Just a reminder

If your child will be absent from school or late, please call the office at:

ph 604-576-8551

We had the first of our monthly cultural assemblies this week. Thank you to the students in **Mme K. Hauschildt/Mme C. Haddock**'s class for running the event. The students did a wonderful job, especially when the technology was causing issues for this online assembly.

We are excited to bring a pumpkin patch to our school next week. The primary classes will get to do this in-school field trip. Thank you to **Ms. J. Syberg-Olsen** for organizing it.

We are in the midst of upgrading a couple of our rooms at the school. It was a lot of work to clear out the resources and equipment from the Self-Regulation Classroom to a portable. We would like to give a special thank you to the following grade 7 students (from Div. 3) for their great effort and help:

Reagan A., Simran M., James P., Brydon W., and Jasper W.

We are excited that **Ms. D. van Koll** (EA) will be starting (on Monday) her first practicum on her journey to become a teacher. We wish Ms. Van Koll all the best!

Mr. B. Samra and Mme S. Christmas

Reminders

Please make sure your child is coming to school with a water bottle. We discourage the use of the drinking water fountains, but we encourage all students to use the dispenser for their water bottles.

Also, please remember to send along a fork/spoon with your student as well.

Grade 7 Hoodies

Hello Parents and Guardians of Grade 7 Martha Currie students!

Please find the information below to order grad hoodies. Size chart and measuring tips are included at the end of the email. This year the students have the choice of a custom dark grey or black pullover hoodie. The cost for a hoodie is **\$34** per student (taxes included). They also have the option of ordering a custom face mask. (See the design below.) The masks are only available in one adult size at a cost of **\$12** each (taxes included).

*** PLEASE NOTE: The deadline to order is Tuesday, October 26, 2021, at 4:00 PM. ***
Our supplier has warned us that there will be a significant price increase on November 1, 2021, so we have to get the school's order in ASAP.

We are not collecting payment for the hoodies and masks at this time. Final payment will be due upon delivery of hoodies. (The approximate delivery date is November 30, 2021.) More details for how to pay to follow.

Measuring tips:

SLEEVE: Place tape measure at the base (centre back of the neck) and follow along the top of the shoulder and arm to the wrist.

CHEST: Place tape measure under the arms and run it around the fullest part of the chest and across the shoulder blades. The “FULL MEASURE” on the sizing charts is the distance around the entire chest - front and back.

WAIST: Run tape measure around the natural waistline (the natural crease of the waist when bending to one side).

WHEN USING GILDAN SIZING GUIDES:

The top box labeled “GARMENT MEASUREMENTS” are the actual measurements of the **garment**.

The bottom box labeled “ADULT or YOUTH General Sizing Guide” would be the **individual’s** actual measurements. These measurements are in the size column recommended for the given body measurements. The numbers in the top GARMENT MEASUREMENT box in each size column will always be greater - as the garment must of course be larger than the individual’s actual body measurements to allow for movement within the garment.
