Friday, October 9th

PAC AGM and Executive Elections

Student Verification Forms will be going home tomorrow. Make sure to complete and return these important pages to ensure contact information, emergency contacts and medical alerts are accurate and up to date. Please make sure to add your signature on the verification form (and medical form if needed).

PAC AGM

On Friday, October 9th our school Parent Advisory Council (PAC) will be holding their annual general meeting. The Parent Advisory Council serves a very important role at our school; acting as a liaison between the parents and the school, organizing PAC events to engage our school community and initiating fund raising activities to support our students. At this meeting new members to the Executive will be elected and we ask that you join in this very important meeting and consider putting your name forward for nomination.

Student Planners

Our student planners have arrived and students have starting using them in class. This tool is a great resource to keep students on track and to allow communication between home and school. To offset the cost of the planners we ask that families contribute \$5.00 per planner which can be done through Cash Online.

Looking Ahead

October 12 - Thanksgiving
October 23 - Non-Instructional Day
October 24 – Provincial Election
October 28 - Early Dismissal 1:30 pm
October 31 - Halloween
