As we get ourselves into routines, it was great seeing many of our Blended Learning students back in the school this week. We are also looking forward to our kindergarten students getting ready to start full-days next week.

We would like to welcome **Rubina Mondair** to our teaching staff. We would also like to offer our congratulations to our Crossing Guard **Blanche Vantol** for her son's wedding.

Martha Currie has a history of doing multiple field-trips through the year. Obviously, our students won't be experiencing nearly as many this year, if at all, for safety reasons. We want to confirm with you that, unfortunately, all big trips are cancelled by the District. This means that we will not be doing the Quebec or camping trips this year.

Thank you to everyone for your efforts in making our new drop-off/pick-up areas work. For our Before and After School Care parents, please remember that we can NOT have adults in the building without an appointment, so please ensure you are not walking through the halls to pick-up your child.

Next week, we are recognizing Orange Shirt Day. This is one way to respect the history of Aboriginal Peoples in Canada; including the Residential Schools. All students and staff are encouraged to wear orange on Wednesday.

We are also planning on doing a cohort-oriented Terry Fox Run on Friday. You can find more information in this week's WAG.

Monday is a Pro-D Day for all of our students, so we wish our families a safe and happy long weekend.

This year is the 40th Anniversary of Terry Fox's Marathon of Hope, and Martha Currie Elementary is proud to be continuing the legacy of one of our greatest heroes. Martha Currie has participated for many years and raised a lot of money for the foundation. Last year was a blast, and since we reached our fundraising goal, Mr. Samra got taped to the wall of the gym during an assembly.

This year's Terry Fox Run is going to look different. We will stay on the school grounds and run in our cohorts during various times of the day. Intermediate students will run/walk on the gravel field, while primary students will be on the grass field. Blended learning students are encouraged to do their own runs, perhaps around the block, a park, or even their backyard.

Martha Currie's Terry Fox Run is planned for **Friday, October 2nd**. Please feel free to support this wonderful cause by donating to:

Together, we can all make a difference! #terryfoxschoolruns @terryfoxfoundation
