Principal's Message

Last week's Walk for Water was a fantastic event! Not only did we donate \$1775.50, it was a great learning experience for our students. Hopefully they developed some empathy for the plight of kids around the world who don't share the same privileges we do. Thank you to the **Ms. C. Logan-Estey** and the kids from the Spirit Team who initiated the idea and ran the day. Thank you also to everyone who sponsored a walker.

As our Ultimate season is starting to wind down, our Track and Field practices will begin next week. Please encourage any of your children in grades 3-7 to get involved.

Thank you to everyone who has donated sports equipment and bikes to REC for Kids. Please remember that Monday is the last day to bring in items.

Next week, we hope to see many parents out for Yoga with **Line Grantham** on Monday and the Saleema Noon presentation on Tuesday night. Thank you to our PAC for sponsoring the Sexual Health presentations that our grades K-7 students will be getting next week. Please be sure to see the information sheet that was sent home for more information.

Tomorrow is the last day that our E.A. **Ms. P. Brar** is scheduled to work at our school. We thank her for her friendly nature with the students and wish her good luck going forward. We welcome back **Ms. A. Vincent** from her Leave!

Mr. B. Samra,
Principal
