

# Volunteer - Information Package

Thank you for volunteering with Surrey Schools. As our shared priority is to ensure student safety, Surrey Schools requires that all volunteers participating in school-related activities, whether employees, community members, parents or guardians, provide a criminal record check. This guide is here to support you with obtaining the required information.

Volunteers play a crucial role in fostering a vibrant school community. We sincerely appreciate your understanding of our volunteer application process, dedication to student safety, and the generous donation of your time. Your efforts provide students with invaluable opportunities that may not otherwise be available to them.

Should you have any inquiries or need further assistance regarding the requirements outlined in this document, please don't hesitate to reach out to your school's office.

#### Criminal Record Checks (CRCs)

Under the Criminal Records Review Program (CRRP), School Boards are mandated to ensure that all school volunteers with the potential for unsupervised access to minors complete a criminal record check. The School District appreciates your understanding that requesting this check is both a legal requirement and part of our commitment to student safety. Recognizing that there may be sensitivities around providing such information, the School District assures confidentiality. **Please note**: The CRCs received by the district only indicate "cleared" or "not cleared"—they do not include details of any infractions.

## **Volunteer Criminal Record Check FAQ**

## Q. How Long does a Criminal Record Check (CRC) clearance last?

A. A CRC is valid for 5 years. If a volunteer is charged or convicted of an offense within the 5-year period, they are required to report immediately to the Manager or Principal at the site. A new check will need to be done.

## Q. How much does a Criminal Record Check cost?

A. A volunteer CRC is free of charge.

#### Q. How long does it take to process and receive a clearance?

A. Volunteer CRCs can take 4–6 weeks to process. In most cases, they are completed within one week. Volunteers are encouraged to apply for a CRC at the beginning of the school year if they anticipate volunteering at any time during the year. Please Note: Once you have submitted your CRC application—either online through the PSSG Security Programs Division or in person through Human Resources—your school will follow up with you to confirm when you may begin volunteering.

## Q. Will I need to provide my fingerprints?

A. The CRRP conducts a check on every volunteer processed through the program; however, only those who share a similar combination of name or date of birth as a record of a suspected sex offender will be requested to provide fingerprints. If an individual is flagged for fingerprinting, the CRRP will issue a Fingerprint Request Letter directly to the applicant. Surrey Schools will not be notified of the request.

A: New CRCs are not required for staff, as these have already been completed for all school district employees.

### Q: Can I get a copy of my criminal record check?

A: As per the Criminal Records Review Program we cannot hand out copies of the criminal record checks. If another organization that is a part of the CRRP is requesting a copy of your CRC, you can ask them to provide you a Sharing Consent Package. The CRRP will provide a copy directly to that organization's authorized contact at no charge.

## Volunteer Drivers - Information Package

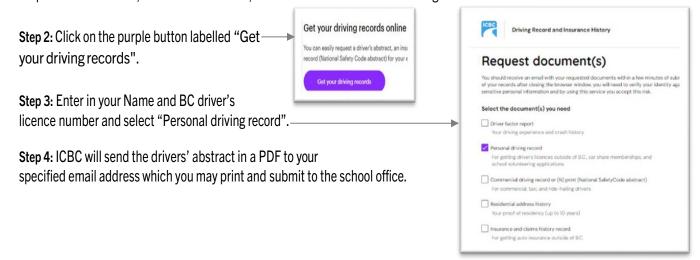

In addition to criminal record checks (CRCs), all volunteers who transport students as part of their volunteer activities are required to provide a driver's abstract and complete a Volunteer Driver Application form, in accordance with Surrey Schools Procedure 10313.1 - Volunteer Drivers.

#### **Driver's Abstract**

A driver's abstract is a record of an individual's five-year driving history. BC residents can quickly and easily obtain a free copy of their drivers' abstract at <a href="Driving record">Driving record</a> (icbc.com) by following the steps outlined below.

## **Obtaining a Driver's Abstract:**

Step 1: Go to <u>ICBC.com</u> and on the top tab bar hover over "Driver Licencing & ID" and select "Your Licence" from the drop-down menu. Next, in left-side menu bar, select the tab labelled "Your driving record".

**Surrey School District** 14033 92 Avenue, Surrey, BC V3V 0B7 Tel: 604-596-7733 | www.SurreySchools.ca

#### How are volunteer driver's abstracts evaluated?

To qualify as a school district volunteer driver, the abstract must show:

- 1. Driver Status: Normal/Hold
- 2. No more than two Motor Vehicle Act violations in the past three years
- 3. No more than three points in the past three years
- 4. No suspensions or prohibitions in the past five years

Please ensure your volunteer driver application includes a driver's abstract **issued within 30 days** prior to submission. If a motor vehicle violation occurs during the school year that affects your eligibility, notify the school principal promptly and discontinue volunteer driving duties immediately.

#### Novice ("N") Drivers

- While individuals with a Novice licence are not prohibited from volunteering as drivers, please be aware of the following:
  - Licence restrictions limit Novice drivers to transporting only one passenger.
  - School Board policy requires written parental consent for any child being transported by a Novice driver.

Due to these limitations, schools consider these factors carefully when reviewing applications from Novice licence holders. If you're interested in having your child volunteer as a driver, please contact school staff for further guidance. **Please note:** Student drivers must provide a recently issued driver's abstract.

#### **Automobile Insurance**

In the unfortunate event of a vehicle accident while on school district business, insurance claims are satisfied pursuant to the terms of the insurance coverage carried on the vehicle involved. The School District does <u>not</u> provide physical damage insurance or primary liability coverage for volunteer or employee vehicles used for school board-related activities.
