We had an entertaining assembly on Tuesday with Flyin' Bob. The acrobatic show with a message involved many of our students having fun on stage. Thank you to our PAC for bringing in these learning experiences. Today, many of our classes are showcasing their own Fine Arts skills in an assembly.

This is a big week for PAC. The elections are tomorrow, and the Spring Fling is Saturday. Remember to buy your Spring Fling tickets (and the WestJet raffle tickets) by tomorrow. It is an amazing prize! Ahead of the election, I would like to give a huge thank you to **Nealy Cragg**, **Rebecca Kieseewetter**, **John Murphy**, and **Matt Stacey** for all their never-ending hard work in putting on so many events for the benefit of our school. In particular, their work, along with **Michelle Smyth**, for the year-end activities has been unbelievable. Thank you for always taking care of the needs of our students!

Congratulations to our Ultimate team for their great season. They had their PlayDay last Thursday and represented our school very well! Thanks to our coach **Ms. K. Statnyk** for a great season.

Thanks also to **Ms. M. Ottenbreit**, **Ms. C. Logan-Estey** and **Ms. Helen Johnson** for all their important work to get our Track and Field team up and running. Yesterday was a great day, as all of our grades 3-7 classes had the chance to compete in a Meet.

Thank you to all the families who have reached out to me since I heard the news about being moved to Martha Currie next year. I sincerely appreciate the warmth from all of you, and it is just a reminder of how much I will miss the O.C. community. However, we still have a lot to do over the next couple of months, so the focus will be on ensuring a good end of the year.

Mr. B. Samra,
Principal
