Message from the Admin

We have another addition to our Martha Currie family. Congratulations to **Ms. S. Banjac** on the birth of **Baby Malcolm**. He was born on June 12th 😊

Our staff typically would like to do an in-person Parent Appreciation because we really do appreciate the parent community at MC. With COVID restrictions, the staff decided to at least put together a video as a thank you. It is on Mme Christmas's private YouTube Channel, and you can access it here:

Sports Day was so much fun. The team managed to make it work well despite the COVID restrictions. Thanks to the grade 7's for the fabulous leadership in running the stations and, especially, for coming to school early to set up and leaving late for clean-up. Thank you to **Ms. D. Ariello** and **Mr. M. Shortridge** for their leadership in organizing the event and to the grade 7 teaching team for guiding the students.

Without visitors allowed, you won't have seen some fantastic new Indigenous art in the Library Learning Commons, so we have attached a link with a video to showcase it. We are proud to continue moving forward with our school goal of increased diversity: <https://youtu.be/Olwu0SuXkGg>
