Principal's Message

Welcome back from the Winter Break! I would like to give a special welcome to the numerous new students and families who have joined the Ocean Cliff family.

I would also like to welcome **Ms. T. Smith** back from her maternity leave. She will take her place teaching the Div. 15 kindergarten class.

This term is as busy as always. Basketball has started, and the Destination Imagination teams are up and running. Also, just today, the intermediate students received information about this year's Science Fair.

We would like to give early notice of some important dates:

-The Scholastic Book Fair will take place Feb. 6-8, and the School Science Fair will be in the morning of Feb. 22. All are welcome to check them out.

-Grade 5 parents should note that the Intensive French Information meeting is set for the evening of Feb. 27.

-The District Science Fair is scheduled for March 1st, and the Fraser Valley D.I. Tournament will be on March 3rd. Everyone is welcome to support both of those events, especially as there will be O.C. representation.

We hope our students are refreshed and ready to work hard again!

Mr. B. Samra,
Principal

Basketball

Gr. 6/7 boys and girls basketball season has started.
