Dear Parents/Guardians,

At various times throughout the school year, the students will be involved in “walkabouts” around the neighbourhood or to Bear Creek Park. The purpose of these trips would be for fitness, for curricular study, and/or for the development of class leadership and unity. These walking trips will always be supervised by adults, and will on occasion occur on short notice. Any time the students will be participating in the “walkabouts”, the office will be aware of when and where they are walking. The classroom teacher will also ask students to write a reminder in their planners.

In order for your child to participate in these events, please sign a “blanket” permission form that will cover all neighbourhood walking trips that the students will be taking over the course of the year. Thank you for your continued support.

Your truly,

MRS. D. BRADLEY
Principal
