians to take the child home
- Staff clean and disinfect exposure areas
- The school notifies public health officials

- Contact traces to identify potential COVID-19 exposures
- May recommend testing
- May recommend 14-day isolation if necessary
- Gets in touch with close contacts
- Provides follow-up recommendations as needed, which may include suspending in-class learning

Parents will be notified if their child has been in contact with a COVID-positive person and needs to self-isolate. Students will receive learning support while self-isolating.

learn more at backtoschool.gov.bc.ca

BRITISH COLUMBIA	
DAILY HEALTH CHECK	
KEY SYMPTOMS OF ILLNESS	WHAT TO DO
Fever (above 38°C)	If yes to 1 or more of these symptoms: Stay home and get a health assessment.
Chills	
Cough	
Difficulty breathing	Contact a health care provider or 8-1-1 about your symptoms and next steps.
Loss of sense of smell or taste	
OTHER SYMPTOMS	WHAT TO DO
Sore throat	If yes to 1 symptom: Stay home until you feel better.
Loss of appetite	
Headache	
Body aches	If yes to 2 or more of these symptoms: Stay home for 24 hours.
Extreme fatigue or tiredness	
Nausea and vomiting	If symptoms don't get better or get worse, get a health assessment; contact a health care provider or 8-1-1 about your symptoms and next steps.
Diarrhea	
INTERNATIONAL TRAVEL:	WHAT TO DO
Have you returned from travel outside Canada in the last 14 days?	<p>If yes: All students and staff who have travelled outside of Canada are required to follow both provincial and federal requirements for entry.</p> <p>This includes students who are attending school from abroad. Students from outside of Canada should verify their entry status at least two weeks before they are scheduled to attend school. Additional information is available here.</p>
CLOSE CONTACT	WHAT TO DO
Have you been contacted by public health and notified that you are a close contact of a person confirmed to have COVID-19?	<p>If yes: Please follow the instructions provided by Public Health.</p> <p>You can call 8-1-1 anytime to get advice about how you are feeling and what to do next. Pay attention to how you are feeling. If it becomes hard to breathe, you can't drink anything or feel much worse, seek urgent medical care at an urgent care clinic or emergency department.</p>

Check your symptoms with the [K-12 Health Check](#). If you have any questions, or the symptoms get worse, contact your healthcare provider, or call 8-1-1. For more information on COVID-19, please go to www.bccdc.ca.

Note: If you develop severe symptoms, such as difficulty breathing (e.g. struggling to breathe or speaking in single words), having a very hard time waking up, confusion, or severe chest pain, call 9-1-1 or go to the nearest Emergency Department.

If you develop symptoms such as mild to moderate shortness of breath, inability to lie down because of difficulty breathing, or have chronic health conditions that you are having difficulty managing because of difficulty breathing, Please consult your family doctor or nurse practitioner. You can call 8-1-1 anytime to talk to a nurse at HealthLinkBC and get advice about how you are feeling

Please check BCCDC's [Symptoms of COVID-19](#) regularly to ensure the list is up to date.

Things to know for visitors at our schools

Wednesday, September 8, 2021

While the [updated provincial guidelines for K-12 settings](#) welcome visitors and community use, we ask parents and guardians to be patient with their school as we unpack the operational impacts of allowing visitors inside.

In the interim, if families wish to come into the school, we ask that you please make an appointment prior to attending. Virtual meetings and appointments will continue to be offered as part of our transition.

Visitors are subject to the same health and safety protocols as students, staff and parents in the school's communicable disease plan, including:

Performing a [health check](#) prior to entering a school building

- Washing and sanitizing your hands before and after visiting a school
- Wearing a mask indoors at all times
- Respecting others' personal space
- Signing in and out at the office.

The communicable disease plan for schools should be communicated to visitors ahead of time, as well as posted at each school's front entrance. Schools will keep visitors' information on file for 45 days, including date of visit, name and contact information. Access will be limited to only areas required for the purpose of a visit.

If you have a scheduled appointment but do not feel well, do not enter the school. Please follow guidance from your health professional if you require self-isolation or self-monitoring and reschedule your appointment with the school.

Visitor access to schools may be restricted by local or provincial public health orders or recommendations from a medical health officer.

For more information, see the [Provincial COVID-19 Communicable Disease Guidelines for K-12 Settings](#).

by [Jacob Zinn](#) at 8:00 AM

COVID-19 Carpooling? Ride share?

Reduce the spread of COVID-19 while travelling with people outside your household

Before the trip

Always complete a COVID-19 symptom check before carpooling.

Unless you need medical care or testing, do NOT travel if you have:

- ☐ COVID-19 symptoms
- ☐ Travelled outside of Canada within the last 14 days
- ☐ Been told to self-isolate by Public Health

- Spread out as much as possible. If there are two people, the driver should be alone in the front.
- Wear a mask over your nose and mouth.
- Travel with the same people each time.

During the trip

Keep your trips as short as possible.

Open windows in the vehicle to allow air in.

Set the vehicle's ventilation to bring in fresh outside air. DO NOT recirculate the air.

Avoid eating or drinking in the car.

Cleaning

Clean high contact areas (such as seat belts and door handles) every time you leave the vehicle.

If vehicles are shared on the job, clean between each shift.

Clean your hands when you get in and when you leave.

At work

If you are carpooling with another employee at your worksite, tell your employer. Your employer may use this information when making their COVID-19 Safety Plan.

Dear Parents and Guardians,

Re: B.C.'s Vaccination Status Reporting Regulation for Students

B.C.'s Vaccination Status Reporting Regulation for children has been in effect since July 2019. This regulation supports the gathering of immunization records by Fraser Health for all students in all schools across the region within the province's jurisdiction and to offer immunizations in school settings.

September 3, 2021

Dear Parents and Guardians,

Re: B.C.'s Vaccination Status Reporting Regulation for Students

B.C.'s Vaccination Status Reporting Regulation for children has been in effect since July 2019. This regulation supports the gathering of immunization records by Fraser Health for all students in all schools across the region within the province's jurisdiction and to offer immunizations in school settings.

We care about keeping our schools and communities healthy. As a result, in the coming months our staff will check the immunization records we have on file for **children in kindergarten**. They will identify children whose records are missing or incomplete. Families of these children may be contacted.

For students in grades 6, 7, 9 and 10 – this school year Fraser Health will offer immunizations in the school setting to Grade 8 and 9 students from the last school year (20/21) and Grade 6 and 9 students from this school year (21/22).

Our staff will follow COVID-19 safety processes when delivering immunizations and interacting with school staff and students. Prior to immunization, students will be sent home with a personalized consent form for immunization. Please review your child's immunization history on the consent form and if you have additional immunization records please submit them to public health at fraserhealth.ca/immunizationform.

For students in all other grades (includes grades 1, 2, 3, 4, 5, 8, 11 and 12) – please check your child's immunization records and provide us with any missing immunization information required under the regulation, with the following guidance:

- o You can use the online Vaccination Status Indicator Tool at <https://immunizebc.ca/vaccination-status-indicator> to check if your child's immunization record is incomplete or missing. The Indicator tells you if your child's immunization record is on file with public health but does not provide any details about their immunization status or history. Health authority public health units already have immunization information on file for most children.
 - o If the Vaccine Status Indicator shows that your child's immunization records are **up-to-date**, then you **do not need to take further action**.
 - o If the Vaccine Status Indicator shows that your child's immunization records are **pending**, **no action is required at this time**. These records are in the process of being inputted into the system and may take some time to be entered.
 - o If the Vaccine Status Indicator shows that your child's immunization records are **incomplete**, this means either public health does not have your child's records or

your child needs additional immunizations. If your child has been immunized by a health care provider outside of public health, particularly in the last 18 months, you need to contact those providers and ask for a copy of your child's immunization record. **Please follow the instructions below to submit these records to public health.**

- o To report your child's immunization record you can submit it online at fraserhealth.ca/immunizationform or fax the record to your local public health unit. Be sure the record you are submitting has your child's full name, date of birth, sex, and personal health number (PHN) if the PHN is available. Records can also be provided to a community health nurse in a First Nations community.
- o **If your child needs additional immunizations, please call your family doctor, a pharmacist or public health to book an appointment.**
- o Visit fraserhealth.ca/getimmunized for a list of community vaccine providers.
- o To book an appointment with public health, call:
 - o 804-702-4908 (residents of Mission, Abbotsford, Chilliwack, Agassiz and Hope)
 - o 804-478-7087 (residents in all other areas of Fraser Health)

Collecting immunization information allows us to connect with families about the importance of disease prevention. It also helps public health to control outbreaks by quickly identifying children who are not fully immunized and helps everyone get back to learning as soon as possible.

For more immunization information, please visit our website at Fraserhealth.ca and search "child immunizations reporting".

Thank you for helping to keep our children and communities healthy.

Sincerely,

Dr. Ariella Zbar, MD, CCFP, MPH, MBA, FRCPC
Medical Health Officer, Medical Director

Optional Student Accident Insurance

Did you know that the Surrey School District does not insure expenses for student injuries that happen on school grounds or during school activities? You are responsible for these expenses as a parent or guardian.

Several companies offer accident insurance. Parents who would like to purchase accident insurance for their child are advised to choose an insurance provider and plan that suits your family's individual needs. For your convenience Surrey Schools has made available information on student accident insurance through Insuremykids, and studyinsuredstudentaccident.com.

Some plan features:

- * Provides coverage 365 days a year, 24 hours a day, in or out of school.
- * Covers expenses that are limited or not insured under MSP, private or group insurance plans, for example, private tutors, lump sum payment for fractures and dislocations, counselling and much more.
- * Covers injury related Dental (including future expenses).
- * Covers Ambulance fees
- * Covers injury related Eyeglasses (limits may apply).
- * Low annual premiums from \$13 - \$33 per student.

(Discounts available for families with 3 or more children).

For more information, or to purchase directly online, please visit <https://insuremykids.com> or <https://studyinsuredstudentaccident.com>.

“This Week at Fleetwood Park” – Principal’s Message: September 6th – 10th

Good morning Dragons!

Welcome back to the 2021-2022 school year. We are looking forward to a year of health, safety, excellence in learning and celebration of success! We are very hopeful that our school year will be “near normal” in terms of our systems, and that we can reconnect, re-engage and rebuild our amazing Dragon community.

We will continue to place the health and safety of all of our students and staff as our top priority and will continue to monitor all systems through a Covid-19 safety lens. We are confident that all of our students and staff will continue to support the well-being of our community by following all required guidelines and safety protocols. We thank all Dragons in advance for all you have done over the past 18 months to protect our health, and for all you will do this year to keep Fleetwood Park Secondary a safe and caring place.

This summer was a busy time at the school with several large projects. You may have noticed that a new Portable classroom was delivered to our parking lot at the end of August. Our District crew is in the process of completing this installation; and we are very grateful to have an additional classroom available for our students. This should be completed very soon.

The Floor replacement project was another very significant summer project. Many of our classroom and office area floors were refloored with new carpet or linoleum. The project was complicated with significant supply chain issues. The flooring crew is currently finishing the last few stairwells, and the new flooring looks great!

Our A210 Computer Lab was also renovated this summer with new data/electrical ports, new flooring and new counter work stations. Big project – and much needed. The room is still a few days away from completion, but when done, will provide a much-improved learning/teaching space for our community.

I would like to acknowledge and thank our custodial crew for your flexibility in working around our contracting crews. The school looks beautiful and clean. Our students and staff are very fortunate to be able to work and learn in such a pleasant and supportive facility.

I would also like to acknowledge and thank all of our Teaching and Support Staff. Your flexibility this week in unpacking and rearranging furniture, while at the same time welcoming our students back to school was monumental! Thank you everyone for all your work in making the first days back welcoming and meaningful for our students.

As anticipated, our enrollment at Fleetwood Park Secondary has increased this year. We are continuing to receive new registration requests and expect our enrollment will grow to over 1600 students over the next couple of weeks. Last year we had approximately 1580 students. Our school will again be very busy, full and dynamic. We will certainly be taking advantage of the additional Portable classroom, and will be utilizing all available rooms across our timetable. We will spread our students out across our campus as much as possible. All of our staffing is in place and our timetable is balanced.

On Tuesday we welcomed our community back! There was a wonderful air of excitement in the building as students and staff reconnected under the new “near normal” Covid-19 guidelines. It was reassuring to see all students and staff wearing masks, and was reaffirming to hear students’ laughter and joy in our hallways. In the morning we started with a “Back to School” Staff meeting. We welcomed several new teachers and Support staff to our community, reviewed our new Covid-19 protocols and discussed our school start-up routines. Again, it was a pleasure to welcome back and meet with our staff.

And then our students arrived! ☺ Grade 8’s arrived for their first day of High school with excitement, nervousness, and curiosity. Our homeroom teachers brought them to their Block A classrooms and provided an initial orientation and welcomed them to our community of learners. Rather than having a large assembly on the first day, we have opted to hold separate individual classroom orientation presentations over the next week. Administration will visit each grade 8 homeroom and welcome our newest Dragons and graduates of 2026 to our school. Grade 9-12’s arrived an hour later, found their way to their homerooms and began their learning journey. It was a very busy, exciting and happy day. Grade 9-12 students will watch an Orientation Video presentation next week.

This week we will continue to work through our new registration requests and balance our timetable wherever possible. There may be some additional timetable adjustments with additional courses and changes in schedules over the next week or so. This is a very fluid time for us, with very full classes, and a need to respond to our enrollment pressures. Great thanks to our Counselling team for your efforts in building schedules for our new students and balancing our class sizes. As always, students are reminded that course change requests will be limited to missing graduation requirements and incomplete timetables. If there is an error, or required change in your timetable, please complete the online “Course Change Request form” found on our Counselling page on our website. Our counsellors will respond to your request as quickly as possible.

Tomorrow I’m meeting with our Student Council Executive for our first meeting of the year. I’m looking forward to their ideas and plans to create community and build school spirit. This year, in our year of reconnection, student leadership will be critical for the success of our school. We will be drawing upon our Student Council and our Grade 12 students for your formal and informal leadership skills and service. Thank you in advance for your gifts of time and expertise and for your mentorship and guidance of our younger students.

Our school garden is thriving! The tomatoes, strawberries, and peppers were delicious. Thank you to our Gardening Club for all your work this summer.

On behalf of the entire Fleetwood Park Secondary staff, I wish everyone a year of health, happiness and powerful learning. We will work together to build a community of excellence, of happiness and of connection. I am hopeful that 2021-2022 will bring us a year of greater normalcy, health and stability. We will do everything in our power to provide our students and staff with care and compassion and with everything they need to be safe, to feel connected and to reach success.

Welcome back Dragons.

All the Best,
Ken

CARE & COMPASSION

Kindness...

- Uplifts
- Heals
- Brings us together
- Has health benefits

“I’ve learned that people
will forget what you said,
people will forget what you did,
but people will never forget
how you made them feel.”

Maya Angelou
