Wednesday, June 5, 2019	9:50 am – 2:45 pm	Ms. MacDougall	Fleetwood Public Library

This Week at Fleetwood Park - Principal's Message: May 27th – May 31st

Good morning Dragons!

We are now in the final phase of our 2018/19 school year, and school-life is exciting and full. During the final weeks of May and June, our students and staff are very busy completing their curriculum, planning and celebrating learning successes with our many year-end traditions, and planning for next year. It is a very important time for our students to remain focussed on learning and the completion of their goals. All students are encouraged to continue to work hard and finish your year with strength and pride.

For our Dragons, learning takes place both within and outside the classroom. Mr. Heggie's and Ms. Forsyth's classes enjoyed their opportunity to learn about Dragon Boat racing and teamwork last week. Although it was a little overcast and wet, our students did well and had fun.

On Sunday evening we celebrated with our Graduating students at the 2019 Dinner Dance and Dry Grad. Our students arrived at the ballroom in Langley dressed in their formal attire and looking wonderful. They enjoyed a very special evening together with good food, dancing and friendship. After the Dinner/Dance, students were bussed to the Cloverdale Recreation Centre for the Dry Grad. Great thanks to our parent run Dry Grad Committee for all your work in creating a safe and fun evening/early morning of entertainment for our students. The entire evening was a great success! Thank you to all staff who assisted with the evening and to those who attended in support of this year's graduating class.

"Building Successful Futures"

Monday was a Non-Instructional Day at the school, and a good opportunity for our graduates to catch up on their sleep! On Monday evening our Parent Advisory Council held their final meeting of the year and we were able to review the numerous events and activities occurring at the school over the last 2 months. I would like to take this opportunity to thank parent Ms. Maria Boothman for your leadership as PAC Chair, and all PAC members, for your gifts of time and support of our Fleetwood Park community. You have made a direct difference in the lives of our students and staff. Thank you.

This week we managed to squeeze in another Evacuation Drill between rain storms. The building evacuated very quickly, and students/staff were assembled in an organized manner. Great work Fleetwood Park! We have one more evacuation drill scheduled for the beginning of June.

Our Garden Club has been busy this week. The planters have arrived, and our team of staff and students have started building our garden! Although still in its infancy, the project is starting to take form, and will be a wonderful addition to our school.

This week our Athletics Department has been exceptionally busy! They are hosting the Girls Provincial Soccer Championships. Competition began on Wednesday at the Cloverdale Athletic Park. Final games will take place tomorrow. Congratulations to our Sr. Girls Soccer team on all your success this year, and good luck at the Provincials. Also, special congratulations to Mr. Uppal and our Athletics staff for your leadership in hosting the tournament.

On Wednesday evening I had the privilege of attending our District's Aboriginal Honouring Ceremony for this year's graduating Aboriginal students. It was a very special celebration of education, culture and family. Congratulations to all of our Aboriginal graduating students. We are very proud of you.

This afternoon we will be meeting with our Assistant Superintendent to review Fleetwood Park's School Plan. Our current goals focus on Aboriginal Education and the development of our students' Core Competencies. We have much to be proud of, with many accomplishments. This will be an opportunity to review our strengths and examine areas for future growth. The document/process is designed to be forward-looking and dynamic. Please contact me if you would like to discuss our School Plan.

And with that, the month of May is over... June is before us... and all that it will bring for year-end learning, assessment, celebration and closure. We look forward to sharing this time together!

Have a great day tomorrow and a happy weekend. See you on Monday.

Ken
