

Love STEM? Love kids? This is for you.

HIRING JUNIOR INSTRUCTORS

Are you in grade 10, 11 or 12 and interested in working with kids this summer? Are you passionate about sharing STEM in a hands-on learning environment?

Come join us as we share the wonders of STEM with youth in BC. Volunteering locations available at UBC, VSB Schools, Surrey, Ladner, North Vancouver, and North Delta.

For more information and details about the application, visit geeringup.ca/volunteer or contact us at volunteer@geeringup.ca.

Thinking about pursuing a degree in STEM?
Curious about the University lifestyle?

HIGH SCHOOL ASAP SUMMER PROGRAMS

Geering Up has revamped our High School Program! Join future leaders and changemakers from across Canada and around the world as you study cutting-edge technologies and concepts in today's STEM fields.

Class discussions, lectures and hands-on activities will be guided by university students. Our goal is to empower High School students to solve tomorrow's problems and give them an opportunity to connect with like-minded peers.

The 4 streams we offer are:

- Biomedical Engineering
- Integrated Engineering
- Software Design
- Sustainability in Engineering

Overnight programs are also available for participants who want to experience living in UBC residence. For more information, visit geeringup.ca/highschool or contact us at highschool@geeringup.ca.
