## **Remembrance Day Assemblies**

We will be hosting a virtual assembly for parents and students on Wed., Nov. 10 at 10:45 am. Classes have prepared pre-recorded presentations from their classrooms and all classes will watch the assembly from their rooms or the gym. Some classes will be presenting poems or art, and of course, we will have our moment of silence. We will email the link to parents on Monday or Tuesday this week.

This week, please remember to send a poppy donation to school with your child. These donations are given to the Legion to support veterans of years gone by but also new generation of veterans who are coming home and turning to the Legion for housing, career transition counselling and trauma relief. Wear a poppy. Give generously.

## **We Scare Hunger Update**

Thank you to all of the Ocean Cliff families who contributed a significant donation of 50 boxes of food to the Surrey Food Bank. After the interruption of food drives over the last two years due to Covid, food banks and the people they service have suffered. The woman accepting the food, on behalf of the Surrey Food Bank, was tearfully grateful on the phone. In addition, there was an anonymous donation to this food drive of \$500. The impact you, as a community, have made to our city is significant. Thankyou Ocean Cliff for all of your giving and bringing a little peace to families of Surrey struggling with food insecurity.

Sincerely,  
Mrs. Statnyk and the Students of Division 6"

## **Neufeld Farms Fundraiser**

Our grade 7 classes, in partnership with the OC PAC, are accepting orders for Neufeld Farms. This fundraising will support year-end activities and their legacy project that benefits all students at Ocean Cliff. Please look at the attached pdf files for more information.

## **Students Coming in Late**

We have begun to notice an increasing number of students arriving late to school each day. While an occasional late arrival will happen, we are noticing this happening more often and many times repeated by the same children. Although a few minutes late may not seem like a "big deal", these late arrivals delay the start of the day, impact learning and distract other students. This is further compounded when several students arrive late in the same classroom. Please aim to be at school for the 8:30 am entry bell so students are ready to start class and learning at 8:35 am.

## **Masks and Students**

While we do have masks at the office, they are meant to be on hand for students who occasionally forget or those who damage or lose them in the course of the day. We ask that you please make sure to send a mask with your children each day and add two or three more in a zip lock bag in their back packs just in case they lose one or simply forget.
