## Principal's Message

Welcome back from the break! I hope all our families and staff enjoyed a safe and relaxing break.

We wanted to keep our caregivers informed about some of the messages that the students have been getting at the school this week.

First off, nobody should be riding on wheels on the school grounds from 8:15am until 2:45pm (15 minutes before and after school). This is for the safety of everyone. If your child does bring a bike, scooter, skateboard, etc. to school, please ensure they are walking the vehicle while on the school grounds during the school day.

Also, every Friday, the primary and intermediate students will be switching their Recess locations. Thus, primaries will be on the lower gravel field and basketball court, while the intermediates will be on the playground. Given how wet the gravel field can get, please ensure your child has proper footwear.

Finally, please remind your child that they should not be climbing anything while at school. This includes trees, poles, etc. We want to keep our students safe.

The PAC Meeting that was supposed to be yesterday has been postponed until April 6<sup>th</sup>. Remember that all parents/guardians of Thrift students are part of PAC and welcome to attend the meetings.

Our next Spirit Day is on April 8. It will be Fancy Friday.

Mr. B. Samra,  
Principal

### Art by Elementary Students Exhibit

We are thrilled that the artwork from two of our own H.T. Thrift students is on display right now at the Surrey Art Gallery. Elvis Wen in division 2 created a piece of art entitled "Sun Stone Art". Zainah Mesmar in division 9's art project is called "Winter Snowman".

The Art by Elementary Students exhibit will be running until May 1st at the Surrey Art Gallery. This year, 51 students from across 17 different elementary schools were selected to show their art at the gallery. Admission is free during regular operating hours if you wish to see this amazing art in person.
