 Sept 30 – Non-Instructional Day  
 Sept 30 – Dry Grad Boat Cruise

## **This Week at Fleetwood Park - Principal's Message: September 3-September 6**

Welcome back Dragons!

Home of Dragon Pride  
"Building Successful Futures"

We are delighted to welcome back all students and staff to Fleetwood Park Secondary. The 2019-20 school year promises to be a richly rewarding and meaningful journey for us all. We know that our school community will foster our values of lifelong learning, friendliness, involvement and spirit. We will encourage creativity, the development of life skills, personal and social responsibility, positive attitude and strong self-esteem and confidence. As a school we will commit to academic excellence, preparing students for their future and cooperation between all members of our Dragon community. Our mission as a learning community will be to continue to foster excellence in all forms of education and to develop the skills for our students to build successful futures. It is going to be a wonderful year!

As I begin my third year as a Dragon, it is an honour to help guide and support our school community. I know that our caring and professional staff and proud and talented student body will come together to create a very special community of caring, school spirit and excellence in learning. We are very fortunate to be Dragons!

This year our enrollment is approximately 1540 students. We have 92 teachers and 30 support staff. Our school is operating at capacity, and will be an exciting, dynamic and busy place – we are ready for another year of learning. This Fall, we welcomed several new teachers to Fleetwood Park Secondary. Welcome to:

Ms. Hepting – Sc/Ma

Mr. Hepting – Sc/Ma

Mr. Dalhuisen – Tech.

Mr. Shantz – Fine Arts

Ms. Evans – Modern Languages

Mr. Ott – Fine Arts

Ms. Huang - English

Mr. Huynh - Math

Mr. Gill – Math

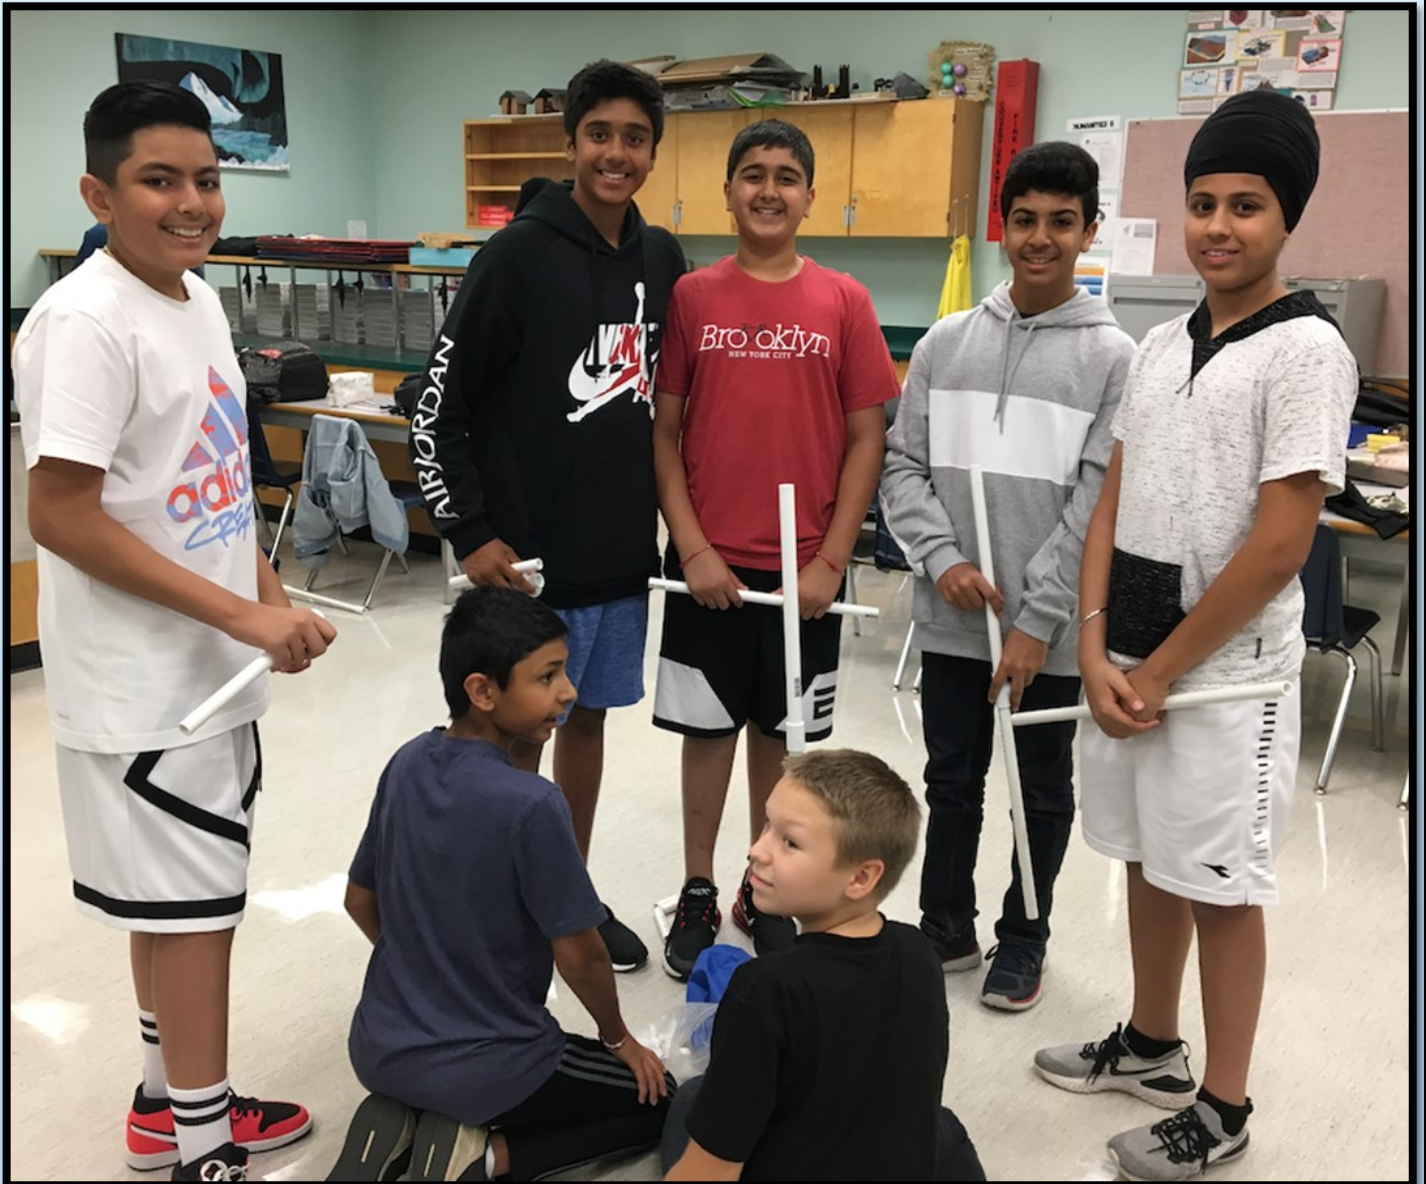

Ms. Duff – Vice Principal

I know that their time at Fleetwood Park will be very special.

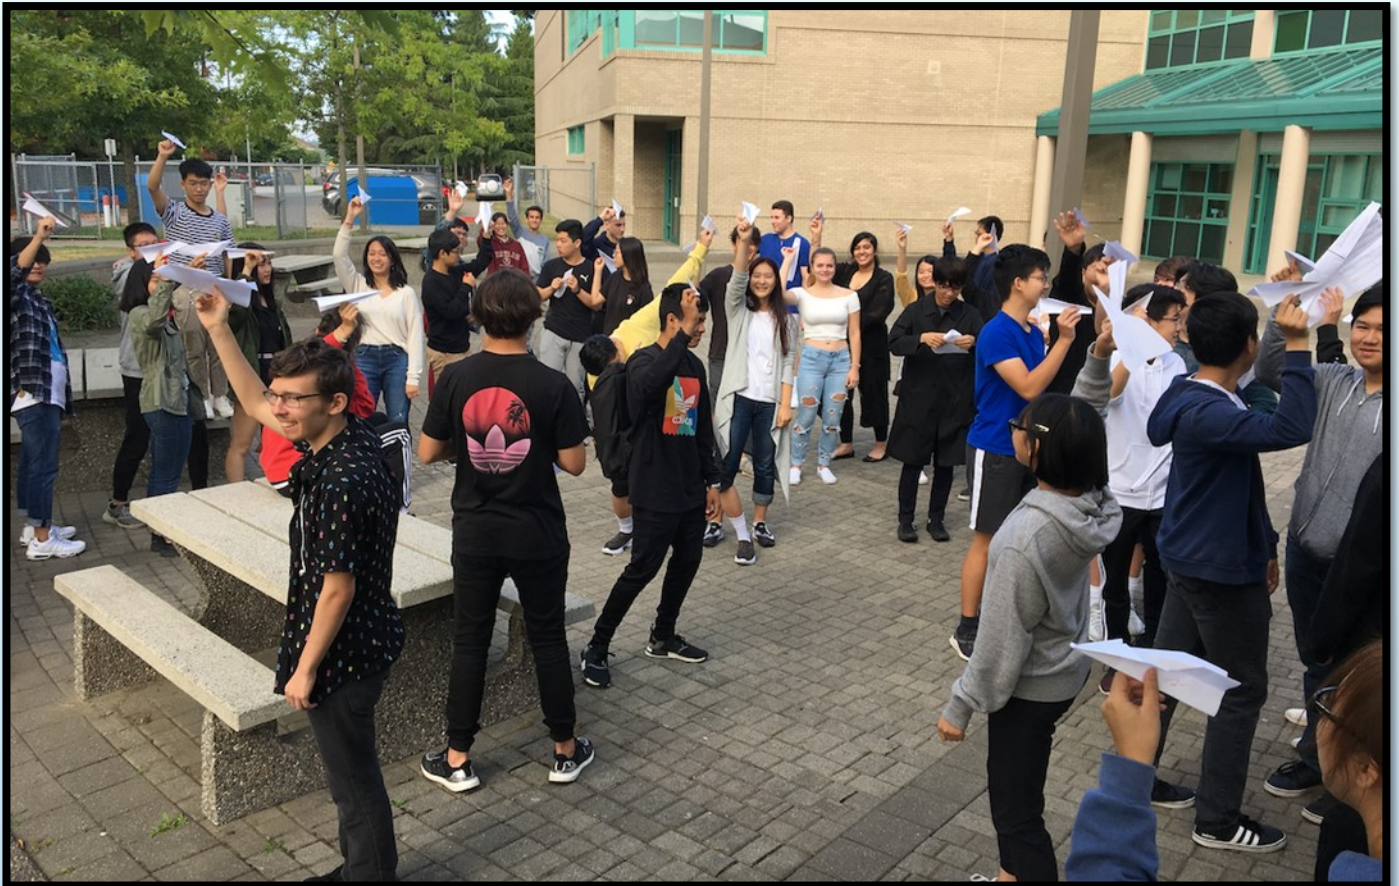

Tuesday morning was a high energy day of new beginnings and renewed friendship as students and staff returned to school. There was a wonderful, positive energy across our building as students made their way to homeroom to receive their timetables and orientation. We had the opportunity to meet with all of our Grade 8 students and officially welcome them as Dragons. Our grade 8's will be the graduating class of 2024, and we know their 5 years at Fleetwood Park will be filled with personal growth, new opportunities and celebration of community.

Regular classes started on Wednesday as teachers met their students and began their learning journey. Throughout the week we have appreciated an organized and smooth start-up, with the vast majority of student's timetables in place. I had the chance to drop by a few classes to say "hi" and observe some fun team building activities.

Home of Dragon Pride  
"Building Successful Futures"

Our beautiful building facility is in excellent condition with regular summer maintenance and with several new projects including: 1) Installation of new gymnasium portable wall, 2) Upgrade of our computer servers, and 3) repair of our plaza lighting system. Thank you to all District staff for your work in supporting the students and staff of Fleetwood Park.

Fleetwood Park's new community garden has been flourishing over the summer! We are almost ready to harvest our first crop 😊 Thank you to all of the members of our Garden Club who watered and tended the garden over the summer.

Our Counselling team, as usual during this time of year, has been busy working with students to make any necessary adjustments to balance our timetable and meet graduation requirements. They are making steady progress and will continue this process over the next week. Students are again reminded that there is very limited capacity for course change requests. Counsellors are focussed on students with incomplete timetables and/or missing graduation requirements. We again stress that careful course selection and elective choices must occur in the Spring during course selection, and not after the timetable has been built and staffed. Great thanks to our Counselling team for your diligent and timely work in support of our students.

I hope that everyone has enjoyed a wonderful summer and that you are rested, rejuvenated and excited to start another year of learning. Welcome back to the 2019-20 school year!

Ken
