

Ocean Cliff Elementary

Week at a Glance June 18-22, 2018

Principal: Mr. B. Samra

Principal's Message

I am happy to announce that we now know the name of the new Ocean Cliff principal. **Mr. Andy Zadeiks** will be the leader of Team Thunder in September. Andy is a very experienced administrator who is currently the Acting Principal at Sullivan Elementary. We welcome Mr. Zadeiks to O.C.!

I am also happy to announce that **Mr. C. Naylor** has been promoted to the role of vice-principal for the Surrey School District. As happy as we are for him, it is bitter-sweet because Mr. Naylor will be leaving Ocean Cliff next year. We wish him the best in his new role as VP at Harold Bishop Elementary.

I will be announcing more staff movements in a future WAG.

This week was great for Literacy and the Fine Arts. Our students had an opportunity to get books at the Book Swap. A big thank you goes to **Suzanne Brunke** for leading the organization of this event. Our Music classes and Band program were showcased at an assembly yesterday. I am very proud of all the awesome talent we have at OC. A big thank you to **Mr. M. Cumblidge** for teaching such a great variety of songs and instruments for the music portion of the assembly. Thank you also to **Mr. M. Lord** for setting such high standards for our Band program. We have been lucky to have two fabulous teachers in these fine arts.

As the end of the year comes ever so closer, stress and angst predictably increase in some of our students. If you are finding that your child is dealing with anxiety, please listen to their needs and be a sounding board for them. Remember that our students have been using the Zones of Regulation to help them go through their feelings. The kids have worked hard all year, but we need to ensure they are staying in control in order to get through the last portion of the school year!

Mr. B. Samra,
Principal

Hello from the library,

It is that time of year again to return all library books. Please look for your books and send them back to the OC library to avoid overdue notices being sent home. Thank you all for the great year we had with books!

Used School Supplies Collection Starts June 18!

Canadian Food for Children, B.C. Division will be collecting discarded school supplies starting June 18. These supplies are shipped to underdeveloped countries all over the world. If you have new or used supplies and would like to donate to this worthwhile project there will be a drop box near the office for collection purposes.

Items needed include: Pens, pencils, any kind of paper (even used on one side), chalk, board brushes, glue, file folders, notepads, rulers, duo-tangs, exercise books, crayons (pencil & wax), paint sets, math sets and school bags.

Unfortunately, this charity group no longer accepts: Binders, books, magazines, or large rolls of paper, and used felt pens (tend to dry out quickly during the time it takes to ship the supplies)

Book Swap 2018

The 2018 Book Swap was a big success with plenty of books exchanged for summer reading. We had almost 2000 books donated, and a big thank you to the Rotary Club who donated 6 boxes of Young Adult novels for our older readers. They will get the remaining books for donations to their many local programs. Many volunteers helped this year; thanks to Daisy, Heather, Lindsay, Brenda, Line, Sukhi, Rebecca, Colleen, Kevin and many more parents who stayed after sports day to help sort, move tables and organize all of the books.

Thanks!
