Principal's Message

I would like to take this week's WAG to acknowledge a special anniversary. Our secretary, **Mrs. D. Tomkulak**, is celebrating her 10 year anniversary at Ocean Cliff. This makes her the longest serving staff member currently at our school.

Despite only working a part-time schedule, Mrs. Tomkulak is the most involved clerk I have seen in a school. She makes an effort to attend as many of our community events and staff events as possible. She is also a local historian when it comes to knowing the families that have gone through O.C.

I am particularly appreciative of the professional manner that Mrs. T. works. Not only is she great at her job, she is always willing to flex her schedule to meet any needs that may come up in the office. I have seen her come to work despite a migraine and then 'tough it out'. She is always positive and happy, and that helps make the office an enjoyable environment.

As well, Desiree is not afraid to go 'above and beyond' the call of duty. She has done her fair share of cleaning up after students got sick, she and Mrs. Eastgate are responsible for making the office decorative during celebrations, and Mrs. Tomkulak has even gone under bathroom stalls to unlock the door when we had a problem with this.

So, thank you to Mrs. Tomkulak for 10 years of being an integral part of the Ocean Cliff family! We are fortunate to have such a caring, warm, competent, and wonderful person helping drive the culture of our school.

Mr. B. Samra,
Principal

Chers copains à Marseille,

Bonjour et je vous remercie pour votre lettre. Je suis très fatigué maintenant parce que je suis malade. Comment allez-vous? Ici,heureusement il fait beau pour janvier, et je voudrais qu'il fasse beau parce que j'aime le soleil. Je vais raconter une journée dans mon école.

Le matin je me réveille à 5h. Je me brosse les dents, brosse les cheveux, et je m'habille à 8h00, je mange mon petit déjeuner à 8h15.

Pour aller à l'école, je vais en voiture. À l'école je parle en français, je dessine, j'écoute mon enseignante, je compte, et je fais des sports. J'aime bien les maths.

Pendant la récréation, je joue avec mes amis ou je fais mes devoirs. Pour le déjeuner, je mange de la soupe.
