Upcoming Events

June 22 – 25th – “Semester Completion” Days

All students are encouraged to stay in touch with your teachers, and please let us know if you have any questions. We will do everything that we can to ensure that you feel supported and connected to your classes and school. Take care, stay safe everyone!

FYI

Next week is Semester Completion Week. The school is open and teachers are available by appointment. Students are requested to contact your teachers to schedule individual appointments on Monday, Tuesday and/or Thursday. This is an opportunity to complete missing assignments/projects/tests and receive additional tutorial support as needed.

There will be a maximum attendance of 20% of enrollment in the building at a time with a maximum class enrollment of 5 students/session.

In The News

As we near the end of the 2019-20 school year, please see this [video message](#) for parents, students and staff from Surrey Schools Supt. Jordan Tinney, which details how the district is approaching the start of the 2020-21 school year in September.

"The number one question on everyone's mind is what will September look like? This video is intended to share our planning and to help people anticipate what may come. The first and most important reminder is that the decision about how school will look in September is solely in the hands of government and the Ministry of Education," says Tinney.

"As a result, we have to make multiple plans, one that has us returning full time, which is easy... However, we also have to plan for the potential to be back in a blended model."

The full video, as well as written transcripts of the superintendent's message in English, Punjabi and Chinese, are available at <https://www.surreyschools.ca/covid19>, where you can also find other information and resources.

Thank you!

Fleetwood Park Secondary student Tina Yong says high school no longer looks the same, but it was important to say goodbye to that chapter of her life. (You can also view the video on CBC's [Facebook](#)).

Kudos

Congratulations to our Class of 2020 on the successful completion of your High school graduation! We are all very proud of you! ☺

Kudos

Congratulations to FPSS graduate Danika on being the lucky winner of the draw for a Surrey Honda car! We would like to thank Surrey Honda for your continued generosity and community spirit in allowing this tradition to continue! Lastly, thanks again to the Fleetwood Park Dry Grad Committee for all your work throughout the year in support of our graduating class!

Health and Safety

1. STAY HOME WHEN SICK

All children and staff with common cold, influenza, COVID-19, or other respiratory diseases must stay home and self-isolate.

2. HAND HYGIENE

Everyone should wash their hands more often!

Thorough hand washing with plain soap and water for at least 20 seconds is the most effective way to reduce the spread of illness.

3. RESPIRATORY AND PERSONAL HYGIENE

Cover your coughs.

Do not touch your face.

No sharing of food, drinks, or personal items.

4. PHYSICAL DISTANCING AND MINIMIZING PHYSICAL CONTACT

Spread children out to different areas.

Take them outside more often.

Stagger lunch times. Incorporate individual activities.

Remind children, "Hands to Yourself!"

5. CLEANING AND DISINFECTION

Clean and disinfect frequently touched surfaces at least twice a day.

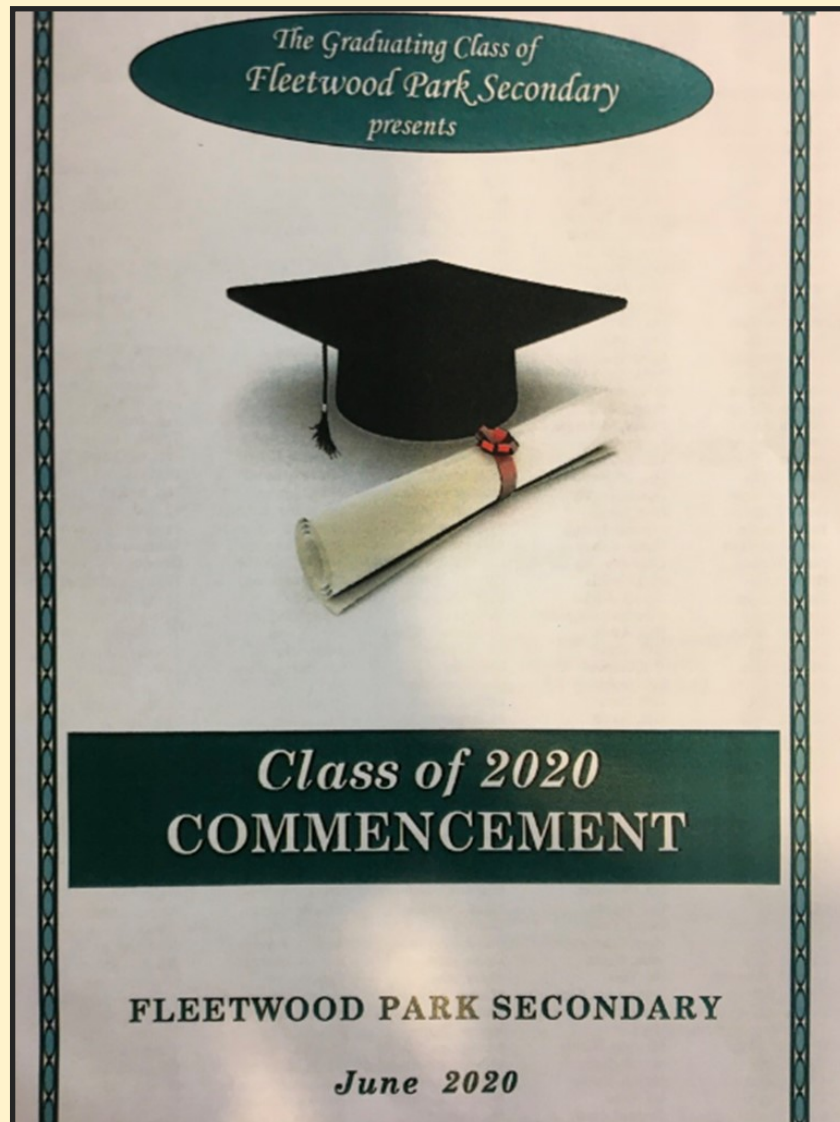

General cleaning of the centre should occur at least once a day.

Use common cleaning and disinfectant products.

"This Week at Fleetwood Park" – Principal's Message: June 15th – 19th

Happy Graduation Week in BC!

At Fleetwood Park Secondary, we just completed our Commencement Ceremonies for our graduating class of 2020 and their parents/guardians. We hosted 19 smaller ceremonies at the school over 3 days in order to meet the required health regulations while recognizing this important milestone for our students. Although it was a very full three days, we really enjoyed the chance to celebrate with our students and their families. It was a wonderful highlight for us all. I would like to again congratulate all of our graduates. Your success, especially during this exceptional period of time, is outstanding. You have made us very proud! I would also like to thank the many staff members who helped contribute to the commencement events. We couldn't have done it without you. Thank you so much for your help and support. Bravo everyone!

It is the final week of “classes” for the 2019-20 school year. Students and staff have been focused on the completion of final learning activities through their online platforms and through face-to-face tutorial support for small numbers of students. It is a very important time of final assessment and reflection. Friday, June 19th will be the final day of regular instruction. I am very hopeful that all students will reach out to your teachers in order to complete any outstanding learning activities. Our school’s engagement in distance learning, and the innovation and perseverance that this has required, has been exemplary. Students, your finish line is just ahead... finish strong!

Students are reminded that next week is “Semester Completion” Week. Our school is open for students to make individual appointments with their teachers in order to complete missing tasks and/or receive tutorial support. Please contact your teachers by email and/or through your learning platform to make an appointment to come into the school. Note: We will continue to enforce all health protocols and limit attendance to 20% of building density.

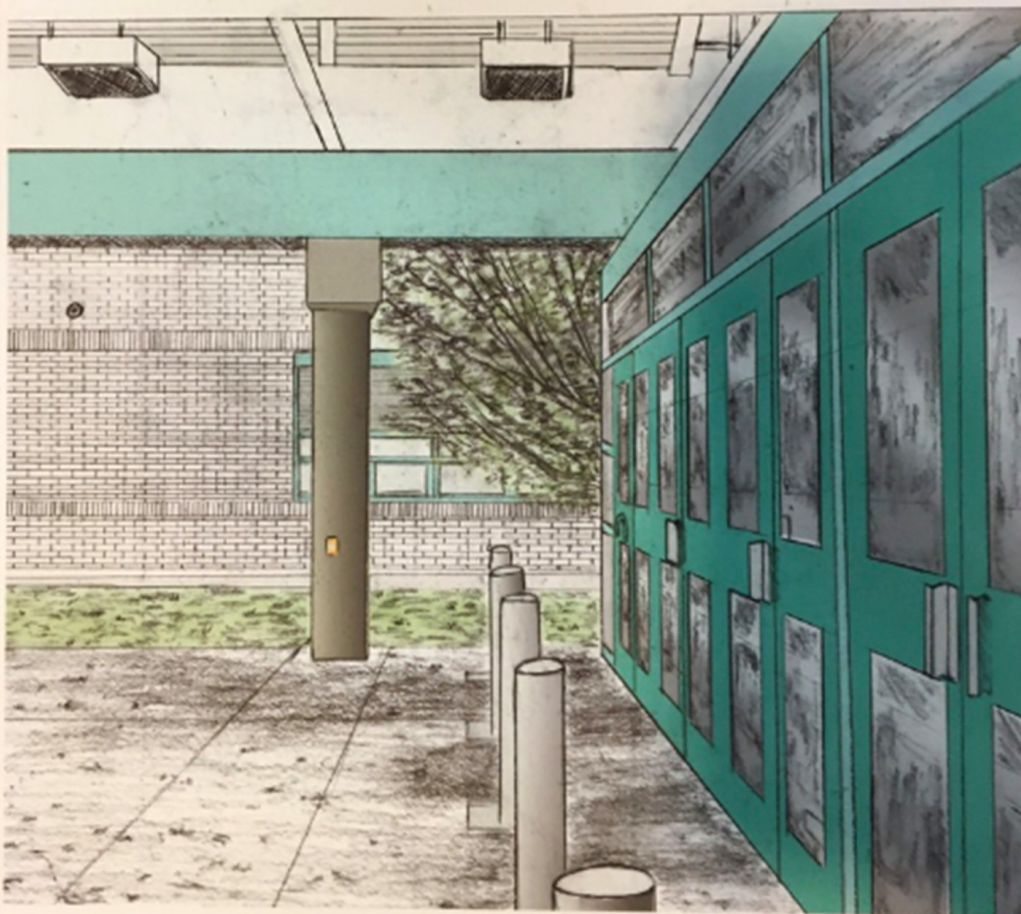

This week has also been dedicated to Locker Clear-out, Textbook/Library book return and Yearbook pick up. It has been so nice to see some more students in the school! Grade 11’s are reminded that your allotted day is tomorrow, and Grade 12’s are scheduled to come in on Monday. Students are also requested to return your locks to the office after you empty your lockers. Please see the schedule in this newsletter for your arrival times.

Speaking of Yearbooks.... Huge congratulations to Mr. Shantz and his Yearbook students. This year our students were required to create the yearbook “at a distance”. This called for incredible innovation and perseverance. I am so impressed with your work and creativity. This year’s edition provides a very special keepsake of memories for our students of 2020. The time and energy necessary to realize this project was so significant. The entire school community is very grateful for your dedication and talents! Thank you and well done team. 😊

To The Finish Line

Fleetwood Park 19/20

I would like to also recognize and congratulate the entire cast and crew of our Dragon Tales Theatre Company. Our amazing Drama students have been working diligently, and at a distance, in order to stage this Spring's production of "Pride and Prejudice". Performances are scheduled for Thursday, June 25th and Friday, June 26th at 7:00pm. They will be broadcast online. The YouTube link will be shared soon.

Also, of special note is our Drama Department's **Summer Showcase - Friday, June 19th - 7:30pm** which will also be showcased online. Details to follow. Break a leg everyone!

As we enter the final week of the 19/20 school year, and with all the change that has been required as a result of the COVID-19 pandemic, I would like to recognize the resilience of the Fleetwood Park Secondary community. Students, parents, staff – everyone needed to adapt and persevere. Your strength and flexibility have been essential in rebuilding our educational model twice over the past 3 months and allowing continuity of learning to occur. Thank you and congratulations to all Dragons for all you have accomplished.

All the best for tomorrow's last day of "classes" and enjoy the wonderful weather this weekend. We will return on Monday for "semester completion" days and our final week of the school year.

Take care, stay safe.

Ken
