

VISUAL ARTS

Mail Art Exhibition

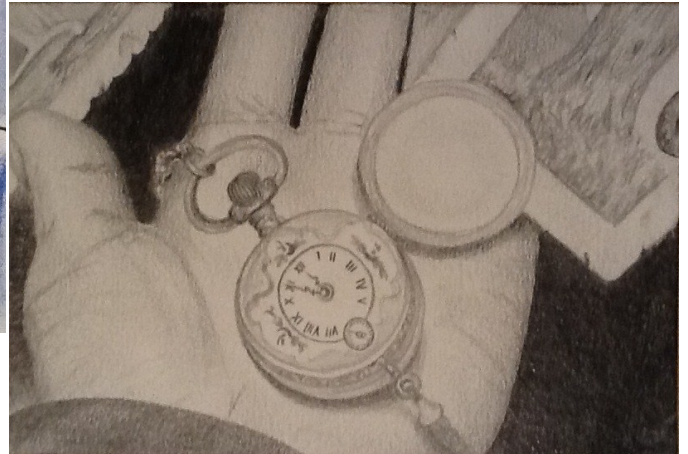

Artists from all over the world are invited to contribute their work for the Richmond Art Gallery's International Mail Art Exhibition and Swap.

Mail Art also known as Postal Art, is an art form where artists exchange artworks and correspondence through the mail. The theme of this exhibition is "memory". This could include individual memories, collective memory, favourite memories, memory loss, memorization, and in memorial.

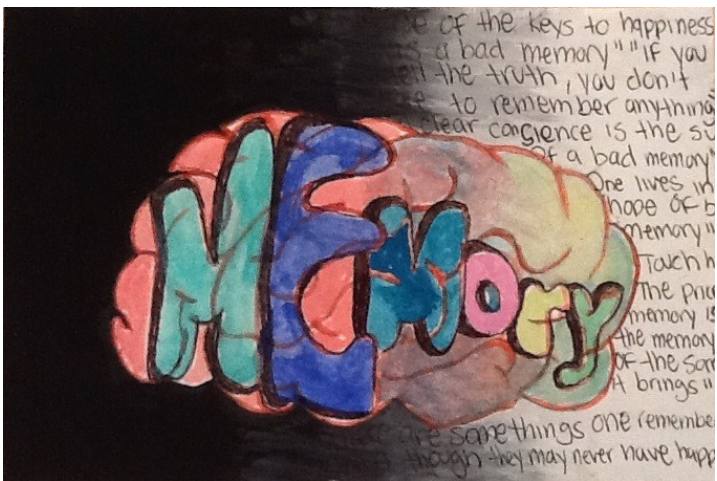

My students did this as a small assignment, and could choose to participate in the exhibit if they desired. I felt this was a wonderful opportunity to provide my students a chance to exhibit in an International Show.

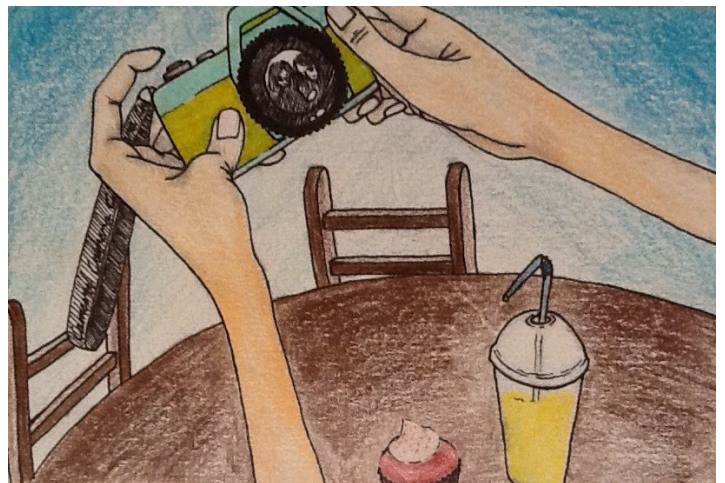

Thomas Benaso - Grade 11

Ruth Landicho - Grade 11

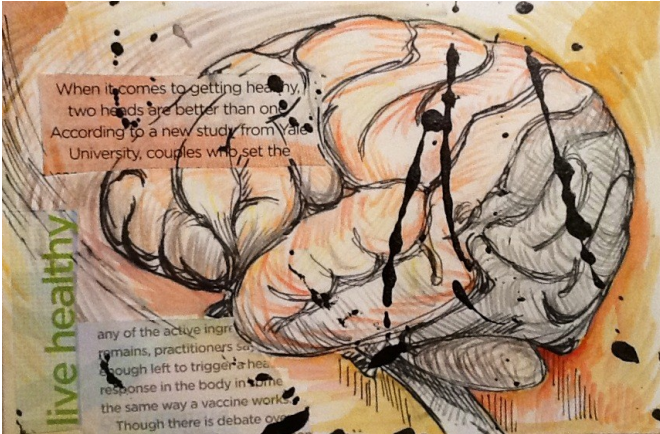

Amara Sum Grade 12

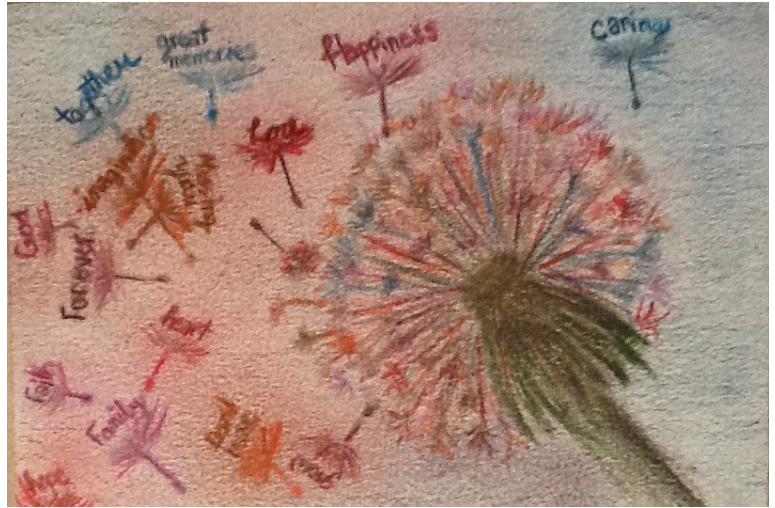

Sinhyu Jeong Grade 9
