Congratulations to **Ms. K. O'Connor** and her family on the birth of her baby girl! **Baby Olive** joined us last week 😊

We are looking forward to our mini-Sports Day tomorrow, as our senior students will have an opportunity to display their leadership skills. We recognize that it will be a small-scale version of what Sports Day normally is, but we are still excited about having it. We must emphasize to parents/families that this is NOT a spectator event. Our school is still following COVID protocols and cannot allow visitors to this event. Now, let's hope the weather cooperates.

We apologize for some confusion that has popped up regarding school supplies next year. There was an error that we have corrected with Edu-Pac. Please see more information elsewhere in today's WAG.

This is the time of the year that many students start to lose some of their self-regulation skills. They have worked hard all year under challenging circumstances. We bring that up as a wish for parents to remind their child(ren) that the last few weeks are important too. We need our students to hang in there and keep their respectful behaviour and work ethic.

Please remember that next Friday, 18<sup>th</sup> is our last Spirit Day of the year. It will be Hawaiian/Tropical Day.

Mr. B. Samra and Mme S. Christmas

## LIBRARY NEWS

All library books were due on June 11th. Please return books to the office or to your child's classroom teacher.

We still want students to keep reading during the summer. Register for the Summer Reading Club with your local public library.

## EDU-PAC School Supplies

Sorry for the confusion this past week on the EDU-PAC orders. Everything has been corrected and the website will be "up and running" at the end of today for orders. Some families have received a refund - if that applies to you, please be aware that you will need to reorder the supply list.

You will only be able to order on-line until August 16 - however we are asking that you order right away so that the company can order the inventory it needs to fulfill the orders.

## *Lost and Found Items*

*We have numerous items in our lost and found box.*

*Please encourage your child to have a look if anything is theirs. We will be donating anything remaining to charity.*

The Surrey District is inviting the grade 7 French Immersion students and parents to participate in a short, important survey. The purpose of this survey is to better understand factors that impact a student's decision to remain in a French Immersion program for the duration of their language studies.

Participants include students in grade 7 to 12 registered in a French Immersion program in Surrey this year, and their families. The survey will take approximately 5 minutes to complete. All submissions are anonymous and data is collected confidentially.

Here is the information:

**What:** Surrey School District French Immersion Survey

**Who:** French Immersion students registered in grade 7 to 12 this year, and their families

**How:** Email this information and [survey link](#) to participants

**When:** Survey Completion Dates **June 8<sup>th</sup> - July 2<sup>nd</sup> 2021**

Thank you for taking the time during this busy month of June to participate!
