Quotation Of The Week

"There is no end to education.
It is not that you read a book,
pass an examination,
and finish with education.

The whole of life,
from the moment you are born
to the moment you die
is a process of learning."

~J. Krishnamurti

Kudos

Congratulations to Fleetwood Park's Student Council on your very successful Cancer Awareness/Fundraiser Week. Our student raised \$1,793.60 for the Surrey Hospital Foundation. We are very proud of your work and community citizenship! Way to go Dragons!

Very nice to meet you today!

Thank you again for the wonderful donation, and for bringing the team in today for a photo.

We are always so inspired by our young people who are raising funds for health care in their community. Our future is bright!

Thanks,

Kristi

This Week at Fleetwood Park - Principal's Message: June 3rd - June 7th

One of the many strengths of our Fleetwood Park Secondary community is the very wide variety of curricular and extracurricular opportunities our students are provided. Our students are encouraged to get involved in the life of the school both within the classroom and outside the classroom. I am continually impressed with the learning that takes place across so many different and highly valuable activities/domains.

Athletics is such a significant strength for our school and our student-athletes are thriving. On Friday, our Girls Senior Soccer team competed in the British Columbia finals for the 6th year in a row! This is an amazing accomplishment. It was a scorcher of a day, and our Dragons faced Centennial Secondary in a very hard-fought match. Our team played their hearts out and should be so proud of their accomplishment. We finished 2nd in the province! Congratulations to Mr. Uppal, Ms. Forsyth and all of our players. They represented Fleetwood Park with pride and distinction. Well done!

On Monday, our Athletics season drew to a close with our annual Athletics Banquet and Awards Ceremony. Our plaza was full of happy students and proud coaches/managers. It was a wonderful evening of recognition and celebration. I would like to thank all coaches, managers and team helpers for all you contribute to the lives of our student-athletes. Without you, our program would not be possible. Our student-athletes will leave us with life-long memories, valuable life lessons and friendship. Thank you.

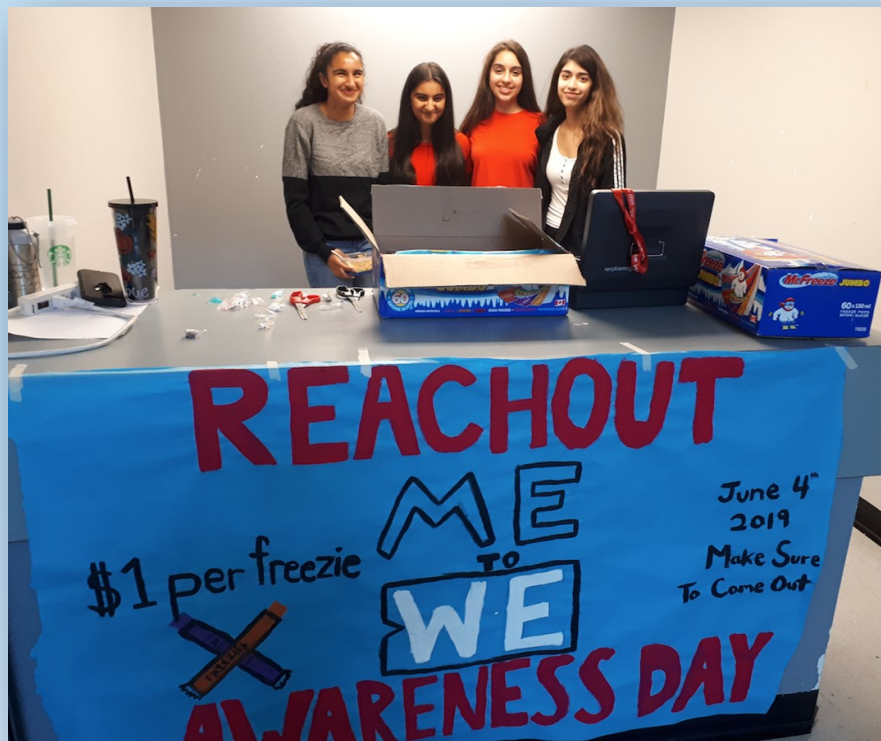

Congratulations to our ReachOut club on a fantastic inaugural Awareness Day! On Tuesday our students in our ReachOut club were very busy. Messages were placed on each locker, a fundraiser was held at lunchtime, a message board was set up in our plaza and a Kahoot game was staged. Additionally, the club held a coin drive throughout the week to raise funds for their sponsored charity in Ecuador. It was a great day of awareness and social responsibility at Fleetwood Park.

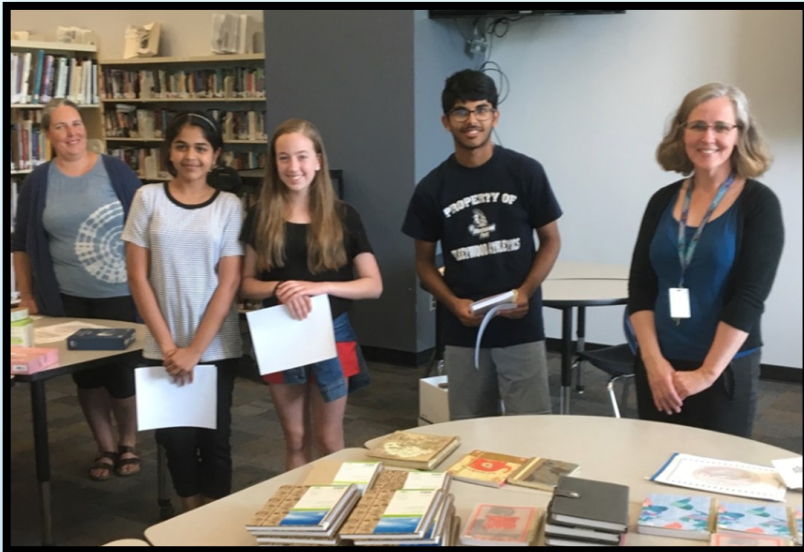

Our ReachOut Club works with the Me to We Foundation and have been focusing on raising funds to help women in Ecuador lift themselves and their families out of poverty. The club meets on Mondays at lunch time and encourages students to join them!

Tuesday afterschool we held our Speech Meet and Writing Contest Awards Ceremony. We have many very talented Writers and speakers, and it was so nice to be able to celebrate their hard work and talents. This year's Speech Meet had many participants with a wide variety of inspiring topics. As always, our students' writing was inspired! Congratulations to all participants for your work.

And on finally on Tuesday evening, we celebrated the accomplishments and talents of our Jazz musicians with a Year-end Jazz Concert. Unfortunately, I wasn't able to attend; but I know that our students are incredibly talented and Fleetwood Park's family and friends are very proud of the dedication and musicianship of our students. Every opportunity for our students to perform in front of parents, friends, and peers is an amazing showcase of their skills, talent and hard work. Congratulations to all of our Jazz musicians on another year of music, friendship and success!

Wednesday morning brought our final Emergency evacuation drill to the school. The school evacuated faster than ever, with all systems functioning as designed! Great work Fleetwood Park.

At lunchtime on Wednesday I had the chance to meet with one of our newest extracurricular clubs at the school. It was a privilege to present the winning certificates and prizes to our Chess Club. The chess club's inaugural year has been a resounding success with a large number of students meeting to play chess on Tuesdays and Wednesdays at lunch. New student members are welcome!

Wednesday afterschool brought the revival of a former tradition at Fleetwood Park with the return of the “Dragon Games”. Teams of 4 competed against each other in friendly rivalry through a series of challenges and fun contests. It was an afternoon of laughter, good natured competition and great school spirit! Thank you to Ms. Smeltzer, Ms. Green and Mr. England and your students for your leadership in bringing back this popular activity. A great time was had by all!

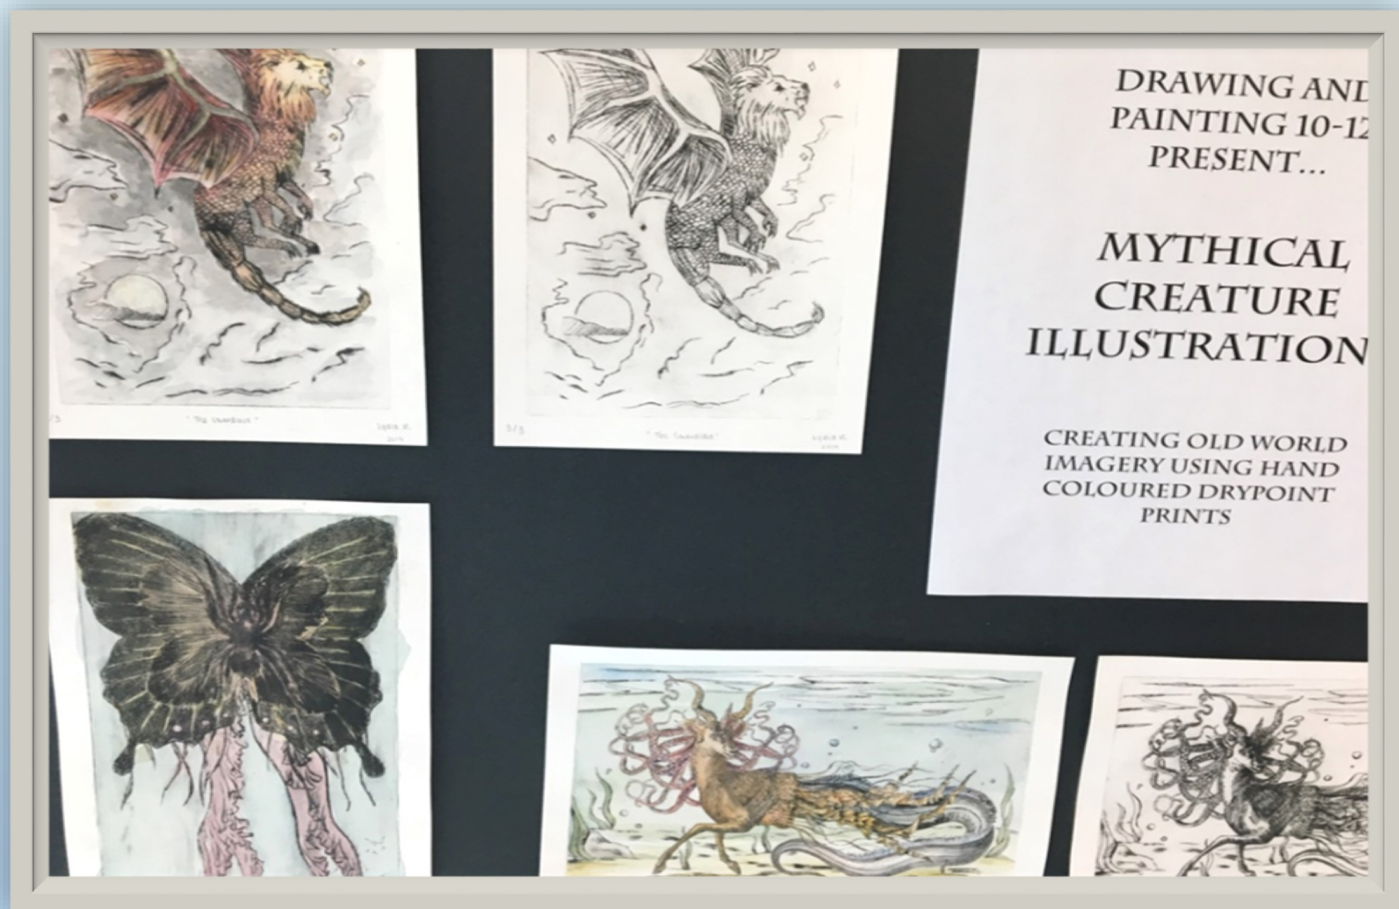

On Thursday afternoon our attention shifted to this year's upcoming Commencement ceremony and our graduating class of 2019. We held the Commencement Rehearsal in our plaza in order to review the many details of the evening event and hand out commencement gowns and tickets. Graduates and families are reminded that our Commencement Ceremony will be on Tuesday, June 11th at 6:00pm at the Bell Centre for Performing Arts (Sullivan Heights Secondary school). It will be a highlight of our 18/19 school year and a very special evening of celebration for our school and graduating class.

Tomorrow will be another day of learning and interesting special events and celebrations. Our annual "Puppy Therapy" session will be happening afterschool with funds raised going to the local SPCA. In the evening our Music Department will be hosting our year-end Junior Band and Choir concert. Again, it will be a special evening for all students, staff and audience members. Hope to see you there!

Our very talented Fleetwood Park artists have their latest Art installment on display in our foyer with their Mythical Creatures illustrations. Wonderful creativity.

As you can see, June is an exciting time for students and staff at Fleetwood Park Secondary. Next week promises to be just as full! We have much to celebrate!

All the best for an excellent Friday and an active and interesting weekend.

Ken
