This has been quite the week with isolation letters at our school. The good news is that the exposures have not spread, but we hope those students who had to self-isolate are all feeling well physically and mentally. The challenge of COVID is ongoing, so let's all remember to keep reinforcing the rules:

- washing hands when entering and leaving rooms
- visitors minimizing amount of time in the building
- leaving the playground immediately after school
- staying home if the student has any symptoms
- wearing masks for those who are mandated
- encouraging masks for everyone else
- using water fountains to only fill bottles/cups (the drinking part is closed)

Please remind your child(ren) of these rules.

Please also check out this short video made by the Surrey District and feel free to watch it with your child(ren):

Martha Currie has a new twitter handle. The handle is @CurrieEcole . If you are on Twitter, please feel free to follow.

Thanks to our PAC, we will be hosting an online "Laughter Brain Exercise Party" on Wednesday. All classes will participate. For more information, please check out: www.thinkyourself.com/school-programs and click on "Laughter Yoga".

Masks

Just a reminder to send a mask with your child to school.

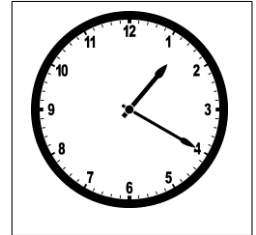

Effective Saturday, March 27, the Surrey School District began the implementation of an Order of the Medical Health Officer, specific to Face Coverings in Surrey Schools.

This Order is specific to our district and requires all K-12 staff and all students in grades 4 to 12 to wear non-medical masks in all indoor areas, including when they are with their learning groups.

The District has approved 3 Early Dismissal days, so schools are provided an opportunity for their Health & Safety committees and school staff to review and revisit health & safety plans.

Dismissal time is 1:20 pm and is on the following days:

Friday, April 30, 2021
Friday, May 14, 2021
Monday, June 7, 2021
