

Vaping Presentation: Guildford Park Secondary

Please join Fraser Health and the Surrey School District in addressing vaping to:

- Learn more about **vaping products**.
- Learn more about **federal and provincial legislation** around vaping.
- Review the **best current evidence** regarding potential health consequences of vaping.
- Discuss **Surrey School District and Fraser Health initiatives** to increase knowledge and capacity of staff, families, and students to engage in dialogues and make informed decisions regarding vaping.
- **Ask questions** you may have about vaping.

Staff, Parents, Youth, and Community Service Providers are welcome.

Coffee and refreshments will be provided.

Date of Presentation: April 16, 2019
