## Principal's Message

It's a cool time to be at H.T. Thrift. Our Skipping Club, Beading Club, Art Club, and Dance Club are all up and running while the Badminton team continues to represent our school. Meanwhile, there are numerous other things going on.

It was so wonderful having our first assembly (in a LONG time) yesterday. We want you to know that your children were fantastic! They set high standards for behaviour at an assembly, and we were proud of them. At the assembly, students were introduced to Jump Rope For Heart. An email was sent to parents/guardians yesterday with the information. The actual event will take place at H.T. Thrift on Monday, May 2<sup>nd</sup>. Thank you to **Ms. S. Filipovic** for putting together all the information and presenting it at the assembly.

We are excited to have our first large-scale field trip tomorrow. The intermediate classes will be watching a fun movie. Thank you in advance to the parents who will be driving. Thanks also to **Ms. L. Ordeman** for doing the behind the scenes work for the event.

We are also excited about hosting a film festival for our students next Thursday. Our grade 7's are putting that together.

The next Spirit Day is April 29<sup>th</sup>. It will be Thunderbird Spirit Day.

Mr. B. Samra,  
Principal

**A Glance Into Division 13:** The students of Division 13 continue to work hard on their reading skills. They have been focusing on their reading strategies: making meaning using predictions and connections; making meaning of stories using pictures, patterns, memory and recognizing familiar words. They have also been focusing on the structure of story: beginning, middle and end. This week they made crafts of themselves reading their favourite book. 📖
