Principal's Message

Welcome back from Spring Break! This last term will be so active with the events and experiences we have lined up for the students that it will fly by. It is awesome that O.C. is such a busy school!

The first event is the Destination Imagination team's Provincial Tournament. It will take place on Saturday at Johnston Heights Secondary School. Anyone who is interested in checking out the teams or the program is welcome to attend.

I would like to welcome Aki Hayes and Rakesh Tejpal to our team. Aki is the new member of our Lunchtime Supervisory Aide group. Rakesh is our new custodian for the near future.

We hope to see many of you out to tomorrow's PAC Meeting at 9:00am.

We also hope to see many families at the Mathnasium Night in one week. As Numeracy is tied into one of our School Goals, this will be a good opportunity to see Math in action. There will be food, fun and prizes that evening. We are still looking for volunteers (adults or older students). If you know anyone who is interested in running a table (with training provided), please click the link elsewhere in today's WAG.
