Message from the Admin

We were very excited this week to unveil our new logo! To review... this year-long process started when our students voted to change the name "Magic". We decided that we wanted a name that was more reflective of our community. They then voted to change our name to "Wolves", which is well-ingrained in Aboriginal stories. From there, many students submitted a Wolves logo. The students all voted, and it turned out to be a two-way tie. Congratulations to **Reagan A.** (gr. 6, Div. 7) and **Brogan M.** (gr. 4, Div. 11) for making history and creating our new logo. We then asked **Trenton Pierre** (a professional Indigenous artist) to take the two submissions and make the final logo. We are happy to showcase it at the topic of this page. The community is still welcome to use the name Magic for the rest of this school year (as we transition), but we will be considered Wolves from here on in.

The unveiling took place at the cultural assembly this week. Thank you to **Mr. M. Shortridge's** class for putting on the assembly.

We also have some important news to announce regarding our administration. As you may know, Ms. Banjac will be starting a Maternity Leave in May. We are happy to announce that **Mme Susanne Christmas** (an Intermediate teacher) will become our Acting Vice-Principal for May and June. We are excited to work with Mme Christmas in this leadership role.

Our Student-Led Conference will be on Wednesday. As we are unable to actually meet due to COVID, our staff has created various ways to connect. You will hear from your classroom teacher what that will look like for your child(ren).

Another COVID-related change has our StrongStart program has moving to online learning. For more information, please contact our SS Educator **Ms. S. Trentini.**

You may have noticed that our flag is flying at half-mast. All schools were asked to do this to respect the passing of Prince Phillip.

Our neighbours on 184B Street have asked that we remind everyone that there is a partial no-parking area there. It makes it difficult to enter/leave when cars are parked illegally. Please remember to park on the legal side of the sign.

We received information this morning about the Ministry-mandated Early Dismissal days. The information is elsewhere in this week's WAG.
