Mr. Samra would like to officially welcome **Mme S. Christmas** to her role as Acting VP, as Ms. Banjac has started her Maternity Leave. We would also like to welcome **Ms. Amanda Van Garderen** to our staff. She has taken over Ms. K. O'Connor's class during her Maternity Leave.

With the increased number of exposures our school has had since Spring Break, Fraser Health has moved Martha Currie from a "Universal School" (which all schools start as) to a "Targeted School". This means increased measures to minimize the chance of spreading COVID. This is the driving force for us to change Recess/Lunch areas into Zones of Play. Every day, the students will move to different areas of play but with a limited number of students. As much as we would like kids to be able to play with more free range, it is more important that we can continue to keep safety as our priority.

Speaking of safety, we were asked by a member of the RCMP to remind everyone that there are no U-turns allowed at the front of the school along 184 Street. Please be mindful of this driving law.

We often tell our grade 7's that they will always be part of the Martha Currie family. With that, we would like to celebrate that a former MC student has been signed by the Vancouver Whitecaps professional soccer team. Congratulations to **Matteo Campagna** (and the Campagna family) for this great achievement!
