This Week at Fleetwood Park - Principal's Message: June 17th – 21st

Good morning Dragons!

We have reached the final week of classes at Fleetwood Park Secondary. Our students and staff have been very busy over the final weeks completing their curriculum, assessing student progress and celebrating a year of amazing success stories!

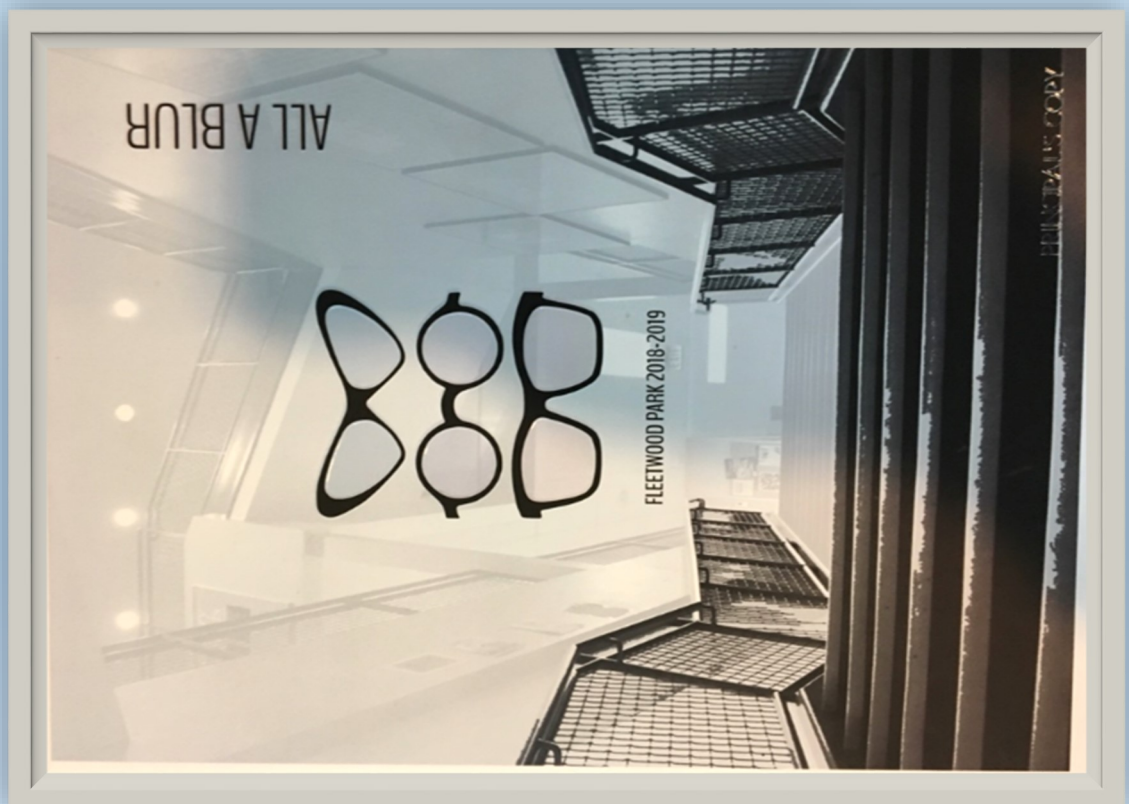

We should all feel very proud of our Fleetwood Park Dragons and all that we have accomplished together as a community of learners. The final weeks of June are always extremely full, focussed and reflective. This year has been no exception.

Last week I had the opportunity to attend our year-end Dance Showcase. Our student-dancers highlighted their talents with amazing choreography, athleticism and artistry. It was a wonderful evening of accomplishment and celebration. Thank you to Dance teachers Ms. Landriault and Ms. Anderson for your mentorship and support of our students. Great work Dragons!

This week has been full of year-end traditions. On Monday our Yearbook class distributed the 18/19 Yearbook to our students. Again, I was so impressed with the production of this important publication. The time and commitment required to produce the book was so significant. Our Yearbook students have gained many valuable lifelong skills as they have gone through the production process. Great thanks to Yearbook teacher Ms. Im. Your guidance and support of our students has allowed them to thrive. I have heard many positive compliments about this year's book. It is a wonderful keepsake for us all.

Also on Monday, was our annual year-end celebratory BBQ! Special thanks to our Athletics Department and Student Council for hosting this fun event. Many hotdogs and hamburgers were served to happy and hungry students! It was a beautiful, sunny afternoon, and a wonderful way to celebrate the conclusion of another successful year at Fleetwood Park.

Over the past week our Graduates and our staff have been paired in friendly competition in a variety of sporting activities. I'm told that the Teachers team has again been victorious! ☺

On Tuesday, we held our Annual Awards Ceremonies. Students from across all curricular areas were recognized for a wide variety of learning achievements. It was wonderful to have numerous proud parents join us for the occasion. I noted the smiles and pride of our award recipients, the proud teachers and parents and the supportive students. It was a great way to congratulate our students and celebrate the many successes of our school. My thanks goes to everyone on our Awards Committee for your great work in organizing this year's ceremonies. It was an excellent day.

On Wednesday evening, Mr. Rossiter and our Drama Department hosted and participated in the District Drama Showcase. It was an evening of talent, laughter and comradery. Our Drama students earned Top prize in several categories and showcased their talents to a very appreciative audience of students from across Surrey. Congratulations to our DragonTales Theatre company!

Also on Wednesday evening, we held our First Dry Grad 2020 Committee Meeting. It was wonderful to see such a strong turnout of parents in support of this very important initiative. This year's Dry Grad 2019 celebration continued our excellent Fleetwood Park tradition of Dry Grad. I would like to thank all parents who helped support Dry Grad 2019. Your hard work and dedication resulted in a very successful Dry Grad and directly supported the safety and well-being of our graduating class. I look forward to working with next year's committee, and am confident that we will again create a safe, fun and memorable event for the Fleetwood Park graduates of 2020.

On Thursday, students were requested to clean and clear their lockers as part of our regular year-end processes. This is an important task at this time of the year, and requires the cooperation and hard work of the student body and staff. Great thanks to everyone for your help in ensuring that our beautiful school is properly cared for and prepared for the summer break.

This week our Art students have displayed their most recent works of Art. Beautiful!

Tomorrow is Friday and our last day of regularly scheduled classes for the 2018/19 school year. For those students without Provincial Assessments, it will be their final day before their summer break! Next week we will be holding English 12, Communications 12 and Numeracy Assessment exams. Please see the Exam Schedule posted around the school and on our website. The school will be open for Semester Completion Days from June 24-27th. Students with incomplete assignments/assessments are encouraged to organize a time with your teachers to come into the school to complete this work. Again, please see our website for a description of each Department's Semester Completion Days schedule/activities.

Enjoy your Friday, and a very well deserved break this weekend.

All the best,

Ken
