Message from the Admin

The exposure letter we all received last week has heightened all of our vigilance to keep everybody as safe as possible. We really want to thank our families for taking our safety requests so seriously. We have noticed that more adults are socially distancing at drop-off/pick-up and more masks are being worn (by adults and students) at school. We will add one more request to this. As much as the students enjoy socializing after school, we recognize that the less amount of time we spend in groups, the safer it is for all. Leaving the premises as soon as possible after school will help in that end. Our staff will continue to do everything we can to keep our school as safe possible.

We would like to remind our Blended Learning families that the survey is due tomorrow. Please ensure you complete it, as we will be planning with the numbers that we get from the survey. If you need the link again, your teacher has a copy of the letter.

As we creep closer to Winter Break, please remind your child(ren) to check the Lost and Found. As always, we will donate the left-over items at the start of the Break.

We would like to wish the best of luck to our student teachers. **Ms. Kate Bower** (with Ms. Grewal) and **Mr. Ajit Randhawa** (with Ms. Tilton) will finish their practicums tomorrow. We hope to see both back at Martha Currie as TOC's.
