## Principal's Message

We would like to wish **Ms. A. Vincent** the best, as she will be on a Leave for the rest of the year. Welcome to **Ms. Namita Sharma** to our E.A. team.

Thank you to all the parents who joined us for the Parent Appreciation Tea yesterday. It is just a small way for staff to give back a big thank you for the amazing support we get from our partners throughout the year.

We have made the donation for the Walk for Water fundraiser. The end amount raised was \$3,350 for the WE Charity. This will buy water for three communities for life and will buy seven goats for seven families to nourish and make money from the surplus. Great job by our Spirit Team!

The Spirit Team's next event is tomorrow's Crazy Hat and Sock Day.

Our Track and Field team is attending its final Mini-Meet today. We're fortunate that our coaches arrange for the students to participate in these events. The District Meet is next Wednesday.

Today is also our Welcome To Kindergarten event. It's always fun to see our new crop of Team Thunder at this event.

If you have any classroom placement requests for next year, please send them by Monday morning. Our staff works extremely hard to place each individual in the best setting for ALL of our students, but we are always mindful of any social-emotional or academic considerations you would like us to keep in mind. Please remember that we cannot possibly guarantee all request will be met, but we will seriously consider each.

Monday is of course a Pro-D Day, so we would like to wish our families a great long weekend!

## School Supply Lists 2018-2019

Ocean Cliff is excited to offer the opportunity for you to purchase your child's school supplies through School Start for the 2018-2019 school year.

Supply lists were sent home with each student earlier this week. They can also be viewed on our school website.

There are two ways to place your order:

- Online at [www.schoolstart.ca](http://www.schoolstart.ca) order now until August 1, 2018
- Paper order form with cheque payable to "School Start" Due back by June 15, 2018

### La foire francophone!

Grade 7 Intensive French students have been working on a series of projects that will be combined in our annual "foire francophone." We will be celebrating their hard work and learning in the library between 1:00 p.m. and 2:10 p.m. on Friday, June 1. Come check out their learning!

# Track & Field Information

We have had another great week for all Track and Field Athletes at O.C. Today's meet at South Surrey Athletic Park will be the final meet for all athletes who are not attending the District Meet. We have had a great Track Season and have enjoyed watching all the athletes practice and compete.

Yesterday, students were given a notice for the District Track Meet. Unfortunately, due to the limited amount of entries allowed, we are not able to bring everyone. We appreciate all the track athletes effort and commitment to the O.C. Track and Field Program this season, and hope to see everyone out again next year. Thank you to all parents who were able to help at today's Track Meet .

There is a mandatory Relay practice Tuesday morning at 7:40 am. All athletes going to Districts for relays must attend. **Please return the District Track Notice by Friday, late notices will not be accepted.**

For the District Track Meet on Wednesday, May 30<sup>th</sup> all athletes who are attending are asked to meet in the gym at **8:15am** . In the morning we will be taking attendance handing out their labels and informing them of their rides. We will then leave promptly to go to the track. Please come prepared for the weather and have lots of water, sunscreen and healthy food for the day! A reminder that we will require parent helpers at the Triple Jump as that is the event that OC is running. As well we need a parent/s to collect jerseys. If you have offered to drive we will have you driving. We look forward to the District Meet!

Sincerely,

OC Track & Field coaches

# Student Art

Today Mrs. Antone came into our class to teach about pictographs. We got to make our own rock with pictographs that had a deep meaning. My pictographs were a happy wise man who was making peace with nature. That means that he was giving back to earth by picking up garbage and helping animals survive. Also, I drew him helping the sockeye because their numbers are going down, so you can't fish them. I learned that how to draw simple pictographs, that listening is important to the First Nation culture, and a few words such as "huy'ch'qa," which means "thank you."

Concession Stand  
Volunteer  
Needed

Sports Day needs volunteers to run the concession stand, lend items (coolers, propane tanks), and drop off ice! Shifts are only 1 hour long so volunteers still have lots of opportunity to enjoy the day cheering on the kids!
