Terry Fox Run

The Terry Fox Run will be held on Wednesday, September 23rd. This year will look a little bit different due to COVID guidelines. Classes will be taking turns running around our big field as they continue the Marathon of Hope. Depending on the air quality next week, we will monitor and adjust activity levels for the students. We are asking students to bring in their "Twoonies for Terry" all next week. Please have your children dressed appropriately and have a water bottle for the day! Thank you for your support!

Meet the Teacher Night – Completely New Format

Each year we invite families to come in to meet our teachers and see the classrooms and the school. This year due to new guidelines our “Meet the Teacher” event will take on a completely different format. We will not hold an in-class event but instead, teachers will connect with you through a SWAY, Virtual Tour or another method to share information about themselves and their classrooms. Expect to hear from them between September 23 and September 30.

Student Safety

We ask that all families be respectful of traffic rules and student safety. This week we observed several families making U-Turns on the road in front of the school and one car in particular made a wide U-Turn and drove on the sidewalk, almost striking several children. We know that the traffic in front of the school can be congested and slow moving but we ask you always make student safety a priority. If possible, walk to school or come a bit earlier. Traffic is always worst near the first and second bell.

School Supplies

We appreciate the many families who have purchased school supplies on line or at the store. In any other year we would ask that all supplies be brought to school and then stored in the classroom. This year, we ask that you keep supplies at home until the teachers requests items to come in. This is done, in the off chance, conditions change and home learning could resume.
