

Cindrich Elementary

13455-90 Avenue, Surrey, BC. V3V 8A2 Ph: 604-590-3211

Dear Families;

We hope that you and yours are all well and have had lots of time with loved ones over the break, even if some of it was virtual.

Since the government suspended all in-class instruction on March 17th due to COVID-19, the school districts have been working hard behind the scenes to plan for a new reality during this unprecedented and unpredictable time. I can assure you that educators have been working hard over Spring Break to plan for the weeks ahead.

As the school staff returns to work on Monday, March 30th, we will begin our planning process to ensure continuity of learning for students. You will hear from your child's teacher before the end of the week on initial learning plans. What's important during this week is for our school staff to make a connection with each and every one of our students, to assure them that we are here for them and that we are thinking of and planning for them moving forward.

We ask that families stay tuned to emails and FreshGrade announcements. We ask you to continue being patient as distance teaching and distance learning in this context is new to teachers, students and parents. Due to physical distancing and limits to gatherings, we ask that you do not come to school to pick up school supplies at this point in time. The school playgrounds will also be closed.

We appreciate your time and patience while we navigate this new reality. Cindrich has an amazing school community and I have every confidence in our staff, our students and our parents to work together to navigate this new reality. We will get through this together!

We wish you and your family all the very best during this challenging time, please stay tuned, stay safe and stay healthy.

Patty Maharaj- Principal
Laurel Smith- Vice-Principal
