We say goodbye to another Supervisory Aide today. Thank you to **Ms. Joanne Hall** for your years of great service at Ocean Cliff! Joanne is very friendly with all the students and always has a smile ready for everyone. She will be retiring and will be missed by the staff and students at O.C. Good luck going forward!

With the end of the Dance Festival, I wanted to give kudos to all of our classes who were involved. The kids had a blast and represented Ocean Cliff very well. Thank you to all the teachers from Divisions 9 to 15 who worked so hard to prepare the dancers.

Thank you to all the parents who joined us for the Saleema Noon presentation on Tuesday. Our students had their Sexual Health sessions yesterday and today. Unfortunately, we found that there was miscommunication amongst some parents about the topic. In the future, if parents are ever unsure about content for anything our school is doing, please speak to your teacher or me about it.

In sporting news, our intermediate students had a great opportunity to meet **Hilary Caldwell** today at an assembly. She is an Olympic Bronze medalist who is from this area, so it is special to hear an inspirational speech from a local! Meanwhile, we wish "Good Luck" to our Ultimate team that is at their PlayDay today. Next week, all grades 3-7 students will be able to participate in a Track and Field Meet.

All of our students will be enjoying Flyin' Bob next week. This is another Fine Arts assembly that our PAC has helped fund.

Thank you again to **Herjit Driver** for organizing and picking up all the donated equipment for REC for Kids. In a great twist, it turns out that one of our own families started the REC for Kids program: **the Egitto Family**.

Finally, on behalf of the staff, I would like to thank the parents for an amazing Staff Appreciation Lunch yesterday! We were all happily stuffed with great food and a touching video. We all wish our families a wonderful long weekend, as we dive into our Professional Day tomorrow.

Mr. B. Samra,
Principal
