In The News

[Surrey students fare well at B.C. French-language competition – again](#)

Peace Arch News

Posted May 11, 2019

Fleetwood Park's Kaitlyn Lu and Earl Marriott's Ben Tyler took home gold from provincial French speaking contest.

Kudos

Congratulations to our Fleetwood Park Dance team for your performance in Kelowna last weekend!

Congratulations to all cast and crew of "Into the Woods"! I had the chance to watch the show on Closing Night and was so impressed. Special thanks to Mr. Rossiter and Mr. Robinson for your countless hours of direction and mentorship. This is now a very special part of our Dragon Tales Theatre Company history; and our students will remember this experience for the rest of their lives.

Home of Dragon Pride
"Building Successful Futures"

Congratulations to all members of our Gardening Club on your very successful Plant Sale last weekend. Funds raised will help support our School Garden project.

This Week at Fleetwood Park - Principal's Message: May 13th – May 17th

Hello Dragons and thank you for all your support of Fleetwood Park Secondary's Cancer Awareness/Fundraiser Week! Throughout the week staff and students have been busy with special events and fundraising for this very worthy cause. Special thanks to our Student Council student leaders and staff sponsors for all of your hard work. This has been a special week for our school, and we have again demonstrated that amazing things happen when we work together! Congratulations Dragons!

On Monday our Department Heads met to review year-end processes. The next month and a half will be very full. We are looking forward to the many annual traditions related to year-end and graduation. Students, you are encouraged to focus, work hard and finish your year strong! The remaining time left in the 18/19 school year will move very quickly.

This week many of our students have been writing their Advanced Placement Exams. On Tuesday, we held the session for AP Calculus. It was excellent to see so many students writing the exam this year.

Also on Tuesday, we hosted grade 7 students from William Watson Elementary school. These future Dragons had the opportunity to attend our annual Science Inquiry Showcase, go for a tour of the school, practice opening a lock, learn about "Dragon Fire", and hear about the many exciting clubs that will be available for them next year. Great thanks to Mr. England's Leadership students and all of our Science 8 students for hosting and welcoming our guests. It was a great morning of fun and a wonderful orientation to our school.

At lunch time on Tuesday, as part of our Cancer Awareness fundraiser, Student Council hosted a pie throwing competition and a Tug-of-war. Bravo to the brave teachers who volunteered to be targets for those flying pies – Mr. Lavoie, Mr. King, Ms. Marti, Mr. Korbitt, Mr. Toth, Mr. Rettie and Mr. Kirincic! A good time was had by all. J (And all of our brave volunteers had the pleasure of tasting those delicious flying pies!)

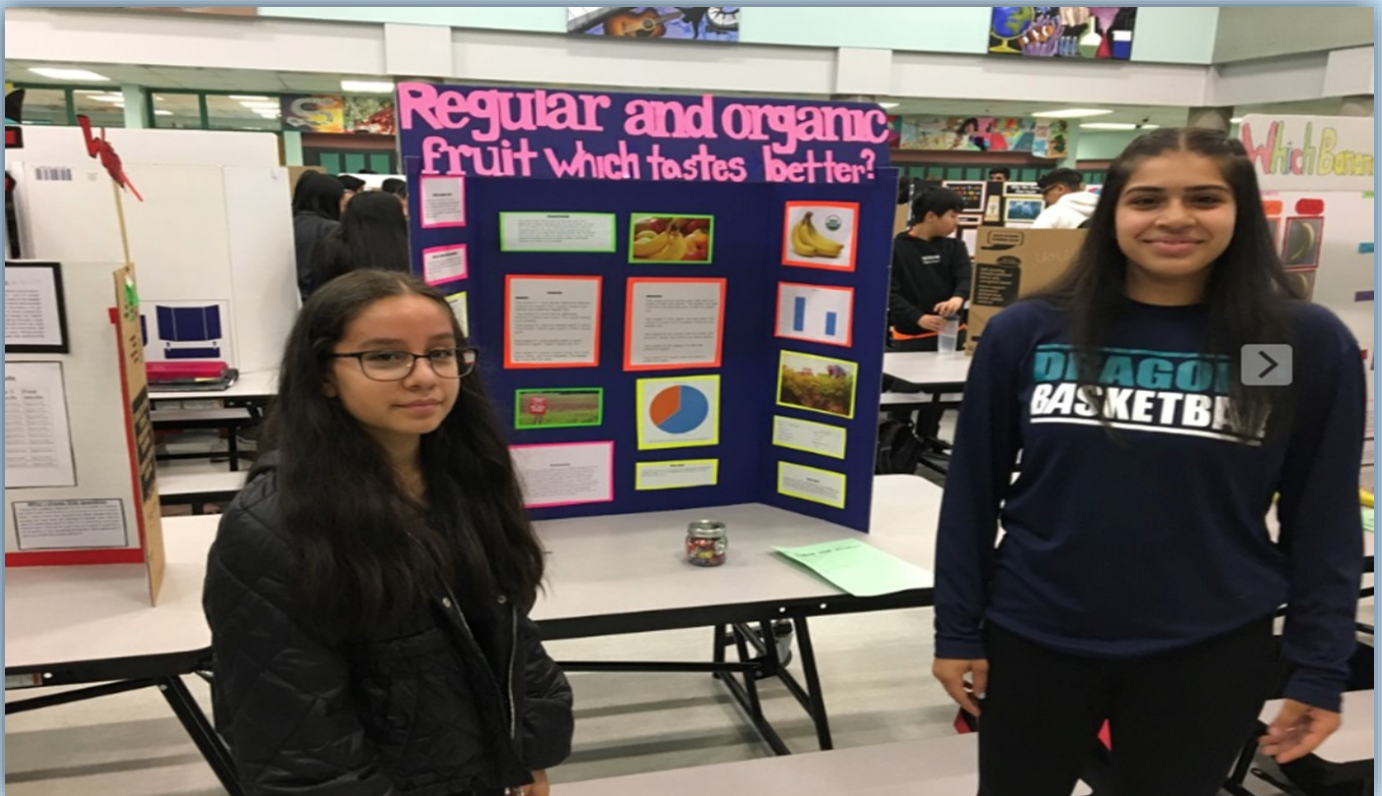

On Wednesday, the fun and fundraising continued with the dunk tank. To the delight of our students, numerous staff volunteered to be “dunked”. The weather cooperated with a little sunshine, and we all enjoyed a refreshing dip! It was wonderful to see our school spirit in action. Again, thank you to all organizing students and staff; to all of our participating staff, and to all of our students who helped contribute to raise funds for Cancer research.

On Thursday morning we invited Grade 7 students from Coyote Creek Elementary to our school. It was a very busy morning with almost 100 guests in the building and was another very positive and warm welcome for our future Dragons. I was very impressed with the creative Inquiry Projects produced by our Science 8 students; and the Scientific Method that was incorporated into their studies. Well done Science 8!

On Friday, we will conclude our special week with the Fleetwood Park "Flame Games". This will be another entertaining fundraiser that showcases our students cognitive and physical talents in friendly competition. It promises to be a high-energy, loud and energetic occasion with wonderful school spirit and Dragon Pride. Thank you to our Leadership students for organizing this event!

As you can see, it has been a full and fun week of learning for our Dragons. I encourage all students to enjoy these last weeks of the 18/19 school year by getting involved and making a difference. I thank all staff for your hard work and contribution to our Fleetwood Park community at this very busy time of year.

Enjoy your Friday and the Victoria Day long weekend. It promises to be a nice one! We will be back in session on Tuesday, May 21st.

Yours in education,

Ken

Fleetwood Park Secondary School
