### COUNSELLING

- ★ Are you considering becoming a teacher in the future? If so, you should plan to attend the Pathways in Teacher Education event on Thursday March 19<sup>th</sup> from 3–5pm. Representatives from SFU, UBC, UFV and TRU will talk about their Teacher Education Programs and share information about program options, entrance requirements and how to best prepare for a career in teaching. This event is being held at the KPU Surrey campus in their Cedar Conference Centre, but there is also an option to attend virtually via ZOOM. See Ms. Falk in Counselling for further details.
- ★ Are you looking for something to do over Spring Break? Why not try being an SFU student on their Burnaby Campus. SFU is offering two free Spring Break workshops for high school students. On Wednesday, March 18<sup>th</sup>, from 10am-noon, students can attend GenAI: The Myths, the Rewards and the Risks which will be a hands-on interactive workshop. Or try Reality Check—an Interactive Media Literacy workshop on how to spot false information online. This workshop is offered on Wednesday, March 25<sup>th</sup> from 2–4pm. See Ms. Falk in Counselling for registration information.
