Science Fair – Family Viewing 10:45 am

Fri, Feb 28th

Grade 7 Popcorn Sale

Intensive French Info Meeting

If you are considering Intensive French for your child entering grade 6 in September 2020, we strongly encourage you to attend our Parent Information Night on Tuesday, February 25 at 6:00 pm in the library. This will be led by Ms. MacLean, our Intensive French teacher, and Natalie LaRoche, District Helping Teacher.

School Science Fair

On Thursday morning, students in grades 4-7 will be gathering in the gym to show their Science Fair projects to the school. Judging will occur between 9 and 10:45 am. We invite our parents and grandparents to come into the gym between 10:45 and 11:45 am to view the projects and to learn so much more about the many interesting topics.

Hot Lunch Survey

As many of you know, our weekly Hot Lunch program is the largest fundraiser for our school and takes a team of volunteers to run, week in and week out. Your PAC could really use your help in taking a quick look at this program from YOUR point of view.

This survey is for all OC parents, whether you order hot lunch or not, and WILL take less than 60 seconds to complete. Please click [here](#). Thank you for your assistance. OC Hot Lunch Team

Lost and Found

Our Lost and Found bin is overflowing. Please come and find those missing clothes that have taken up residence in our hallway bin.
