

Katzie Elementary Socks/Mittens/Toque Drive

This month, to go along with our monthly Kindness theme of **EMPATHY**, we will be collecting socks, mittens/gloves and toques for students and families at Inner City schools in Surrey.

We will be collecting **brand new items** (packaged or with tags still on them) until November 15th.

The items can be a variety of sizes to fit all kids of different age levels, including adult sizes.

Your child can bring the items to their classroom and they will be collected from there.

Thank you so much for your generosity!
